Grammar problem

A language instructor was explaining to her class that French nouns, unlike their English counterparts, are grammatically designated as masculine or feminine. Things like "chalk" or "pencil," she described, would have a gender association - even though in English, these words were neutral. Puzzled, one student raised his hand and asked, "What gender is a computer?" The teacher wasn't certain, so divided the class into two groups and asked them to decide if a computer should be masculine or feminine. One group was composed of the women in the class, and the other, of men. Both groups were asked to give four reasons for their recommendation.

The group of women concluded that computers should be referred to in the masculine gender because:

1. In order to get their attention, you have to turn them on.
2. They have a lot of data but are still clueless.
3. They are supposed to help you solve your problems, but half the time they are the problem.
4. As soon as you commit to one, you realize that, if you had waited a little longer, you could have had a better model.

The men, on the other hand, decided that computers should definitely be referred to as the feminine gender because

1. No one but their creator understands their internal logic.
2. The native language they use to communicate with other computers is incomprehensible to everyone else.
3. Even your smallest mistakes are stored in long-term memory for later retrieval.

Knut S-C Ojermark

4. As soon as you make a commitment to one, you find yourself spending half your paycheck on accessories for it.

TEXAS WISDOM

1. Never slap a man who's chewin' tobacco.
2. Good judgment comes from experience, and a lot of that comes from bad judgment.
3. Lettin' the cat outta the bag is a whole lot easier 'n puttin' it back in.
4. If you're ridin' ahead of the herd, take a look back every now and then to make sure it's still there.
5. If you get to thinkin' you're a person of some influence, try orderin' somebody else's dog around.
6. Never kick a cow chip on a hot day.
7. There's two theories to arguin' with a woman. Neither one works.
8. If you find yourself in a hole, the first thing to do is stop diggin'.
9. Don't squat with your spurs on.
10. It don't take a genius to spot a goat in a flock of sheep

Divorced

A guy calls up his ex-wife and, disguising his voice, asks to speak to himself. "Sorry, he doesn't live here anymore, we're divorced!" Next day, the guy does the same thing with the same results.

He does this everyday for a week, and finally his ex-wife realizes

The Best of the Net Part II

who it is that keeps calling. "Look, Bozo! We're divorced! Finito! End of story! When are you going to get that through your fat head?" "Oh, I know! I just can't hear it enough!"

Super Heroes

Superman's had a hard week of fighting crime in Metropolis and is ready for some fun. So Friday afternoon, he looks up his pals Batman and Spiderman to see if they're up for going on the prowl that evening. Both turn him down on account of prior commitments, and Superman is pretty ticked. As he's flying around the stratosphere letting off steam, he spots Wonder Woman lying on her back stark naked sunbathing on the beach. "Hey," he thinks, "I'm Superman and I don't need those two

Knut S-C Ojermark

clowns to have a good time. I can just fly down there at the speed of light, catch a quickie, and fly away before she knows what happened." So, Superman zips down, takes advantage of the situation and flies away at the speed of light. Wonder Woman says, "What the hell was that?" The Invisible Man says, "I don't know but it hurt like hell."

Simple Math

The owner of a golf course was confused about paying an invoice, so he asked his secretary for some mathematical help. He asked her, "If I were to give you \$20,000, minus 14%, how much would you take off?" She replied "Everything but my earrings."

MESSAGE OF THE DAY

Too often, we lose sight of life's simple pleasures. Remember, when someone annoys you it takes 42 muscles in your face to frown BUT it only takes 4 muscles to extend your arm and bitch-slap the mother fucker upside the head..... pass it on....

The mind-set of that year's incoming freshman

Just in case you weren't feeling too old today, this will certainly change things. Each year the staff at Beloit College in Wisconsin puts together a list to try to give the faculty a sense of the mind-set of that year's incoming freshman.

The Best of the Net Part II

Here is this year's list The people who are starting college this fall across the nation were born in 1982. They have no meaningful recollection of the Reagan Era and probably did not know he had ever been shot. They were prepubescent when the Persian Gulf War was waged. Black Monday, 1987 is as insignificant to them as the Great Depression. There has been only one Pope.

They were 11 when the Soviet Union broke apart and do not remember the Cold War. They have never feared a nuclear war.

They are too young to remember the Space Shuttle blowing up. Tiananmen Square means nothing to them. Bottle caps have always been screw-off and plastic. Atari predates them, as do vinyl albums. The expression "you sound like a broken record" means nothing to them.

They have never owned a record player.

They have likely never played Pac-Man and have never heard of Pong. They may have never heard of an 8-track. The Compact Disc was introduced when they were 1 year old. As far as they know, stamps have always cost about 33 cents.

They have always had an answering machine. Most have never seen a TV set with only 13 channels, nor have they seen a black-and-white TV. They have always had cable. There have always been VCRs, but they have no idea what BETA is.

They cannot fathom not having a remote control.

They were born the year that Walkman was introduced by Sony. Roller skating has always meant in-line for them. Jay Leno has always been on the Tonight Show.

They have no idea when or why Jordache jeans were cool. Popcorn has always been cooked in the microwave. They have never seen Larry Bird play. They never took a swim and thought about Jaws. The Vietnam War is as ancient history to them as WWII, WWI and the Civil War. They have no idea that Americans were ever held captive in Iran. They can't imagine what hard contact lenses are. They don't know who Mork was or

Knut S-C Ojermark

where he was from. They never heard "Where's the beef?", "I'd walk a mile for a Camel", or "De plane, de plane!". They do not care who shot J. R. and have no idea who J. R. is. The Titanic was found? They thought we always knew where it was. Kansas, Chicago, Boston, America, and Alabama are places, not groups. McDonalds never came in Styrofoam containers. There has always been MTV. They don't have a clue how to use a typewriter. Do you feel old yet? Pass this on to the other old fogies. But don't send it back to me, I feel old enough.

Rednecks

How do you know when your staying in a Kentucky hotel? When you call the front desk and say "I've gotta leak in my sink" and the person at the front desk says "go ahead."

Did you hear that they have raised the minimum drinking age in Tennessee to 32? It seems they want to keep alcohol out of the high schools.

How many rednecks does it take eat a 'possum? Two. One to eat, and one to watch out for traffic.

Why did God invent armadillos? So that Texas rednecks can have 'possum on the halfshell.

Where was the toothbrush invented? Arkansas. If it was invented anywhere else it would have been called a teethbrush.

The Best of the Net Part II

An Arkansas State trooper pulls a pickup truck over on I-40. He says to the driver, "Got any ID?" The driver says, "Bout what?"

Did you hear about the \$3,000,000 Tennessee State Lottery? The winner gets \$3 a year for a million years.

Why did O. J. Simpson want to move to West Virginia? Everyone has the same DNA.

Did you hear that the governor's mansion in Little Rock, Arkansas burned down? Yep. Pert' near took out the whole trailer park.

A new law recently passed in North Carolina. When a couple gets divorced, they're still brother and sister.

What's the best thing to ever come out of Arkansas? I-40.

Two Mississippians are walking down different ends of a street toward each other, and one is carrying a sack. When they meet, one says, "Hey Tommy Ray, what'cha got in th' bag?" "Jus' some chickens." "If I guesses how many they are, can I have one?" "Shoot, ya guesses right and I'll give you both of em." "OK. Ummmmm . . . five?"

A Mississippian came home and found his house on fire, he rushed next door, telephoned the fire department and shouted, "Hurry over here. My house is on fire!" "OK," replied the fireman, "how do we get there?" "Shucks, don't you still have those big red trucks?"

Why do folks in Kentucky go to the movie theater in groups of 18 or more? 'Cuz 17 and under are not admitted.

Knut S-C Ojermark

What do you get when you have 32 rednecks in the same room?
A full set of teeth.

How long does a redneck cook his meat? Until the tire tracks disappear.

Hot car

A hip young man goes out and buys the best car available a 1997 Ferrari GTO. It is the most expensive car in the world and costs him \$500,000. He takes it out for a spin and stops for a red light. An old man on a moped (both looking about 75 years old) pulls up next to him. The old man looks over at the sleek, shiny car and asks, "What kind of car ya' got there, sonny?"

The young man replies, "A 1997 Ferrari GTO. It cost a half a million dollars!"

"That's a lot of money", says the old man. "Why does it cost so much?"

"Because this car can do up to 320 miles per hour", states the young dude proudly. The moped driver asks,

"May I take a look inside?"

"No problem", replies the owner.

The Best of the Net Part II

So the old man pokes his head in the window and looks around. Then sitting back on his moped, the old man says, " That's a pretty nice car, alright!" Just then, the light changes so the guy decides to show the old man just what his car can do. He floors it, and within 30 seconds the speedometer reads 160 mph. Suddenly, he notices a dot in his rear view mirror. It seems to be getting closer! He slows down to see what it could be and suddenly, whhhooooooooooooosshhh!, something whips by him, going much faster! "What on earth could be going faster than my Ferrari?!", the young man asks himself. Then, ahead of him, he sees a dot coming toward him. Whhhooooooooooooosshhh! It goes by again, heading in the opposite direction! and it looked like the old man on the moped! "Couldn't be", thinks the guy. "How could a moped outrun a Ferrari!?" But again, he sees a dot in his rear view mirror! Whooooooooosh, Ka-BbblaMMM!!!!!! It plows into the the back of his car, demolishing the rear end. The young man jumps out, and it IS the old man!!!

He runs up to the mangled old man and says, "Oh my god! Is there anything I can do for you?" The old man whispers with his dying breath, "Unhook.....my suspenders.....from your side view mirror."

The Turtle and the Elephant

An elephant is drinking out of a river when he spots a turtle asleep on a log. The elephant ambles over and kicks the unsuspecting turtle clear across the river. "Why did you do that?" asks a passing giraffe. "Because I recognized it as the same turtle that took a nip out of my trunk 47 years ago." "Wow, what a memory!" says the giraffe. "Yes," says the elephant. "Turtle recall

Oldest Profession

A surgeon, an architect, and a politician were considering the question of whose profession was the oldest. "I think my line of work would win this one hands down," the surgeon said. "After all, Eve was created from Adam's rib, and that sounds like surgery to me." "Maybe," the architect said, "but before Adam, order was created out of chaos. That was architectural accomplishment." "Sure," the politician said. "But before that, someone had to create the chaos."

Hot air balloon

A man in a hot air balloon realized he was lost. He reduced altitude, and spotted a woman below. He descended a bit more and shouted, "Excuse me, can you help me? I promised a friend I would meet him an hour ago, but I don't know where I am."

The woman below replied, "You are in a hot air balloon hovering approximately 30 feet above the ground. You are between 40 and 41 degrees north latitude and between 59 and 60 degrees west longitude."

"You must be a teacher," said the balloonist. "I am," replied the woman. "How did you know?" "Well," answered the balloonist, "everything you told me is technically correct, but I have no idea what to make of your information, and the fact is I am still lost. Frankly, you haven't been much help so far."

The Best of the Net Part II

The woman below responded, "you must be an administrator." "I am," replied the balloonist, "but how did you know?" "Well," said the woman, "you don't know where you are or where you are going. You have risen to where you are due to a large quantity of hot air. You made a promise, which you have no idea how to keep, and you expect me to solve the problem. The fact is you are in exactly the same position you were in before we met, but now, somehow, it's now my fault.

A businessman boards a flight and is lucky enough to be seated next to an absolutely gorgeous woman. They exchange brief hellos and he notices she is reading a manual about sexual statistics. He asks about it and she replies, "This is a very interesting book about sexual statistics."

It identifies that American Indians have the longest average penis and Polish men the biggest average diameter. By the way, my name is Jill. What's yours?"

He coolly replies, "Tonto Kawalski, nice to meet you."

The wife turns over and says "I'm sorry honey, I've got a gynaecologist appointment tomorrow and I want to stay fresh." The husband, rejected, turns over and tries to sleep. Bill worked in a pickle factory. He had been employed there for a number of years when he came home one day to confess to his wife that he had a terrible compulsion. He had an urge to stick his penis into the pickle slicer. His wife suggested that he should see a sex therapist to talk about it, but Bill indicated that he'd be too embarrassed. He vowed to overcome the compulsion on his own.

The Best of the Net Part II

One day a few weeks later, Bill came home absolutely ashen. His wife could see at once that something was seriously wrong.

"What's wrong, Bill?" she asked.

"Do you remember that I told you how I had this tremendous urge to put my penis into the pickle slicer?" "Oh, Bill, you didn't." "Yes, I did." "My God, Bill, what happened?" "I got fired." "No, Bill. I mean, what happened with the pickle slicer?"

"Oh...she got fired too."

A man was visiting his wife in hospital where she has been in a coma for several years. On this visit he decides to rub her left breast instead of just talking to her. On doing this she lets out a sigh. The man runs out and tells the doctor who says this is a good sign and suggests he should try rubbing her right breast to see if there is any reaction. The man goes in and rubs her right breast and this brings a moan. From this, the doctor suggests that the man should go in and try oral sex, saying he will wait outside as it is a personal act and he doesn't want the man to be embarrassed. The man goes in then comes out about five minutes later, white as a sheet and tells the doctor his wife is dead. The doctor asks what happened to which the man replies "She choked."

the alligator up on the bar. He turns to the astonished patrons. "I'll make you a deal. I'll open this alligator's mouth and place my genitals inside. Then the gator will close his mouth for one minute. He'll then open his mouth and I'll remove my unit unscathed. In return for witnessing this spectacle, each of you will buy me a drink."

The crowd murmured their approval.

The man stood up on the bar, dropped his trousers, and placed his privates in the alligator's open mouth. The gator closed his mouth as the crowd gasped. After a minute, the man grabbed a beer bottle and rapped the alligator hard on the top of its head. The gator opened his mouth and the man removed his genitals unscathed as promised. The crowd cheered and the first of his free drinks were delivered. The man stood up again and made another offer. "I'll pay anyone \$100 who's willing to give it a try". A hush fell over the crowd.

After a while, a hand went up in the back of the bar. A woman timidly spoke up. "I'll try, but you have to promise not to hit me on the head with the beer bottle".

Texas moves to California

A young guy from Texas moves to California and goes to a big department store looking for a job. The manager says, "Do you have any sales experience?"

Knut S-C Ojermark

The kid says, "Yeah, I was a salesman back home in Texas." Well, the boss liked the kid so he gave him the job. "You start tomorrow. I'll come down after we close and see how you did."

His first day on the job was rough but he got through it. After the store was locked up, the boss came down. "How many sales did you make today?"

Kid says, "One." The boss says, "Just one? Our sales people average 20 or 30 sales a day. How much was the sale for?" Kid says, "\$101,237.64." Boss says, "\$101,237.64? What the hell did you sell?" Kid says, "First I sold him a small fish hook. Then I sold him a medium fish hook. Then I sold him a larger fish hook. Then I sold him a new fishing rod. Then I asked him where he was going fishing and he said down at the coast, so I told him he was gonna need a boat, so we went down to the boat department and I sold him that twin engine Chris Craft. Then he said he didn't think his Honda Civic would pull it, so I took him down to the automotive department and sold him that 4X4 Blazer."

The boss said, "A guy came in here to buy a fish hook and you sold him a boat and truck?" Kid says, "No, he came in here to buy a box of tampons for his wife and I said, 'Well, your weekend's shot, you might as well go fishing.'"

Texas Baby Boy

the bar. The bartender says, "Say, you're the father of the typical Texas baby that weighed 20 pounds at birth. How much does he weigh now?"

The proud father answers, "Fifteen pounds." The bartender is puzzled, concerned. "Why? What happened? He already weighed 20 pounds at birth. The Texas father takes a slow swig from his long-neck Lone Star, wipes his lips on his shirt sleeve, leans into the bartender and proudly says, "Had him circumcised."

To which she smugly replies, "My son is a gorgeous, 6' 2", hard bodied stripper. When he walks into a room, people say, "Oh my God...."

Jesus and Satan were having an ongoing argument about who was better on his computer.

They had been going at it for days, and God was tired of hearing all of the bickering. Finally, God said, "Cool it. I am going to set up a test that will run two hours and I will judge who does the

better job." So Satan and Jesus sat down at the keyboards and typed away. They moused. They did spreadsheets. They wrote reports. They sent faxes. They sent e-mail. They sent out e-mail with attachments. They downloaded. They did some genealogy reports. They made cards. They did every known job. But ten minutes before their time was up, lightning suddenly flashed across the sky, thunder rolled, the rain poured, and of course, the electricity went off. Satan stared at his blank screen and screamed every curse word known in the underworld. Jesus just sighed. The electricity finally flickered back on, and each of them restarted their computers. Satan started searching frantically screaming "It's gone! It's all gone! I lost everything when the power went out!" Meanwhile, Jesus quietly started printing out all of his files from the past two hours. Satan observed this and became irate. "Wait! He cheated! How did he do it?" (You'll love the punch line.....) God shrugged and said..... "Jesus Saves."

To the citizens of the United States of America

In the light of your failure to elect a President of the USA and thus to govern yourselves, we hereby give notice of the revocation of your independence, effective today. Her Sovereign Majesty Queen Elizabeth II will resume monarchical duties over all states, commonwealths and other territories. Except Utah, which she does not fancy. Your new prime minister (The rt. hon. Tony Blair, MP for the 97.85% of you who have until now been unaware that there is a world outside your borders) will appoint a minister for America without the need for further elections. Congress and the Senate will be disbanded. A questionnaire will

The Best of the Net Part II

be circulated next year to determine whether any of you noticed. To aid in the transition to a British Crown Dependency, the following rules are introduced with immediate effect:

1. You should look up "revocation" in the Oxford English Dictionary. Then look up "aluminium". Check the pronunciation guide. You will be amazed at just how wrongly you have been pronouncing it. Generally, you should raise your vocabulary to acceptable levels. Look up "vocabulary". Using the same twenty seven words interspersed with filler noises such as "like" and "you know" is an unacceptable and inefficient form of communication. Look up "interspersed".
2. There is no such thing as "US English". We will let Microsoft know on your behalf.
3. You should learn to distinguish the English and Australian accents. It really isn't that hard.
3. Hollywood will be required occasionally to cast English actors as the good guys.
4. You should relearn your original national anthem, "God Save The Queen", but only after fully carrying out task 1. We would not want you to get confused and give up half way through.
5. You should stop playing American "football". There is only one kind of football. What you refer to as American "football" is not a very good game. The 2.15% of you who are aware that there is a world outside your borders may have noticed that no one else plays "American" football. You will no longer be allowed to play it, and should instead play proper football. Initially, it would be best if you played with the girls. It is a difficult game. Those of you brave enough will, in time, be allowed to play rugby (which is similar to American "football", but does not involve stopping for a rest every twenty seconds or wearing full kevlar body armour like nancies). We are hoping to get together at least a US rugby sevens side by 2005.

Knut S-C Ojermark

6. You should declare war on Quebec and France, using nuclear weapons if they give you any merde. The 98.85% of you who were not aware that there is a world outside your borders should count yourselves lucky. The Russians have never been the bad guys. "Merde" is French for "shit".

7. July 4th is no longer a public holiday. November 8th will be a new national holiday, but only in England. It will be called "Indecisive Day".

8. All American cars are hereby banned. They are crap and it is for your own good. When we show you German cars, you will understand what we mean. 10. Please tell us who killed JFK. It's been driving us crazy. Thank you for your cooperation. Have a nice day.

Little monkey

A police officer came upon a terrible wreck where the driver and passenger had been killed. As he looked upon the wreckage a little monkey came out of the brush and hopped around the crashed car. The officer looked down at the monkey and said, "I wish you could talk." The monkey looked up at the officer and shook his head up and down. "You can understand what I'm saying?" asked the officer. Again, the monkey shook his head up and down. "Well, did you see this?" "Yes," motioned the monkey. "What happened?" The monkey pretended to have a can in his hand and turned it up by his mouth. "They were drinking?" asked the officer. The monkey shakes his head "Yes." "What else?" The monkey pinched his fingers together and held them to his mouth. "They were smoking marijuana?" The monkey shakes his head "Yes." "What else?" The monkey motioned "kissing." "They were kissing, too?" asked the astounded officer. The

In-flight safety lecture

Occasionally, airline attendants make an effort to make the "in-flight safety lecture" and their other announcements a bit more entertaining. Here are some real examples that have been heard or reported:

1. From a Southwest Airlines employee.... "There may be 50 ways to leave your lover, but there are only 4 ways out of this airplane..."
2. Pilot -- "Folks, we have reached our cruising altitude now, so I am going to switch the seat belt sign off. Feel free to move about

The Best of the Net Part II

as you wish, but please stay inside the plane till we land...it's a bit cold outside, and if you walk on the wings it affects the flight pattern."

3. After landing: "Thank you for flying Delta Business Express. We hope you enjoyed giving us the business as much as we enjoyed taking you for a ride."

4. As the plane landed and was coming to a stop at Washington National, a lone voice comes over the loudspeaker: "Whoa, big fella. WHOA"

5. After a particularly rough landing during thunderstorms in Memphis, a flight attendant on a Northwest flight announced: "Please take care when opening the overhead compartments because, after a landing like that, sure as hell everything has shifted."

6. From a Southwest Airlines employee.... "Welcome aboard Southwest Flight XXX to YYY. To operate your seatbelt, insert the metal tab into the buckle, and pull tight. It works just like every other seatbelt and if you don't know how to operate one, you probably shouldn't be out in public unsupervised. In the event of a sudden loss of cabin pressure, oxygen masks will descend from the ceiling. Stop screaming, grab the mask, and pull it over your face. If you have a small child traveling with you, secure your mask before assisting with theirs. If you are traveling with two small children, decide now which one you love more."

7. Weather at our destination is 50 degrees with some broken clouds, but they'll try to have them fixed before we arrive. Thank

Knut S-C Ojermark

you, and remember, nobody loves you or your money, more than Southwest Airlines."

8. "Your seat cushions can be used for flotation and in the event of an emergency water landing, please take them with our compliments."

9. "As you exit the plane, please make sure to gather all of our belongings. Anything left behind will be distributed evenly among the flight attendants. Please do not leave children or spouses."

10. "Last one off the plane must clean it."

11. From the pilot during his welcome message: "We are pleased to have some of the best flight attendants in the industry...Unfortunately none of them are on this flight..."

12. Overheard on an American Airlines flight into Amarillo, Texas, on a particularly windy and bumpy day. During the final approach, the Captain was really having to fight it . After an extremely hard landing, the Flight Attendant came on the PA and announced, "Ladies and Gentlemen, welcome to Amarillo. Please remain in your seats with your seatbelts fastened while the Captain taxis what's left of our airplane to the gate."

13. Another flight Attendant's comment on a less than perfect landing: " We ask you to please remain seated as Captain Kangaroo bounces us to the terminal."

14. An airline pilot wrote that on this particular flight he had

The Best of the Net Part II

hammered his ship into the runway really hard. The airline had a policy which required the first officer to stand at the door while the passengers exited, smile, and give them a "Thanks for flying XYZ airline." He said that in light of his bad landing, he had a hard time looking the passengers in the eye, thinking that someone would have a smart comment. Finally, everyone had gotten off except for this little old lady walking with a cane.

She said, "Sonny, mind if I ask you a question?" "Why no, Mam," said the pilot, "what is it?" The little old lady said, "Did we land or were we shot down?"

15. After a real crusher of a landing in Phoenix, the Flight Attendant came on with, "Ladies and Gentlemen, please remain in your seats until Captain Crash and the Crew have brought the aircraft to a screeching halt up against the gate. And, once the tire smoke has cleared and the warning bells are silenced, we'll open the door and you can pick your way through the wreckage to the terminal."

16. Part of a Flight Attendant's arrival announcement: "We'd like to thank you folks for flying with us today. And, the next time you get the insane urge to go blasting through the skies in a pressurized metal tube, we hope you'll think of us here at US Airways."

Why did the chicken cross the road?

VICE PRESIDENT GORE I fight for the chickens and I am fighting for the chickens right now. I will not give up on the chickens crossing the road! I will fight for the chickens and I will not disappoint them.

GOVERNOR GEORGE W. BUSH I don't believe we need to get the chickens across the road. I say give the road to the chickens and let them decide. The government needs to let go of strangling the chickens so they can get across the road.

SENATOR LIEBERMAN I believe that every chicken has the right to worship his or her God in his or her own way. Crossing the road is a spiritual journey and no chicken should be denied the right to cross the road in his or her own way.

SECRETARY CHENEY Chickens are big-time because they have wings. They could fly if they wanted to. Chickens don't want to cross the road. They don't need help crossing the road. In fact, I'm not interested in crossing the road myself.

RALPH NADER Chickens are misled into believing there is a road by the evil tire makers. Chickens aren't ignorant, but our society pays tire makers to create the need for these roads and then lures chickens into believing there is an advantage to crossing them. Down with the roads, up with chickens.

JERRY FALWELL Because the chicken was gay! Isn't it obvious? Can't you people see the plain truth in front of your face? The chicken was going to the "other side." That's what "they" call it-the "other side." Yes, my friends, that chicken is gay. And, if you eat that chicken, you will become gay too. I say we boycott all chickens until we sort out this abomination that the liberal media whitewashes with seemingly harmless phrases like "the other side." That chicken should not be free to cross the road. It's as plain and simple as that.

DR. SEUSS Did the chicken cross the road? Did he cross it with a toad? Yes! The chicken crossed the road, but why it crossed, I've not been told!

ERNEST HEMINGWAY To die. In the rain.

MARTIN LUTHER KING, JR. I envision a world where all chickens will be free to cross without having their motives called into question.

GRANDPA In my day, we didn't ask why the chicken crossed the road. Someone told us that the chicken crossed the road, and that was good enough for us.

ARISTOTLE It is the nature of chickens to cross the road.

KARL MARX It was a historical inevitability.

SADDAM HUSSEIN This was an unprovoked act of rebellion and we were quite justified in dropping 50 tons of nerve gas on it.

RONALD REAGAN What chicken?

Knut S-C Ojermark

CAPTAIN JAMES T. KIRK To boldly go where no chicken has gone before.

FOX MULDER You saw it cross the road with your own eyes. How many more chickens have to cross before you believe it?

FREUD The fact that you are at all concerned that the chicken crossed the road reveals your underlying sexual insecurity.

BILL GATES I have just released eChicken 2000, which will not only cross roads, but will lay eggs, file your important documents, and balance your checkbook-and Internet Explorer is an inextricable part of eChicken.

EINSTEIN Did the chicken really cross the road or did the road move beneath the chicken?

BILL CLINTON I did not cross the road with THAT chicken. What do you mean by "chicken"? Could you define "chicken" please?

GEORGE BUSH I don't think I should have to answer that question.

LOUIS FARRAKHAN The road, you will see, represents the black man. The chicken crossed the "black man" in order to trample him and keep him down.

THE BIBLE And God came down from the heavens, and He said unto the chicken, "Thou shalt cross the road." And the chicken crossed the road, and there was much rejoicing.

Once upon a time there lived a king. The king had a beautiful daughter, But there was a problem. Everything the princess touched would melt.? No matter what; metal, wood, plastic anything she touched would melt. Because of this, men were afraid of her. Nobody would dare marry her. The king despaired.? What could he do to help his daughter? He consulted his wizards and magicians. One wizard told the king, "If your daughter touches one thing that does not melt in her hands, she will be cured."

The king was overjoyed. The next day, he held a competition. Any man that could bring his daughter an object that would not melt would marry her and inherit the king's wealth. Three young princes took up the challenge.

The first prince brought a very hard alloy of titanium. But alas, once the princess touched it, it melted. The prince went away sadly.

The second prince brought a huge diamond, thinking that diamond is the hardest substance in the world and would not melt.? But alas, once the princess touched it, it melted.? He too was sent away disappointed.

The third prince approached.? He told the princess, "Put your hand in my pocket and feel what is in there."? The princess did as she was told, though she turned red.? She felt something hard.? She held it in her hand.? And it did not melt!!! The king was overjoyed.? Everybody in the kingdom was overjoyed. And the third prince married the princess and they both lived happily ever after. Question: What was the object in the prince's pocket?

Knut S-C Ojermark

They were M&M's of course.? They melt in your mouth, not in your hand. What were you thinking?

Idea was good!

Final exam

A high school English teacher reminds her class of tomorrow's final exam. She tells the class there will be no excuse for not showing up, except for serious injury or illness, or a death in the student's immediate family.

A smart-ass jock in the back of the room asks, "What about extreme sexual exhaustion?" The entire class does its best to stifle their laughter and snickering as the jock looks around the room very cocky with a smirk on his face.

Tattoo

A woman goes into a tattoo parlour and tells the tattoo artist that she wants a tattoo of a turkey on her right thigh just below her bikini line. She also wants him to put "Happy Thanksgiving" under the turkey. So the guy does it and it comes out looking really good. The woman then instructs him to put a Santa tattoo with "Merry Christmas" up on her left thigh.

So the guy does it and it comes out looking good, too. As the woman is getting dressed to leave, the tattoo artist asks, "If you don't mind, could you tell me why you had me put such unusual tattoos on your thighs?"

She says "I'm sick and tired of my husband complaining all the time that there's nothing good to eat between Thanksgiving and Christmas!"

Irish Bank Robbers

Excerpted from an article which appeared in the Dublin Times about a bank robbery on March 2, 1999: Once inside the bank shortly after midnight, their efforts at disabling the internal security system got underway immediately. The robbers, who expected to find one or two large safes filled with cash and valuables, were surprised to see hundreds of smaller safes scattered throughout the bank.

The robbers cracked the first safe's combination, and inside they found only a bowl of vanilla pudding. As recorded on the bank's audio tape system, one robber said, "At least we'll have a bit to eat."

The robbers opened up a second safe, and it also contained nothing but vanilla pudding. The process continued until all the safes were opened. They found not one pound sterling, a diamond, or an ounce of gold.

Instead, all the safes contained covered bowls of pudding.

Disappointed, the robbers made a quiet exit, each leaving with nothing more than a queasy, uncomfortably full stomach.

IT'S A TOUGH LIFE

A guy walks into a bar and sits down. After a few minutes, he starts dialing numbers, like on a telephone, but on the back of his hand. He then flips his hand over and starts talking into his palm. The bartender comes over and tells him that it's a very tough neighborhood and that he doesn't need any troubles from weirdoes in the bar. The guy says, "You don't understand. I'm very high-tech. I had a phone installed in my hand because I was tired of carrying around the cellular."

"Prove it!" demands the bartender. So the guy dials up a number and holds his hand up to the bartender's ear. The bartender talks into the guy's hand and carries on a brief conversation.

"That's incredible," says the bartender. "I never would have believed it!"

"Yeah!" said the guy. "I can keep in touch with my broker, my wife, you name it. By the way, where's the men's room?"

The bartender directs him to the men's room. The guy goes in, and 5,10, 15, 20 minutes go by, and he doesn't return. Fearing the worst, given the violence in the neighborhood, the bartender goes into the men's room and finds the guy spread eagle against the wall, his pants down around his knees and a roll of toilet paper shoved up his butt. "Oh shit" said the bartender. "Did the locals bar crowd do this to you?"

The guy casually turns around and says, "No, I'm okay. I'm just waiting for a fax."

Man vs Pregnant Lady

From an actual trial in London ...

A young woman who was several months pregnant boarded a bus. When she noticed a young man smiling at her she began feeling humiliated on account of her condition.

She changed her seat and he seemed more amused. She moved again and then on her fourth move he burst out laughing. She had him arrested for harassment and when the case came before the court this was the man's reply when asked why he acted in such a manner, "When the lady boarded the bus I couldn't help noticing she was pregnant. She sat under an advertisement, which read

"Coming Soon The Gold Dust Twins"; then she moved under one that read

"Sloan's Liniments remove Swelling". I was even more amused when she sat under a shaving advertisement, which read "William Stick Did The Trick". Then I could not control myself any longer when on the fourth move she sat under an advertisement, which read "Dunlop Rubber would have prevented this accident". He won the case.

DISAPPEARING WIFE

A man left for work one Friday afternoon. But, being payday, instead of going home, he stayed out the entire weekend partying with the boys and spending his entire paycheck. When He finally appeared at home, Sunday Night, he was confronted by a very angry wife and was barraged for nearly two hours with a tirade befitting his actions. Finally his wife stopped the nagging and simply said to him. "How would you like it if you didn't see me for two or three days?" To which he replied. "That would be fine with me." Monday went by and he didn't see his wife. Tuesday and Wednesday came and went with the same results. Come

Thursday, the swelling went down just enough where he could see her a little out of the corner of his left eye.

The following are excerpts from various American Medical Journals.

Prepare yourself, they are pretty amazing (But all are true)

INNER SKELETON

A 63-year-old widow was admitted to the hospital in Recife, Brazil, suffering abdominal pains. X-rays showed that she was carrying a 20-inch long skeleton of a fetus which she conceived a decade earlier. It had become lodged outside the womb and was never expelled from her body.

FEMALE SOFA

A 500-pound woman from Illinois was examined in the hospital. During the examination, an asthma inhaler fell from under her armpit, a dime was found under one of her breasts, and a remote control was found lodged between the folds of her vulva. OUCH!

Washington emergency room

A couple hobbled into a Washington emergency room covered in bloodied restaurant towels. The man had his arms around his waist, and the woman had hers around her head. They eventually explained to doctors that they had gone out that evening for a romantic dinner. Overcome with passion, the woman crept under

The Best of the Net Part II

the table to administer oral sex to the man. While in the act, she had an epileptic fit, which caused her mouth to clamp down on the man's member and wrenched it from side to side. In agony and desperation, the man grabbed a fork and stabbed her in the head until she let go.

SEX EDUCATION

A Californian doctor examining a young woman with abdominal pains asked her if she was sexually active. She said that she wasn't. A later examination showed that she was pregnant. Asked why she said that she was not sexually active, the woman replied, "I'm not. I just lie there." When asked if she knew who the father was, with a puzzled look she replied, "No, who?"

BLIND DRUNK

A drunk staggered into a Pennsylvania ER complaining of severe pain while trying to remove his contact lenses. He said that they would come out halfway, but they always popped back in. A nurse tried to help using a suction pump, but without success. Finally, a doctor examined him and discovered that the man did not have his contact lenses in at all. He had been trying to rip out the membrane of his cornea.

GROWING SEASON

An old woman in a North Carolina ER complained of green vines growing from her vagina. Investigation revealed a large potato trapped in her womb. The woman then suddenly

Knut S-C Ojermark

remembered that she had inserted it two weeks previously, because she thought that her uterus was falling out.

PRICKLY PAIR

In Michigan, a man came into the ER with lacerations to his penis. He complained that his wife had "a rat in her vagina" and it bit him during sex. After an examination of his wife, it was revealed that she had a surgical needle left inside her after a recent hysterectomy.

LAST STAND

A Cambridge man hobbled into the ER complaining of a permanent erection. He admitted to doctors that while on holiday in Cuba, he frequented many brothels, and in one he was given some erectile cream to keep him hard. He was told to use it sparingly. However, since he was having so much fun, he kept using more and more. By the time he came to the ER, all the blood vessels in his penis were swollen and his testicles had ballooned in size. Doctors could do nothing except prescribe pain killers, and told him that it would return to flaccidity in a few days. They also told him to enjoy his erection while it lasted, because it was going to be his last.

CALL THE BUM SQUAD!

A World War II veteran came into a London clinic with a hemorrhoid problem. One painful pile would often hang down from the man's anus and he was in the habit of pushing it back up with an artillery shell. On this occasion, the shell got stuck. Doctors were going to remove it but the man told them the shell was still live. So the hospital called in the army bomb disposal

GOLF RULE CHANGE

A proposed revision to the rules of golf is being sought in south Florida which will replace the traditional call of "FORE." When a

The Best of the Net Part II

player has hit an errant shot, he will be allowed to call "GORE" while the ball is still in flight. He can then replace the ball in the same spot and hit it again. The player can do this until he is satisfied that the ball is going where he intended to hit it in the first place. This will cause the time of play to be extended until such time as the player can claim the hole. The revision is causing some consternation in the PGA, but proponents say it is only fair. A recent test of this new rule was played out in an exclusive club in Palm Beach County, Florida, and the first hole only took 21 days to complete.

The analyst, thinking they were making progress, announced that he was having a Halloween costume party at his home and invited the entire group to the party on the condition that they arrived dressed in a costume relating to an emotion. On Halloween night, the door bell rang and he answered it. There was a gentleman dressed all in white, white coat, white top-hat, pants, gloves, etc. The analyst asked what emotion the patient was dressed as. The patient answered, "I'm Placidity!"

"Very good!" said the analyst, "come on in and join us!"

The door bell rang again and he answered it. There, standing at the door, was the only black man of the group. He was totally naked, with an erection and a pear stuck on the end of his large cock!

You look terrible

A man was getting ready for work one morning when his wife looked at him and said, "What is the matter with you? You look terrible." He replied that he felt great.

The man went to work where his boss took one look at him and said, "What is the matter with you? You look terrible." The man replied that there was nothing wrong with him and that he felt great. The man went to lunch with a client and the client looked at him and said, "What is the matter with you? You look terrible." The man again replied that he felt great. The client suggested he go to the doctor right away because he looked so bad.

The man went to the doctor, and when the doctor walked into the examining room and saw him the doctor said, "My god, you look terrible." The man explained that everyone was telling him that he looked terrible but that he felt great.

The doctor replied, "According to my book... you're a vagina!"

Barbara Walters had done a story on gender roles in Kuwait several years before the Gulf War, and she noted then that women customarily walked about 10 feet behind their husbands.

She returned to Kuwait recently and observed that the men now walked several yards behind their wives.

Ms. Walters approached one of the women for an explanation. "This is marvelous," she said. "What enabled women here to achieve this reversal of roles?"

The Kuwaiti woman replied, "Land mines."

American Tourist in China

An American tourist goes on a trip to China. While in China, he is very sexually promiscuous and does not use a condom. A week after arriving back home in the States, he awakes one morning to find his penis covered with bright green and purple spots. Horrified, he immediately goes to see his doctor. The doctor, never having seen anything like this before, orders some tests and tells the man to return in two days for the results.

The man returns a couple of days later and the doctor says, "I've got bad news for you. You've contracted Mongolian VD. It's very rare and almost unheard of here. We know very little about it." The man looks a little perplexed and says, "Well, give me a shot or something and fix me up, doc." The doctor answers, "I'm sorry, there's no known cure. We're going to have to amputate your penis."

The man screams in horror, "Absolutely not! I want a second opinion!" The doctors replies, "Well it's your choice. Go ahead if you want, but surgery is your only choice."

The next day, the man seeks out a Chinese doctor, figuring that he'll know more about the disease. The Chinese doctor examines his penis and proclaims, "Ah yes, Mongolian VD. Very rare disease." A Russian scientist and a Czechoslovakian scientist

They had spent their lives studying the grizzly bear. Each year they petitioned their respective governments to allow them to go to Yellowstone to study the bears.

Finally their request was granted, and they immediately flew to NY and on West to Yellowstone. They reported to the ranger station and were told that it was the grizzly mating season and it was too dangerous to go out and study the animals. They pleaded that this was their only chance, and finally the ranger relented.

The Russian and the Czech were given portable phones and told to report in every day. For several days they called in, and then nothing was heard from the two scientists. The rangers mounted a search party and found the camp completely ravaged, with no sign of the missing men. They followed the trail of a male and a female bear.

They found the female and decided they must kill the animal to find out if she had eaten the scientists because they feared an international incident. They killed the female animal and opened the stomach to find the remains of the Russian.

One ranger turned to the other and said, "You know what this means, don't you?" The other ranger responded, "Of course....."

The Czech is in the male.

The Ant and the Grasshopper - Simplistic, yet sadly correct in some cases

CLASSIC VERSION:

The ant works hard in the withering heat all summer long, building his house and laying up supplies for the winter. The grasshopper thinks he's a fool and laughs and dances and plays the summer away. Come winter, the ant is warm and well fed. The grasshopper has no food or shelter so he dies out in the cold.

MODERN VERSION:

The ant works hard in the withering heat all summer long, building his house and laying up supplies for the winter. The grasshopper thinks he's a fool and laughs and dances and plays the summer away. Come winter, the shivering grasshopper calls a press conference and demands to know why the ant should be allowed to be warm and well fed while others are cold and starving. CBS, NBC and ABC show up to provide pictures of the shivering grasshopper next to a video of the ant in his comfortable home with a table filled with food. America is stunned by the sharp contrast. How can this be, that in a country of such wealth, this poor grasshopper is allowed to suffer so?

Kermit the Frog appears on Oprah with the grasshopper, and everybody cries when they sing "It's Not Easy Being Green."

Jesse Jackson stages a demonstration in front of the ant's house

where the news stations film the group singing "We shall overcome." Jesse then has the group kneel down to pray to God for the grasshopper's sake.

Al Gore exclaims in an interview with Peter Jennings that the ant has gotten rich off the back of the grasshopper, and calls for an immediate tax hike on the ant to make him pay his "fair share."

Finally, the EEOC drafts the "Economic Equity and Anti-Grasshopper Act," retroactive to the beginning of the summer. The ant is fined for failing to hire a proportionate number of green bugs and, having nothing left to pay his retroactive taxes, his home is confiscated by the government.

Hillary gets her old law firm to represent the grasshopper in a defamation suit against the ant, and the case is tried before a panel of federal judges that Bill appointed from a list of single-parent welfare recipients. The ant loses the case. The story ends as we see the grasshopper finishing up the last bits of the ant's food while the government house he is in, which just happens to be the ant's old house, crumbles around him because he doesn't maintain it.

The ant has disappeared in the snow.

The grasshopper is found dead in a drug related incident and the house, now abandoned, is taken over by a gang of spiders who terrorize the once peaceful

Irish Ditch Diggers

A pair of Irish ditch diggers were repairing some road side damage directly across the street from a house of ill repute when they witnessed a Protestant Reverend lurking about and then ducking into the house.

"Would ya look at that Murphy!" said Paddy. "What a shameful disgrace, those Protestant Reverends sinning in a house the likes of that place!" They both shook their heads in disgust and continued their work.

A short time later they watched as a Jewish Rabbi looked around himself cautiously and then darted into the house when he was satisfied no one had spied him. "Did ya see that Murphy?" Paddy asked the other in shock and disbelief. "Is nothing holy to those Jewish people? I just can't understand what the world is coming to these days.

A man of the cloth indulging himself in sins of the flesh. 'Tis a shame, I tell ya!" Not long had passed when they saw a third man, a Catholic Priest, lurking about the house looking around to see if any one was watching and then quietly sneaking in the door. "Oh no, Murphy look!" said Paddy removing his cap. "One of the poor girls musta' died."

The ideal husband...

There are several men in the locker room of a private club after exercising. Suddenly a cell phone that was on one of the benches rings. A man picks it up and the following conversation ensues:

"Hello?"

"Honey, It's me."

"Sugar!"

"Are you at the club?"

"Yes,"

"Great! I am at the mall two blocks from where you are. I saw a beautiful mink coat... It is absolutely gorgeous!! Can I buy it?"

Knut S-C Ojermark

"What's the price?"

"Only \$1,500.00"

"Well, OK, go ahead and get it, if you like it that much..."

"Ahhh and I also stopped by the Mercedes dealership and saw the 2001 at a really good price ... and since we need to exchange the BMW that we bought last year..."

"What price did he quote you?"

"Only \$60,000..."

"OK, but for that price I want it with all the options."

"Great! Before we hang up, something else..."

"What?"

"It might look like a lot, but I was reconciling your bank account and...I stopped by the real estate agent this morning and I saw the house we had looked at last year ... it's on sale!! Remember? The one with a pool, English Garden, acre of park area, beachfront property..."

"How much are they asking?"

"Only \$450,000... a magnificent price, and I see that we have that much in the bank to cover..."

"Well, than go ahead and buy it, but just bid \$420,000.

The Supreme Court has ruled that there can not be a Nativity scene in Washington D.C. this year. They haven't been able to find three wise men and a virgin in the nation's capital. They have, however, found enough asses to fill a stable.

Twas the night before

'Twas the night before back-up, when all through Kanata
The network was humming with packets of data.

The dot-coms were spending like they had money to spare
Hoping Antoine and Denzil soon would be there.

The brokers were watching stock prices with glee
As a rebounding Nortel saved the whole TSE.

Roth, Potter and Cowpland; Rod, Jozef and Terry
Had put aside business to eat, drink and be merry.

When from one of the servers there arose such a clatter
I launched my web browser to see what was the matter.

"DNS Error" "Web page not found"
Something was happening; I'd best look around.

The webcam installed on my laptop PC
Is low-res and monochrome; you can just barely see.

But despite the poor image, one thing was clear

The Best of the Net Part II

I was downloading a sleigh and eight Java reindeer.

It sure looked like Santa, but I couldn't be sure
It might be a virus; I've had them before.

Then more rapid than fibre, Santa's drivers they came
And he pinged and he handshaked and he called them by name.

Now Nortel! Now Cognos! Now Cisco! And Bell!
On TimeStep! On JetForm! On Mosaid! And Dell!

There's trouble on the Internet, something's askew
The web is congested, we've got work to do.

He looked hard at my laptop, said "what a disgrace"
Then loosened the screws and pulled off the case.

And working quite deftly, with nary a slip
He added some RAM and upgraded my chip.

He trashed my old keyboard for one that was new
Then examined my hard drive and upgraded that, too.

He tossed out my modem for something much faster
And out went my sound card; in went a SoundBlaster.

And as he packed up his tools and got ready to go
He said "Now no more complaining that the net is too slow!"

Then I heard him cry out as he drove down the road
"More bandwidth to all! And a faster download!"

Reindeer

The whole truth is starting to come out.

According to the Alaska Department of Fish and Game, while both male and female reindeer grow antlers in the summer each year, male reindeer drop their antlers at the beginning of winter, usually late November to mid December. Female reindeer retain their antlers until after they give birth in the spring.

Therefore, according to every historical rendition depicting Santa's reindeer, every single one of them, from Rudolf to Blitzen...had to be a girl.

We should've known...when they were able to find their way.....

Circular Flies

A farmer got pulled over by a state trooper for speeding, and the trooper started to lecture the farmer about his speed, and in general began to throw his weight around to try to make the farmer uncomfortable.

Finally, the trooper got around to writing out the ticket, and as he was doing that he kept swatting at some flies that were buzzing around his head.

The farmer said, "Having some problems with circle flies there, are ya?" The trooper stopped writing the ticket and said, "Well, yeah, is that what they are? I've never heard of circle flies."

So the farmer said, "Well, circle flies are common on farms. See,

The Best of the Net Part II

they're called circle flies because they're almost always found circling around the back end of a horse."

The trooper said, "Oh," and went back to writing the ticket. Then after a minute he stopped and said, "Hey, wait a minute. Are you trying to call me a horse's ass?"

The farmer said, "Oh no, officer. I have far too much respect for law enforcement and police officers to even think about calling you a horse's ass."

The trooper said, "Well, that's a good thing," and went back to writing the ticket.

After a long pause, the farmer said, "Hard to fool them flies, though."

Since the fourth Catholic woman sips her coffee in silence, the first three women give her this subtle, "Well...?" To which she smugly replies, "My son is a Gorgeous, 6' 2", hard bodied stripper. The Convict

An escaped convict, imprisoned for 1st degree murder, had spent 25 years of his life sentence in prison. While on the run, he broke into a house and tied up a young couple who had been sleeping in the bedroom. He tied the man to a chair on one side of the room and his wife on the bed. He got on the bed right over the woman, and it appeared he was kissing her neck. Suddenly he got up and left the room. As soon as possible the husband made his way across the room to his bride, his chair in tow, and whispered, "Honey, this guy hasn't seen a woman in years. I saw him kissing on your neck and then he left in a hurry. Just cooperate and do anything he wants. If he wants to have sex with you, just go along with it and pretend you like it. Whatever you do don't fight him or make him mad. Our lives depend on it!. Be strong and I love you." After spitting out the gag in her mouth, the half naked wife says "Dear, I'm so relieved you feel that way. You're right, he hasn't seen a woman in years, but he wasn't kissing my neck....He was whispering in my ear. He said he thinks you're really cute and asked if we kept the Vaseline in the bathroom. Be strong and I love you, too."

Mother-in-law

The mother-in-law stopped, unexpectedly, by the recently married couple's house. She rang the doorbell and stepped into the house only to find her daughter-in-law standing, naked, by the door. "What are you doing?" she asked.

"I'm waiting for my husband to come home from work."

"This is my love dress," the daughter-in-law explained.

"Love dress? But you're naked!"

"My husband loves me to wear this dress! It makes him happy and it makes me happy, and I'd appreciate it if you'd leave because he'll be home from work any minute."

The mother-in-law left in a huff, but she couldn't stop thinking about the love dress; so when she got home, she undressed, showered, put on her best perfume and waited by the front door.

Finally her husband came home, walked in and saw her standing naked by the door. "What in the world are you doing?" he asked.

"This is my love dress," she replied.

"Needs ironing!"

Little Mary was not the best student in Sunday school.

Usually she slept through the class. One day her teacher, a Nun, called on her while she was napping, "Tell me, Mary, who created the universe?"

When Mary didn't stir, little Johnny, an altruistic boy seated in the chair behind her, took a pin and jabbed her in the rear.

"God Almighty!" shouted Mary and the Nun said, "Very good" and Mary fell back asleep.

A while later the Nun asked Mary, "Who is our Lord and Savior?" But, Mary didn't even stir from her slumber. Once again, little Johnny came to the rescue and stuck her again. "Jesus Christ!" shouted Mary and the Nun said "Very Good" and Mary fell back asleep.

Then the Nun asked Mary a third question. "What did Eve say to Adam after she had her twenty-third child?" This time Mary jumped up and shouted, "If you stick that damn thing in me one more time, I'll break it in half!"

THE UGLY AMERICAN

An American soldier, serving in World War II, had just returned from several weeks of intense action on the German front lines. He had finally been granted R&R and was on a train bound for London. The train was very crowded, so the soldier walked the length of the train, looking for an empty seat.

The only unoccupied seat was directly adjacent to a well-dressed middle-aged lady and was being used by her little dog. The war-weary soldier asked,

"Please, ma'am, may I sit in that seat?"

The English woman looked down her nose at the soldier, sniffed and said, "You Americans. You are such a rude class of people. Can't you see my little Fifi is using that seat?"

Knut S-C Ojermark

The soldier walked away, determined to find a place to rest, but after another trip down to the end of the train, found himself again facing the woman with the dog.

Again he asked, "Please, lady. May I sit there? I'm very tired."

The English woman wrinkled her nose and snorted, "You Americans! Not Only are you rude, you are also arrogant. Imagine!"

The soldier didn't say anything else; he leaned over, picked up the Little dog, tossed it out the window of the train and sat down in the empty seat.

The woman shrieked and railed, and demanded that someone defend her and chastise the soldier.

An English gentleman sitting across the aisle spoke up, "You know, sir, You Americans do seem to have a penchant for doing the wrong thing. You eat holding the fork in the wrong hand. You drive your autos on the wrong side of the road. And now, sir, you've thrown the wrong bitch out the window."

AMAZING GOLDSTEIN

A traveling salesman visits a small town in the Midwest and sees a circus banner reading, "Don't Miss the Amazing Goldstein!"

Curious, he buys a ticket and sits through the usual circus acts: animals, clowns, contortionists, etc. Suddenly, trumpets blare and all eyes turn to the center ring. There in the middle of the ring is a table with three walnuts on it.

In comes a little old Jewish man, five feet tall and barely able to walk to the table. He unzips his pants, whips out a very long penis, and proceeds to smash all three walnuts with three mighty swings! The crowd erupts in thunderous applause as the elderly Goldstein is carried off on the shoulders of the clowns.

Twenty years later the salesman visits the same little town and he sees a faded sign for the same circus and the same "Don't Miss the Amazing Goldstein." He can't believe the little old guy is still alive, much less still doing his act! So he buys a ticket and sits through the various acts.

Finally, the center ring is illuminated. This time, instead of walnuts, three coconuts are on the table. As before, old Goldstein takes forever to make it to the table. He unzips his fly and proceeds to smash the coconuts with three swings of his amazing shlong. The crowd goes wild!

The salesman requests a meeting with him after the show. In Goldstein's dressing room, the salesman tells him he's never seen anything like his act. But he wants to know why he's now

Two Doctors

Two doctors opened an office in a small town and put up a sign reading

"Dr. Smith and Dr. Jones, Psychiatry and Proctology." The town council was not too happy with that sign, so the doctors changed it to "Hysteria and Posteriors."

This was not acceptable either, so in an effort to satisfy the council, they changed the sign to "Schizoids and Hemorrhoids." No go!

Next they tried "Catatonics and High Colonics. Thumbs down again.

Then came, "Manic-depressives and anal-retentives." Still, no good.

How about, "Minds and Behinds." Unacceptable again. So they tried, "Lost Souls and Ass Holes." Still no go.

Nor did; "Analysis and Anal Cysts",

"Nuts and Butts", "Freaks and Cheeks,"
Or "Loons and Moons" work either.

The Five Types of Sex

1. The first is Smurf Sex. This happens during the honeymoon period, you both keep doing it until you're blue in the face.
2. The second is Kitchen Sex. This is at the beginning of the marriage, you'll have sex anywhere, anytime, even in the kitchen.
3. The third kind is Bedroom Sex. You've calmed down a bit, perhaps have kids, so you gotta do it in the bedroom.
4. The fourth kind is Hallway Sex. This is where you pass each other in the hallway and say, "Fuck you!"
5. There is also a fifth kind of sex: Courtroom Sex. This is when you get divorced and your wife screws you in front of everyone in the room...

Ah, yes, divorce..., from the Latin word meaning to rip out a man's genitals through his wallet.

Satan

A few minutes before the services started, the townspeople were sitting in their pews and talking. Suddenly, Satan appeared at the front of the church. Everyone started screaming and running for the front entrance, trampling each other in a frantic effort to get away from evil incarnate. Soon everyone had exited the church except for one elderly gentleman who sat calmly in his pew without moving, seeming oblivious to the fact that God's ultimate enemy was in his presence. So Satan walked up to the old man and said, "Don't you know who I am?" The man replied, "Yep, sure do."

The Best of the Net Part II

"Aren't you afraid of me?" Satan asked.

"Nope, sure ain't." said the man. "Don't you realize I can kill you with a word?" asked Satan.

"Don't doubt it for a minute," returned the old man, in an even tone. "Did you know that I could cause you profound, horrifying, physical AGONY for all eternity?" persisted Satan.

"Yep," was the calm reply. "And you're still not afraid?" asked Satan.

"Nope." More than a little perturbed, Satan asked, "Well, why aren't you afraid of me?" The man calmly replied, "Been married to your sister for over 48 years."

Why Men Stand & Pee

Seems God was just about done creating the universe, but he had two extra things left in his bag of creations, so he decided to split them between Adam and Eve.

He told the couple that one of the things he had to give away was the ability to stand up while urinating. It's a very handy thing, " God told the couple, "I was wondering if either one of you wanted that very ability."

Adam jumped up and blurted, "Oh, give that to me! I'd love to be able to do that! It seems a sort of thing a man should do. Oh please, oh please, oh please, let me have that ability, It'd be so great! When I'm working in the garden or naming the animals, I could just stand there and let it fly. It'd be so cool, I could write my name in the sand. Oh please God, let it be me who you give that gift to, let me stand and pee, oh please..." On and on he went like an excited little boy who had to pee.

Knut S-C Ojermark

Eve just smiled and told God that if Adam really wanted that so badly, that he should have it. It seemed to be the sort of thing that would make him happy and she really wouldn't mind if Adam were the one given this ability.

And so Adam was given the ability to urinate while in a vertical position. He was happy and did celebrate by wetting down the bark on the tree nearest him, laughing with delight all the while.

"Fine," God said looking back into his bag of leftovers, "What's left here?"

Oh yes, Multiple orgasms....."

Prostitute

An IRISH girl went to London to work as a secretary and began sending home money and gifts to her parents. After a few years they asked her to come home for a visit, as her father was getting frail and elderly. She pulled up to the family home in a Rolls Royce and stepped out wearing a fur and diamonds.

As she walked into the house her father said 'Hmmm - they seem to be paying secretaries awfully well in London.'

The girl took his hands and said 'Da - I've been meaning to tell you something for years, but I didn't want to put it in a letter. I can't hide it from you any longer. I've become a prostitute.' Her father gasped, put his hand on his heart and keeled over. The doctor was called but the old man had clearly lost the will to live.

The Best of the Net Part II

He was put to bed and the priest was called. As the priest began to administer Extreme Unction, with the mother and daughter weeping and wailing, the old man muttered weakly "I'm a goner - killed by my own daughter! Killed by the shame of what you've become!"

"Please forgive me," his daughter sobbed, "I only wanted to have nice things! I wanted to be able to send you money and the only way I could do it was by becoming a prostitute."

Brushing the priest aside, the old man sat bolt upright in bed, smiling.

"Did you say prostitute, now? That was a close one - I thought you said Protestant!"

Public Statement by the Rev. Jesse Jackson

Due to the great consternation caused by the revelation of my act of procreation, I accept my obligation to give an explanation to the population for my act of copulation.

I gave in to temptation, for the anticipation of sexual gratification, that I could not obtain through masturbation, resulted in my fornication. I accepted her invitation, and provided her with excitation, stimulation, penetration, replication, and liberation. She provided lubrication (to avoid inflammation) and I wore condoms to avoid contamination. She cried for duplication but I insisted upon termination, in spite of her fascination with variation. This has caused me great aggravation, and the agitation and provocation of the media has resulted in my humiliation, denigration, and degradation. My wife is considering castration, which would require my hospitalization. Pray that this matter will find culmination in my sanctification and rehabilitation so that my plans for nomination to my ultimate vocation will not result in revocation and termination. I hope this proclamation has provided illumination and verification and will prohibit further provocation.

Sincerely,

The Rev. Jesse Jackson

A guy walks into a bar with his pet monkey. He orders a drink

Knut S-C Ojermark

and while he's drinking, the monkey starts jumping all over the place. The monkey grabs some olives off the bar and eats them, then grabs some sliced limes and eats them, then jumps up on the pool table, grabs the cue ball, sticks it in his mouth and swallows it whole. The bartender screams at the guy, "Did you see what your monkey just did?" The guy says, "No, what?" "He just ate the cue ball off my pool table whole!" says the bartender.

"Yeah, that doesn't surprise me," replies the patron. "He eats everything in sight, the little twerp. I'll pay for the cue ball and stuff." He finishes his drink, pays his bill, and leaves.

Two weeks later he's in the bar again, and he has his monkey with him. He orders a drink and the monkey starts running around the bar again. While the man is drinking, the monkey finds a maraschino cherry on the bar. He grabs it, sticks it up his butt, pulls it out, and eats it.

The bartender is disgusted. "Did you see what your monkey did?" "Now what?" asks the patron. "Well, he stuck a maraschino cherry up his butt, then pulled it out and ate it!" says the barkeeper. "Yeah, that doesn't surprise me," replies the patron. "He still eats everything in sight, but ever since he ate that damn cue ball he measures everything first!"

BUT FIRST

I have recently been diagnosed with the "But First Syndrome." You know, it's when I decide to do the laundry, I start down the hall and notice the newspaper on the table. OK, I'm going to do the laundry....

The Best of the Net Part II

BUT FIRST I'm going to read the newspaper. Then, I notice the mail on The table. OK, I'll just put the newspaper in the recycle stack.....

BUT FIRST I'll look through that pile of mail and see if there are any Bills to be paid. Yes, now where's the checkbook? Oops.....there's the empty Glass from yesterday on the coffee table. I'm going to look for that checkbook,

BUT FIRST I need to put the glass in the sink. I head for the kitchen, look out the window, notice my poor flowers need a drink of water. I put the glass in the sink, and darn it, there's the remote for the TV on the kitchen counter. What's it doing here? I'll just put it away.....

BUT FIRST I need to water those plants. Head for door and.....
Aaaagh! Stepped on the cat. Cat needs to be fed. Okay, I'll put that remote away and water the plants.....

BUT FIRST I need to feed the cat.....

End of day: Laundry is not done, newspapers are still on the floor, glass is still in the sink, bills are unpaid, checkbook is still lost, and the cat ate the remote control..... And, when I try to figure out how come nothing got done all day, I'm baffled because..... I KNOW I was BUSY ALL DAY!! I realize this condition is serious... and I'll get help!.....

BUT FIRST..... I think.... I'll check my E-MAIL!

TALK ABOUT REVENGE

This is a true story about a recent wedding that took place at Clemson University. It was in the local newspaper and even Jay Leno mentioned it. It was a huge wedding with about 300 guests. After the wedding, at the reception, the groom got up on stage with a microphone to talk to the crowd.

He said he wanted to thank everyone for coming, many from long distances, to support them at their wedding. He especially wanted to thank the bride's and his family and to thank his new father-in-law for providing such a lavish reception. As a token of his deep appreciation he said he wanted to give everyone a special gift just from him. So taped to the bottom of everyone's chair, including the wedding party, was a manila envelope.

He said this was his gift to everyone, and asked them to open their envelope. Inside each manila envelope was an 8x10 glossy of his bride having sex with the best man. The groom had gotten suspicious in the weeks earlier and hired a private detective to tail them.

After just standing there, watching the guests' reactions for a couple minutes, he turned to the best man and said, "F--- you!" he turned to his bride and said, "F--- you!" Then he turned to the dumbfounded crowd and said, "I'm outta here." He had the marriage annulled first thing in the morning.

THE ORIGIN OF "PETS"

A newly discovered chapter in the Book of Genesis has provided the answer to "Where do pets come from?"

Adam and Eve said, "Lord, when we were in the garden, you walked with us every day. Now we do not see you anymore. We

The Best of the Net Part II

ar lonesome here and it is difficult for us to remember how much you love us."

And God said, "No problem! I will create a companion for you that will be with you forever and who will be a reflection of my love for you, so that you will love me even when you cannot see me. Regardless of how selfish or childish or unlovable you may be, this new companion will accept you as you are and will love you as I do, in spite of yourselves."

And God created a new animal to be a companion for Adam and Eve.

And it was a good animal.

And God was pleased.

And the new animal was pleased to be with Adam and Eve and he wagged his tail.

And Adam said, "Lord, I have already named all the animals in the Kingdom and I cannot think of a name for this new animal."

And God said, "No problem. Because I have created this new animal to be a reflection of my love for you, his name will be a reflection of my own name, and you will call him DOG."

And Dog lived with Adam and Eve and was a companion to them and loved them.

And they were comforted.

And God was pleased.

And Dog was content and wagged his tail.

After a while, it came to pass that an angel came to the Lord and said, "Lord, Adam and Eve have become filled with pride. They strut and preen like peacocks and they believe they are worthy of

Knut S-C Ojermark

adoration. Dog has indeed taught them that they are loved, but perhaps too well."

And God said, "No problem! I will create for them a companion who will be with them forever and who will see them as they are. The companion will remind them of their limitations, so they will know that they are not always worthy of adoration."

And God created CAT to be a companion to Adam and Eve. And Cat would not obey them. And when Adam and Eve gazed into Cat's eyes, they were reminded that they were not the supreme beings. And Adam and Eve learned humility.

And they were greatly improved.

And God was pleased.

And Dog was happy.

And Cat didn't give a shit one way or the other.

SUPERGRANNY Defender of Justice (True Story)

An elderly Florida lady did her shopping and, upon returning to her car, found four males in the act of leaving with her vehicle. She dropped her shopping bags and drew her handgun, proceeding to scream at them at the top of her voice, "I have a gun and I know how to use it!

Get out of the car, you scumbags!" The four men didn't wait for a second invitation, but got out and ran like mad, whereupon the lady, somewhat shaken, proceeded to load her shopping bags into the back of the car and get into the driver's seat. She was so

shaken that she could not get her key into the ignition. She tried and tried and then it dawned on her why.

A few minutes later she found her own car parked four or five spaces farther down. She loaded her bags into her car and drove to the police station. The sergeant to whom she told the story nearly tore himself in half with laughter, and pointed to the other end of the counter, where four pale white males were reporting a car jacking by a mad elderly woman described as white, less than 5' tall, glasses, and curly white hair carrying a large handgun.

No charges were filed.

George Bush was invited to a get acquainted tour of the White House. After drinking several glasses of iced tea, he asked Bill Clinton if he could use his personal bathroom. But I'd do ANYTHING to get a message to my mother." The man arched an eyebrow (as we would expect).

"Anything?" he asked. "Yes, yes, anything" the blonde promised.

Well, then, "Just follow me" said the man as he walked towards the next room. The blonde did as she was told and followed the man.

"Come in and close the door" the man said. She did.

He then said "Now get on your knees." She did.

Handsome young man

A handsome young man walked into the office of a Hollywood agent with his resume and portfolio in hand. The agent reviewed the young man's slim resume and small portfolio with the care that was deserving of his fine young specimen.

"You have the very obvious good looks and excellent demeanor of an actor. Tell me, have you had any roles that I might be aware of?"

"Other than the requisite high school and college plays, no sir," said the handsome young man. "I dare say I know the reason why, with a name like yours," said the agent.

"Sir?"

The Best of the Net Part II

"Your name is Penis Van Lesbian. That's not a name that will go far in Hollywood. I'd love to represent you, but you'll have to change your name."

"Sir," the handsome young man protested, "the Van Lesbian name was my father's, my grandfather's and his father's name. We have carried this name for generations and I will not change it for Hollywood or any other reason."

"If you won't change your name, I cannot represent you, young man."

"Then I bid you farewell. My name will not change."

With that, Penis Van Lesbian left the agent's office never to return. Five years later, the Hollywood agent arrived at his office with some producers and shuffled through his mail. Mostly junk mail, trade journals and the like. There was only one letter. He opened the envelope, unfolded the fine linen paper inside and saw a check drop out and fall onto his desk. The check was for \$50,000. The letter read as follows:

"Several years ago I entered your office determined to become an actor. You refused to represent me unless I changed my name. I objected, saying the Van Lesbian name had been around for generations and left your office. After considerable reflection, I decided to heed your advice and endeavored to change my name. Now I am a famous actor with many roles and I am known to millions worldwide. Having achieved this fame and fortune, it is often that I think back to my meeting with you and your insistence that I change my name. I owe you a debt of gratitude, so please accept this check with my humble thanks."

The blessing

A wife invited some people to dinner. At the table, she turned to their six-year-old daughter and said:

"Would you like to say the blessing?"

"I wouldn't know what to say," the girl replied.

"Just say what you hear Mommy say," the wife answered.

The daughter bowed her head and said, "Lord, why on earth did I invite all these people to dinner?"

Einstein, Picasso, and Bush At The Pearly Gates

George W. Bush, Albert Einstein and Pablo Picasso have all died.

Due to a glitch in the mundane/celestial time-space continuum, all three arrive at the Pearly Gates more or less simultaneously, even though their deaths have taken place decades apart.

The first to present himself to Saint Peter is Einstein. Saint Peter questions him. "You look like Einstein, but you have NO idea the lengths certain people will go to, to sneak into Heaven under false pretenses. Can you prove who you really are?"

The Best of the Net Part II

Einstein ponders for a few seconds and asks, "Could I have a blackboard and some chalk?" Saint Peter complies with a snap of his fingers.

The blackboard and chalk instantly appear. Einstein proceeds to describe with arcane mathematics and symbols his special theory of relativity.

Saint Peter is suitably impressed. "You really **are** Einstein! Welcome to heaven!"

The next to arrive is Picasso. Once again Saint Peter asks for his credentials. Picasso doesn't hesitate. "Mind if I use that blackboard and chalk?" Saint Peter says, "Go ahead."

Picasso erases Einstein's scribbles and proceeds to sketch out a truly stunning mural. Bulls, satyrs, nude women: he captures their essences with but a few strokes of the chalk.

Saint Peter claps. "Surely you are the great artist you claim to be! Come on in!"

The last to arrive is George W. Bush. Saint Peter scratches his head. "Einstein and Picasso both managed to prove their identity. How can you prove yours?"

George W. looks bewildered, "Who are Einstein and Picasso?"

Saint Peter sighs, "Come on in, George."

Calling The Manager

A man had to attend a large convention in Chicago. On this particular trip he decided to bring his wife. When they arrived at their hotel and were shown to their room, the man said, "You rest here while I register.

"I'll be back within an hour."

The wife lies down on the bed. Just then, an elevated train passes by very close to the window and shakes the room so hard she's thrown out of the bed.

Thinking this must be a freak occurrence, she lies down once more.

Again a train shakes the room so violently, she's pitched to the floor.

Exasperated, she calls the front desk, asks for the manager. The manager says he'll be right up. The manager is skeptical but the wife insists the story is true.

"Look, lie here on the bed. You'll be thrown right to the floor!"

So he lies down next to the wife. Just then the husband walks in.

"What," he says, "are you doing here?"

The manager replies, "Would you believe I'm waiting for a train?"

Dear Tech Support:

Last year I upgraded from Boyfriend 5.0 to Husband 1.0 and noticed that the new program began making unexpected changes to the accounting modules - Limiting access to flower and jewelry applications that had operated flawlessly under Boyfriend 5.0.

In addition, Husband 1.0 uninstalled many other valuable programs, such as Romance 9.9 but installed undesirable programs such as NFL 5.0 and NBA 3.0.

Conversation 8.0 no longer runs and Housecleaning 2.6 simply crashes the system. I've tried running Nagging 5.3 to fix these problems, but to no avail.

--Desperate

Dear Desperate,

Knut S-C Ojermark

Keep in mind, Boyfriend 5.0 is an entertainment package, while Husband 1.0 is an operating system.

Try to enter the command: C:/ I THOUGHT YOU LOVED ME and install Tears 6.2.

Husband 1.0 should then automatically run the applications: Guilty 3.0 and Flowers 7.0.

But remember, overuse can cause Husband 1.0 to default to GrumpySilence 2.5, Happyhour 7.0 or Beer 6.1.

Beer 6.1 is a very bad program that will create "Snoring Loudly" wave files.

DO NOT install Mother-In-Law 1.0 or reinstall another Boyfriend program. These are not supported applications and will crash Husband 1.0.

In summary, Husband 1.0 is a great program, but it does have limited memory and cannot learn new applications quickly. Consider buying additional software to improve performance.

I personally recommend Hot-Food 3.0 and Lingerie 5.3 Tech Support

Dear Tech Support:

Last year I upgraded Girlfriend 1.0 to Wife 1.0 and noticed that the new program began unexpected child processing that took up a lot of space and valuable resources. No mention of this phenomenon was included in the product brochure.

In addition, Wife 1.0 installs itself into all other programs and launches during system initialization where it monitors all other system activity.

Applications such as Pokernight 10.3 and Beerbash 2.5 no longer run, crashing the system whenever selected.

I cannot seem to purge Wife 1.0 from my system. I am thinking about going back to Girlfriend 1.0 but un-install does not work on this program. Maybe I should upgrade to Girlfriend 2.0

Can you help me?
Jonathan Powell

Dear Jonathan Powell-

This is a very common problem men complain about but is mostly due to a primary misconception. Many people upgrade from Girlfriend 1.0 to Wife 1.0 with the idea that Wife 1.0 is merely a "UTILITIES & ENTERTAINMENT" program. Wife 1.0 is an OPERATING SYSTEM and designed by its creator to run everything.

Knut S-C Ojermark

WARNING DO NOT TRY TO: un-install, delete, or purge the program from the system once installed. Trying to un-install Wife 1.0 can be disastrous. Doing so may destroy your hard and/or floppy drive. Trying to un-install or remove Wife 1.0 will destroy valuable system resources. You cannot go back to Girlfriend 1.0 because Wife 1.0 is not designed to do this.

Some have tried to install Girlfriend 2.0 or Wife 2.0 but end up with more problems than the original system. Look in your manual under Warnings-Alimony/Child Support.

Others have tried to run Girlfriend 1.0 in the background, while Wife 1.0 is running. Eventually Wife 1.0 detects Girlfriend 1.0 and a system conflict occurs, this can lead to a non-recoverable system crash.

Some users have tried to download similar their systems have become infected with a virus. I recommend you keep Wife 1.0 and just deal with the situation. Having Wife 1.0 installed myself, I might also suggest you read the entire section regarding General Protection Faults (GPFs). You must assume all responsibility for faults and problems that might occur.

The best course of action will be to push apologize button then reset button as soon as lock-up occurs. System will run smooth as long as you take the blame for all GPFs. Wife 1.0 is a great program but is very high maintenance.

Suggestions for improved operation of Wife 1.0: Monthly use

utilities such as TLC and FTD [Frequently use Communicator 5.0]

Paint job

A blonde, wanting to earn some money, decided to hire herself out as a handyman, and started canvassing a well-to-do neighborhood. She went to the front door of the first house and asked the owner if he had any jobs for her to do. "Well, you can paint my porch. How much will you charge?"

The blonde, after thinking about it, said, "How about 50 dollars?" The man agreed and told her that the paint and other materials that she might need were in the garage.

The man's wife inside the house heard the conversation and said to her husband, "Does she realize that the porch goes all the way around the house?" The man replied, "She should, she was standing on it. Do you think she's dumb?"

"No....I guess I'm guilty of being influenced by all the 'dumb blonde' e-mail we've been receiving".

A short time later the blonde came to the door to collect her money. "You're finished already?", he asked. "Yes", the blonde replied, "and I had paint left over, so I gave it two coats".

Impressed, the man reached into his pocket for the \$50.00.

"And by the way," the blonde added, "it's not a Porch, it's a Lexus".

The CIA had an opening for an assassin.

After all of the background checks, interviews, and testing were done, there were three finalists, two men and a woman.

For the final test, the CIA agents took one of the men to a large metal door and handed him a gun. "We must know that you will follow your instructions, no matter what the circumstances. Inside of this room, you will find your wife sitting in a chair, Kill her!!!

The man said, "You can't be serious. I could never shoot my wife."

The agent said, "Then you're not the right man for this job."

The second man was given the same instructions. He took the gun and went into the room. All was quiet for about five minutes. Then the man came out with tears in his eyes. "I tried, but I can't kill my wife."

The agent said, "You don't have what it takes. Take your wife and go home."

Finally, it was the woman's turn. She was given the same instructions, to kill her husband. She took the gun and went into the room. Shots were heard, one shot after another. They heard screaming, crashing, banging on the walls. After a few minutes, all was quiet. The door opened slowly and there stood the woman. She wiped the sweat from her brow and said, "You guys didn't tell me the gun was loaded with blanks. I had to beat him to death with the chair."

Valentine's Day gift

Midlife is when your memory really starts to go:? the only thing you still retain is water.

The good news about midlife is that the glass is still half-full. Of course, the bad news is that it won't be long before your teeth are floating in it.

Women were playing golf

A couple of women were playing golf one sunny Saturday morning. The first of the twosome teed off and watched in horror as her ball headed directly toward a foursome of men playing the next hole. Indeed, the ball hit one of the men, and he immediately clasped his hands together at his crotch, fell to the ground and proceeded to roll around in evident agony. The woman rushed down to the man and immediately began to apologize.

She then explained that she was a physical therapist: "Please allow me to help. I'm a physical therapist and I know I could relieve your pain if you'd just allow me!" she told him earnestly. "Ummph, oooh, nnooo, I'll be alright...I'll be fine in a few minutes," he replied breathlessly as he remained in the fetal position still clasping his hands together at his crotch.

But she persisted; and he finally allowed her to help him. She gently took his hands away and laid them to the side, loosened

"It feels great." he replied. "But my thumb still hurts like hell!"

Female whale

A male whale and a female whale were swimming off the coast of Japan when they noticed a whaling ship. The male whale recognized it as the same ship that had harpooned his father many years earlier.

He said to the female whale, "Let's both swim under the ship and blow out our air hole at the same time and it should cause the ship to turn over and sink."

They tried it and sure enough, the ship turned over and quickly sank.

Soon however, the whales realized the sailors were swimming to the safety of the shore. The male whale was enraged that they were going to get away and told the female, "Let's swim after them and gobble them up before they reach the shore."

At this point, he realized the female was becoming reluctant to follow him.

"Look," she said, "I went along with the blow job, but I absolutely refuse to swallow the seamen."

HAPPY FRIDAY --- Blonde humor....

A blonde had just gotten a new sports car and was out for a drive when she accidentally cut off a truck driver. He motioned for her to pull over. When she did, he got out of his truck and pulled a piece of chalk from his pocket. He drew a circle on the side of the road and gruffly commanded the blonde "Stand in that circle and DON'T MOVE!"

He then went to her car and cut up her leather seats. When he turned around she had a slight grin on her face, so he said "Oh you think that's funny? Watch this!" He gets a baseball bat out of his truck and breaks every window in her car. When he turns and looks at her she has a smile on her face. He is getting really mad. He gets his knife back out and slices all her tires. Now she's laughing. The truck driver is really starting to lose it. He goes back to his truck and gets a can of gas, pours it on her car and sets it on fire. He turns around and she is laughing so hard she is about to fall down. "What's so funny?" the truck driver asked the blonde. She replied, "Every time you weren't looking, I stepped outside the circle!"

Walmart

A woman goes into Wal-Mart to buy a rod and reel.? She doesn't know which one to get so she just grabs one and goes over to the register. There is a Wal-Mart associate standing there with dark shades on.

She says, Excuse me sir can you tell me anything about this rod and reel?"

He says, "Ma'am I'm blind but if you drop it on the counter I can tell you everything you need to know about it from the sound that it makes."

She didn't believe him, but dropped it on the counter anyway.

In the meantime the woman farts. At first she is embarrassed but then realizes that there is no way he could tell it was her, being blind, he couldn't know that she was the only person around.

He rings up the sale and says, "That will be \$25.50."

She says. "But didn't you say it was \$20.00?"

He says, "Yes ma'am, the rod and reel is \$20.00, the duck call is \$3.00, and the catfish bait is \$2.50.

A hippie on a city bus notices a young nun sitting across from him and at once finds himself very attracted to her. He moves to sit with her and after telling her that she is the most beautiful woman he has ever seen, he asks her to dinner.

The nun declines, and the hippie proceeds to invite the nun for "perhaps a roll in the hay". The nun, of course, declines the offer and gets off at the next stop.

The Best of the Net Part II

The hippie, offended and very disappointed, strikes up a conversation with the bus driver. The driver leans over and says to the hippie, "You really want that nun, huh?"

After the hippie nods emphatically and demonstrates his point with several lewd gestures, the driver grins and thinks for a moment.

"Well," he says, "Every Thursday at six PM she takes this bus to the local cemetery, where she prays for about an hour. You two could be alone there..."

The hippie grows excited as he thinks of a plan.

Thursday comes and the hippie waits by the entrance to the cemetery. Sure enough, at six PM he sees the nun enter and he quietly follows her. She stops and kneels by a headstone and clasps her hands in prayer.

The eager hippie opens his knapsack, and puts on his costume--- a long flowing white robe and a bearded face mask. He tosses a handful of glitter at the nun and catching her attention, he steps slowly towards her.

"My child" he says in a soft voice, "It is I, your Lord. You have been such a faithful servant to me, I have come to reward you with a satisfying sexual experience."

The nun gasps, "Oh...Well, that is fine, but could you take me from behind? At least that way I could still consider myself a virgin. My vow of celibacy is important to me."

Knut S-C Ojermark

The hippie, eager to get going nods and takes the nun in his arms. He turns her around, bends her over, and performs anal sex until they are both pleasantly worn out.

After they are finished, the hippie pulls off his mask and shouts...
"HAHA, I'M THE HIPPIE!!!"

to which the nun responds by taking off her mask and shouting...
"HAHA, I'M THE BUS DRIVER!!!"

WELL WORTH PAYING ATTENTION TO!

A stock clerk was sent to clean up a storeroom at their Maui, Hawaii location. When he got back, he was complaining that the storeroom was really filthy, and that he had noticed dried mouse or rat droppings in some areas. A couple of days later, he started feeling like he was coming down with a stomach flu, achy joints, headache, and he started throwing up. He went to bed and never really got up.

Within two days he was so ill and weak. His blood sugar count was down to 66 and his face and eyeballs were yellow. He was rushed to the emergency room at Pali Momi, where they said he

The Best of the Net Part II

was suffering from massive organ failure. He died shortly before midnight.

None of us would have ever made the connection between his job and his death, but the doctors specifically asked if he had been in a warehouse or exposed to dried rat or mouse droppings at any time. They said there is a virus (much like Hanta virus) that lives in dried rat and mouse droppings. Once dried, these droppings are like dust, and can easily be ingested if a person is not careful to wash their hands and face thoroughly, or wear protective gear. An autopsy was conducted to verify the doctors' suspicions.

This is why it is extremely important to ALWAYS carefully rinse off the tops of any canned sodas or foods, and wipe off pasta packaging, cereal boxes, etc. Almost everything you buy in a supermarket was stored in a warehouse at one time or another, and stores themselves often have rodents. Most of us remember to wash vegetables and fruit but never think of boxes and cans. The ugly truth is that even the most modern, upper-class, super store has rats and mice. And their warehouse most assuredly does!

Whenever you buy any canned soft drink, PLEASE make sure that you wash the top with running water and soap, or if not available, drink with a straw. A brief investigation by the Center for Disease Control in Atlanta, of soda cans, discovered that the top of soda cans can be encrusted with dried rat's urine which is toxic and lethal! Canned drinks and other food stuffs are stored in warehouses and containers that are usually infested with rodents and then get transported to the retail outlets without being properly cleaned.

Golfing

A guy out on the golf course takes a high speed ball right in the crotch. Writhing in agony, he falls to the ground. As soon as he could manage, he took himself to the doctor. He said "How bad is it docI'm going on my honeymoon next week and my fiancée is still a virgin in every way."

The doctor told him, "I'll have to put your penis in a splint to let it heal and keep it straight. It should be okay next week."

So he took four tongue depressors and formed a neat little 4-sided bandage, and wired it all together; an impressive work of art. The guy mentions none of this to his girl, marries and goes on their honeymoon.

That night in the motel room she rips open her blouse to reveal a gorgeous set of breasts. This was the first time he saw them.

She said, "You're the first, no one has ever touched these breasts." He immediately drops his pants and replies, "Look at this, it's still in the CRATE!"

Sometimes, we wonder why friends keep forwarding jokes to us without writing a word, maybe this could explain:

When you are very busy, but still want to keep in touch, guess what you do--you forward jokes. When you have nothing to say, but still want to keep contact, you forward jokes. When you have something to say, but don't know what, and don't know how, you forward jokes. To let you know that: you are still remembered, you are still important, you are still loved, you are still cared for, you are still wanted, guess what you get? A forwarded joke from me. When I was younger I hated going to weddings...

Two buddies were out for a Saturday stroll.

One had a Doberman and the other had a Chihuahua. As they sauntered down the street, the guy with the Doberman said to his friend, "Let's go over to that bar and get something to drink."

The one with the Doberman said, "Just follow my lead."

The man with the Doberman said, "You don't understand. This is my Seeing-Eye dog."

The bouncer said, "A Doberman pinscher?"

The man said, "Yes, they're using them now. They're very good."

The bouncer said, "OK then, come on in."

The buddy with the Chihuahua figured he'd try it too so he put on a pair of dark glasses and started to walk into the bar. He knew his story would be a bit more unbelievable. Once again the bouncer said, "Sorry, pal, no pets allowed."

The man with the Chihuahua said, "You don't understand. This is my Seeing-Eye dog."

The bouncer said, "A Chihuahua?"

The man with the Chihuahua said, "A Chihuahua?!? A Chihuahua?!? They gave me a damn Chihuahua"

Remember

My forgetter's getting better
But my remember is broke

The Best of the Net Part II

To you that may seem funny
But, to me, that is no joke
For when I'm "here" I'm wondering
If I really should be "there"
And, when I try to think it through,
I haven't got a prayer!
Oft times I walk into a room,
Say "what am I here for?"
I wrack my brain, but all in vain
A zero, is my score.
At times I put something away
Where it is safe, but, Gee!
The person it is safest from
Is, generally, me!
When shopping I may see someone,
Say "Hi" and have a chat,
Then, when the person walks away
I ask myself, " who's that?"
Yes, my forgetter's getting better
While my remember is broke,
And it's driving me plumb crazy
And that isn't any joke.

According to a radio report, a middle school in Oregon was faced with a unique problem. A number of girls were beginning to use lipstick and would put it on in the bathroom. That was fine, but after they put on their lipstick they would press their lips to the mirror leaving dozens of little lip prints.

Finally the principal decided that something had to be done. She called all the girls to the bathroom and met them there with the maintenance man. She explained that all these lip prints were causing a major problem for the custodian who had to clean the mirrors every night. To demonstrate how difficult it was to clean the mirrors, she asked the maintenance guy to clean one of the mirrors.

He took out a long-handled squeegee, dipped it into the toilet and then cleaned the mirror. Since then there have been no lip prints on the mirror.

One night a guy takes his girlfriend home.

As they are about to kiss each other goodnight, the guy starts feeling a little horny. With an air of confidence, he leans with his hand against the wall and, smiling, he says to her: "Darling, would you give me a blowjob?"

Horrified, she replies "Are you mad? My parents will see us!"

Him: "Oh come on! Who's gonna see us at this hour?"

Her: "No, please. Can you imagine if we get caught?"

Him: "Oh come on! There's nobody around, they're all sleeping!"

During the first week of marriage, they found that they were unable to communicate in the bedroom with the lights out, since they can't see each other signing, or lips to lip-read. For instance, at night, if you want to have sex with me, reach over and squeeze my left breast one time. If you don't want to have sex, reach over and squeeze my right breast one time."

The husband thinks this is a great idea. He suggests to his wife if she wants to have sex with him, "Reach over and pull on my penis one time. If you don't want to have sex, pull on my penis two-hundred and fifty times."

GARDEN SNAKES

ALWAYS THOUGHT GREEN SNAKES WERE OK? READ ON Green Garden Grass snakes can be dangerous, Yes, grass snakes, not rattlesnakes. A couple in Sweetwater, Texas had a lot of potted plants, and during a recent cold spell, the wife was bringing a lot of them indoors to protect them from a possible freeze. It turned out that a little green garden grass snake was hidden in one of the plants and when it had warmed up, it slithered out and the wife saw it go under the sofa. She let out a very loud scream.

The husband who was taking a shower ran out into the living room naked to see what the problem was. She told him there was a snake under the sofa. He got down on the floor on his hands and knees to look for it. About that time the family dog came and cold-nosed him on the leg. He thought the snake had bitten him and he fainted. His wife thought he had a heart attack, so she called an ambulance. The attendants rushed in and loaded him on the stretcher and started carrying him out. About that time the snake came out from under the sofa and the Emergency Medical Technician saw it and dropped his end of the stretcher. That's when the man broke his leg and why he is in the hospital. The wife still had the problem of the snake in the house, so she called on a neighbor man. He volunteered to capture the snake. He armed himself with a rolled-up newspaper and began poking under the couch. Soon he decided it was gone and told the woman, who sat down on the sofa in relief. But in relaxing, her hand dangled in between the cushions, where she felt the snake wriggling around. She screamed and fainted, the snake rushed back under the sofa, and the neighbor man, seeing her laying there passed out tried to use CPR to revive her.

The Best of the Net Part II

The neighbor's wife, who had just returned from shopping at the grocery store, saw her husband's mouth on the woman's mouth and slammed her husband in the back of the head with a bag of canned goods, knocking him out and cutting his scalp to a point where it needed stitches. An ambulance was again called and it was determined that the injury required hospitalization.

The noise woke the woman from her dead faint and she saw her neighbor lying on the floor with his wife bending over him, so she assumed he had been bitten by the snake. She went to the kitchen, brought back a small bottle of whiskey, and began pouring it down the man's throat. By now the police had arrived.

They saw the unconscious man, smelled the whiskey, and assumed that a drunken fight had occurred. They were about to arrest them all, when the two women tried to explain how it all happened over a little green snake. They called an ambulance, which took away the neighbor and his sobbing wife. Just then the little snake crawled out from under the couch. One of the policemen drew his gun and fired at it. He missed the snake and hit the leg of the end table that was on one side of the sofa. The table fell over and the lamp on it shattered and as the bulb broke, it started a fire in the drapes. The other policeman tried to beat out the flames and fell through the window into the yard on top of the family dog, who startled, jumped up and raced out into the street, where an oncoming car swerved to avoid it and smashed into the parked police car and set it on fire.

Meanwhile the burning drapes had spread to the walls and the entire house was blazing. Neighbors had called the fire department and the arriving fire-truck had started raising his ladder as they were halfway down the street. The rising ladder tore out the overhead wires and put out the electricity and

Knut S-C Ojermark

disconnected the telephones in a ten-square city block area. Time passed --- Both men were discharged from the hospital, the house was rebuilt, the police acquired a new car, and all was right with their world -----

About a year later they were watching TV and the weatherman announced a cold snap for that night. The husband asked his wife if she thought they should bring in their plants for the night. She shot him.

Bill and Hillary first got married

When Bill and Hillary first got married Bill said, "I am putting a box under the bed. You must promise never to look in it." Hillary agreed, and in all their 30 years of marriage Hillary never looked. However, on the afternoon of their 30th anniversary, curiosity got the best of her and she lifted the lid and peeked inside. In the box were 3 empty beer cans and \$81,874.25 in cash. She closed the box and put it back under the bed. Now that she knew what was in the box, she was doubly curious as to why.

That evening they were out for a special dinner. After dinner Hillary could no longer contain her curiosity and she confessed, saying, " Bill I am so sorry. For all these years I kept my promise and never looked into the box under our bed.

The Best of the Net Part II

However, today the temptation was too much and I gave in. But now I need to know why do you keep the cans in the box?" Bill thought for a while and said, "I guess after all these years you deserve to know the truth. Whenever I was unfaithful to you I put an empty beer can in the box under the bed to remind myself not to do it again."

Hillary was shocked, but said, "Hmmm, Jennifer, Paula and Monica. I am very disappointed and saddened but temptation does happen and I guess that 3 times is not that bad considering the years." They hugged and made their peace. A little while later Hillary asked Bill, "So why do you have all that money in the box?"

Bill answered, "Well, whenever the box filled up with empty cans, I took them to the recycling center and redeemed them for cash."

Martians

The year is 222 and Mike and Maureen land on Mars after accumulating enough frequent flier miles. They meet a Martian couple and are talking about all sorts of things. Mike asks if Mars has a stock market, if they have laptop computers, how they make money, etc. Finally Maureen brings up the subject of sex.

"Just how do you guys do it? asks Maureen. "Pretty much the way you do," responds the Martian.

The Best of the Net Part II

Discussion ensues and finally the couples decide to swap partners for the night and experience one another. Maureen and the male Martian go off to a bedroom where the Martian strips. He's got only a teeny, weeny member-about half an inch long and just a quarter inch thick.

"I don't think this is going to work," says Maureen.

"Why? he asks, "What's the matter?"

"Well," she replies, "it's just not long enough to reach me!"

"No problem," he says, and proceeds to slap his forehead with his palm. With each slap of his forehead, his member grows until it's quite impressively long. "Well, she says, "That's quite impressive, but it's still pretty narrow...."

"No problem," he says, and starts pulling his ears. With each pull, his member grows wider and wider until the entire measurement is extremely exciting to the woman.

"Wow!" she exclaims, as they fell into bed and made mad, passionate love.

The next day the couples rejoin their normal partners and go their separate ways. As they walk along, Mike ask "Well, was it any good?"

"I hate to say it," says Maureen, " but it was pretty wonderful. How about you?"

"It was horrible, " he replies, All I got was headache. All she kept doing the whole time was slapping my forehead and pulling my ears."

Bullets

A woman pregnant with triplets was walking down the street when a masked robber runs ut of a bank and shoots her three times in the stomach. Luckily the babies are okay. The surgeon decides to leave the bullets in because it's too risky to operate.

She gave birth to two healthy daughters and a healthy son.

All was fine for 16 years, and then one daughter walked into the room in tears.

What's wrong?" asks the mother.

"I was taking a pee and this bullet came out," replied the daughter.

The mother tells her it's okay and explains what happened 16 years ago.

About a week later the second daughter walked into the room in tears. "Mom, I was taking a pee and this bullet came out".

Again the mother tells her not to worry and explains what happened 16 years ago.

A week later her son walks into the room in tears. "It's okay," says the Mom, "I know what happened....you were taking a pee and a bullet came out."

No," says the boy, "I was playing with myself and I shot the dog."

Smell the hair

A man walks up to a woman in his office each day, stands very close to her, draws in a large breath of air and tells her that her hair smells nice. After a week of this she can't stand it any longer!

The woman goes into her supervisor's office and tells him that she wants to file a sexual harassment suit against the man and explains why.

The supervisor is puzzled by this and says what's wrong with the coworker telling you your hair smells nice.

The woman replies, "He's a midget!"

Till death do us part

Husband and wife had a bitter quarrel on the day of their 40th wedding anniversary. The husband tells her, "When you die, I'm getting you a headstone that reads, 'Here Lies My Wife - Cold As Ever'." "Yeah" she replies, "When you die, I'm getting you a headstone that reads, 'Here Lies My Husband - Stiff At Last.'"

Joined at the tooth

A woman and her husband interrupted their vacation to go to the dentist. "I want a tooth pulled, and I don't want any pain killers because I'm in a big hurry," the woman said. "Just extract the tooth as quickly as possible, and we'll be on our way." The dentist was quite impressed. "You're certainly a courageous

Revenge with numbers

A man has six children and is very proud of his achievement. He is so proud of himself that he starts calling his wife "Mother of Six" in spite of her objections. One night they go to a party. The man decides that it's time to go home, and wants to find out if his wife is ready to leave as well. He shouts at the top of his voice, "Shall we go home Mother of six?" His wife, irritated by her husband's lack of discretion shouts back..."Anytime you're ready, Father of Four!"

Second opinion

One doctor husband and his wife are having a fight at breakfast table. Husband gets up in a rage and says, "and you are no good in bed either" and storms out of the house. After sometime he realizes he was nasty and decides to make amends and rings her up. She comes to the phone after many rings and the irritated husband says "what took you so long to answer the phone"? She says, "I was in bed". "In bed this late, doing what"? "Getting a second opinion" she says.

Lost Golfer

To: undisclosed-recipients;; A man, while playing on the front nine of a complicated golf course, became confused as to where he was on the course. Looking around, he saw a lady playing ahead of him. He walked up to her, explained his confusion and asked her if she knew what hole he was playing. She replied, "I'm on the 7th hole, and you are a hole behind me, so you must be on the 6th hole."

He thanked her and went back to his golf. On the back nine the same thing happened; and he approached her again with the same request.

She said, "I'm on the 14th hole, you are a hole behind me, so you must be on the 13th hole."

Once again he thanked her and returned to his play. He finished his round and went to the clubhouse where he saw the same lady sitting at the end of the bar. He asked the bartender if he knew the lady. The bartender said that she was a sales lady and played the course often.

He approached her and said, "Let me buy you a drink in appreciation for your help. I understand that you are in the sales profession. I'm in sales, also. What do you sell?"

She replied, "If I tell you, you'll laugh."

"No, I won't."

"Well, if you must know," she answered, "I work for Tampax." With that, he laughed so hard he almost lost his breath. She said, "See I knew you would laugh." "That's not what I'm laughing at," he replied. "I'm a salesman for Preparation H, so I'm still a hole behind you."

4 Basic Management Lessons

#1.

Knut S-C Ojermark

A crow was sitting on a tree, doing nothing all day. A small rabbit saw the crow, and asked him, "Can I also sit like you and do nothing all day long?"

The crow answered, "Sure, why not?" So, the rabbit sat on the ground below the crow, and rested. All of a sudden, a fox appeared, jumped on the rabbit and ate it.

The Lesson? To be sitting and doing nothing all day, you must be sitting very, very high up.

#2.

A turkey was chatting with a bull. "I would love to be able to get to the top of that tree," sighed the turkey, "but I haven't got the energy." "Well, why don't you nibble on some of my droppings?" replied the bull, "they're packed with nutrients." The turkey pecked at a lump of dung and found that it actually gave him enough strength to reach the first branch of the tree. The next day, after eating some more dung, he reached the second branch.

Finally, after a fortnight, there he was proudly perched at the top of the tree. Soon he was promptly spotted by a farmer, who shot the turkey out of the tree.

The Lesson? Bullshit might get you to the top, but, it won't keep you there.

#3.

When the body was first made, all the parts wanted to be Boss. The brain said, "I should be Boss because I control the whole body's responses and functions." The feet said, "We should be Boss as we carry the brain about and get him to where he wants

The Best of the Net Part II

to go." The hands said, "We should be the Boss because we do all the work and earn all the money." And so it went on and on with the heart, the lungs and the eyes until finally the asshole spoke up.

All the parts laughed at the idea of the asshole being the Boss. So the asshole went on strike, blocked itself up and refused to work. Within a short time the eyes became crossed, the hands clenched, the feet twitched, the heart and lungs began to panic and the brain fevered. Eventually they all decided that the asshole should be the Boss, so the motion was passed. All the other parts did all the work while the Boss just sat and passed out the shit!

The Lesson? You don't need brains to be a Boss - any asshole will do.

#4

A little bird was flying south for the winter. It was so cold, the bird froze and fell to the ground in a large field. While it was lying there, a cow came by and dropped some dung on it. As the frozen bird lay there in the pile of cow dung, it began to realize how warm it was. The dung was actually thawing him out! He lay there all warm and happy, and soon began to sing for joy. A passing cat heard the bird singing and came to investigate. Following the sound, the cat discovered the bird under the pile of cow dung, and promptly dug him out and ate him!

The Lesson?

- 1) Not everyone who drops shit on you is your enemy.
- 2) Not everyone who gets you out of shit is your friend.
- 3) And when you're in deep shit, keep your mouth shut!

Engineering student

An engineering student was walking across campus when another engineer rides up on a shiny new motorcycle.

"Where did you get such a great bike?", asked the first.

The second engineer replied, "Well, I was walking along yesterday minding my own business when a beautiful woman rode up on this bike. She threw the bike to the ground, took off all her clothes and said "Take what you want."

The second engineer nodded approvingly, "Good choice; the clothes probably wouldn't have fit."

I have recently been diagnosed with the "But First Syndrome." You know, it's when I decide to do the laundry, I start down the hall and notice the newspaper on the table. OK, I'm going to do the laundry.... BUT FIRST I'm going to read the newspaper. Then, I notice the mail on the table. OK, I'll just put the newspaper in the recycle stack..... BUT FIRST I'll look through that pile of mail and see if there are any bills to be paid. Yes, now where's the checkbook? Oops.....there's the empty glass from yesterday on the coffee table. I'm going to look for that checkbook,

BUT FIRST I need to put the glass in the sink. I head for the kitchen, look out the window, notice my poor flowers need a drink of water. I put the glass in the sink, and darn it, there's the remote for the TV on the kitchen counter. What's it doing here? I'll just put it away.....

Boxes of condoms

This father needs to go to the drug store, and decides to take his 5-year old son with him. They are walking down the aisle with many boxes of condoms hanging on hooks, and the boy stops his dad and asks, "Dad, what are these?" The father answers, "Well, son, when you are a teenager you will learn all about that."

They continue down the aisle when suddenly the boy says, "Say, dad -- there are THREE in this box, why is that?" The father wisely answers, "Well, son, when you are in high school, you will learn that one is for Friday night, one for Saturday night, and one for Sunday night."

The boy seems satisfied with that answer, but as he continues down the aisle he notices a box of SIX. "Dad, why six?" " Well, son, when you are in college, you will appreciate that you will have two for Friday night, two for Saturday night, and two for Sunday night!" the dad answers.

Towards the end of the row, he spies TWELVE pack. "Hey, dad, why a box of twelve?"

The US standard railroad gauge (width between the two rails) is 4 feet, 8.5 inches. That's an exceedingly odd number. Why was that gauge used? Because that's the way they built them in England, and the US railroads were built by English expatriates.

?

Why did the English build them like that? Because the first rail lines were built by the same people who built the pre-railroad tramways, and that's the gauge they used.

?

Why did "they" use that gauge then? Because the people who built the tramways used the same jigs and tools that they used for building wagons which used that wheel spacing.

Okay! Why did the wagons have that particular odd wheel spacing? Well, if they tried to use any other spacing, the wagon wheels would break on some of the old, long distance roads in England, because that's the spacing of the wheel ruts.

?

So who built those old rutted roads? The first long distance roads in Europe (and England) were built by Imperial Rome for their legions. The roads have been used ever since.

And the ruts in the roads? Roman war chariots first formed the initial ruts, which everyone else had to match for fear of

The Best of the Net Part II

destroying their wagon wheels. Since the chariots were made for (or by) Imperial Rome, they were all alike in the matter of wheel spacing.

The United States standard railroad gauge of 4 feet, 8.5 inches derives from the original specification for an Imperial Roman war chariot. Specifications and bureaucracies live forever. So the next time you are handed a specification and wonder what horse's ass came up with it, you may be exactly right, because the Imperial Roman war chariots were made just wide enough to accommodate the back ends of two war horses. Thus, we have the answer to the original question.

?

When we see a Space Shuttle sitting on its launch pad, there are two big booster rockets attached to the sides of the main fuel tank. These are solid rocket boosters, or SRBs. The SRBs are made by Thiokol at their factory in Utah. The engineers who designed the SRBs might have preferred to make them a bit fatter, but the SRBs had to be shipped by train from the factory to the launch site.

The railroad line from the factory had to run through a tunnel in the mountains. The SRBs had to fit through that tunnel. The tunnel is slightly wider than the railroad track, and the railroad track is about as wide as two horses' behinds.

So, the major design feature of what is arguably the world's most advanced transportation system was determined over two thousand years ago by the width of a horse's ass !

Now, I don't think W. is this dumb, but I did think this was cute.

George W. Bush is invited to tea

While visiting England, George W. Bush is invited to tea with the Queen. He asks her what her leadership philosophy is. She says that it is to surround herself with intelligent people. He asks how she knows if they're intelligent.

"I do so by asking them the right questions," says the Queen. "Allow me to demonstrate," She phones Tony Blair and says, "Mr. Prime Minister. Please answer this question: Your mother has a child, and your father has a child, and this child is not your brother or sister. Who is it?"

Tony Blair responds, "It's me, ma'am."

"Correct. Thank you and good-bye, sir," says the Queen. She hangs up and says, "Did you get that, Mr. Bush?"

"Yes ma'am. Thanks a lot. I'll definitely be using that!"

Upon returning to Washington, he decides he'd better put the Chairman of the Senate Foreign Relations Committee to the test. He summons Jesse Helms to the White House and says, "Senator Helms, I wonder if you can answer a question for me."

"Why, of course, sir. What's on your mind?"

"Uhh, your mother has a child, and your father has a child, and this child is not your brother or your sister. Who is it?"

Helms hems and haws and finally asks, "Can I think about it and get back to you?"

Bush agrees, and Helms leaves. He immediately calls a meeting of other senior Republican senators, and they puzzle over the

The Best of the Net Part II

question for several hours, but nobody can come up with an answer. Finally, in desperation, Helms calls Colin Powell at the State Department and explains his problem.

"Now lookee here, son, your mother has a child, and your father has a child, and this child is not your brother or your sister. Who is it?" Powell answers immediately, "It's me, of course, you dumb cracker." Much relieved, Helms rushes back to the White House and exclaims, "I know the answer, sir! I know who it is! It's Colin Powell!"

And Bush replies in disgust, "Wrong, you dummy, it's Tony Blair!"

A man came home from work

One afternoon a man came home from work to find total mayhem in his house. His three children were outside, still in their pajamas, playing in the mud, with empty food boxes and wrappers strewn all around the front yard. The door of his wife's car was open, as was the front door the house. Proceeding into the entry, he found an even bigger mess. A lamp had been knocked over, and the throw rug was wadded against one wall. In the front room the TV was loudly blaring a cartoon channel, and the family room was strewn with toys and various items of clothing.

In the kitchen, dishes filled the sink, breakfast food was spilled on the counter, dog food was spilled on the floor, a broken glass lay under the table, and a small pile of sand was spread by the back door. He quickly headed up the stairs, stepping over toys and more piles of clothes, looking for his wife.

Knut S-C Ojermark

He was worried she may be ill, or that something serious had happened. He found her lounging in the bedroom, still curled in the bed in her pajamas, reading a novel. She looked up at him, smiled, and asked how his day went.

He looked at her bewildered and asked, "What happened here today?"

She again smiled and answered, "You know every day when you come home from work and ask me what in the world did I do today?"

"Yes" was his incredulous reply.

She answered, "Well, today I didn't do it."

Athiest Bears Soul

An atheist was walking through the woods, admiring all that the "accidents" that evolution had created. "What majestic trees! What powerful rivers! What beautiful animals!", he said to himself. As he was walking alongside the river he heard a rustling in the bushes behind him. Turning to look, he saw a 7-foot grizzly bear charge towards him. He ran as fast as he could up the path. He looked over his shoulder and saw the grizzly was closing. Somehow, he ran even faster, so scared that tears came to his eyes. He looked again and the bear was even closer. His heart was pounding and he tried to run faster. He tripped and fell to the ground. He rolled over to pick himself up but the bear was right over him, reaching for him with its left paw and raising its right paw strike him.

The Best of the Net Part II

At that instant the atheist cried, "Oh my God!...."

Time stopped.

The bear froze.

The forest was silent.

Even the river stopped moving.

As a bright light shone upon the man, a voice came out, "You deny my existence for all these years, teach others that I don't exist and even credit creation to a cosmic accident. Do you expect me to help you out of this predicament? Am I to count you as a believer?"

The atheist looked directly into the light, "It would be hypocritical to ask to be a Christian after all these years, but perhaps you could make the bear a Christian?"

"Very well" said the voice.

The light went out.

The river ran.

The sounds of the forest resumed.

..and then the bear dropped his right paw, brought both paws together and bowed its head and spoke:

"Lord, for this food which I am about to receive, I am truly thankful".

The third kid says, "I want a motorized wheelchair with a built in TV and stereo headset!!" Bush is a little perplexed by this and says, "But you don't look like you are handicapped." The kid says, "I will be, after my dad finds out I saved your ass from drowning!!!"

The Best of the Net Part II

On the 6th day, God created men and women.

On the 7th day, he rested.

Not so much to recuperate, but rather to prepare himself for the work he was going to do on the next day. For it was on that day—the 8th day—that God created the **FIRST TEACHER**.

This **TEACHER**, though taken from among men and women, had several significant modifications. In general, God made the **TEACHER** more durable than other men and women. The

Knut S-C Ojermark

TEACHER was made to arise at a very early hour and to go to bed no earlier than 11:30 p.m. with no rest in between.

The TEACHER had to be able to withstand being locked up in an airtight classroom for six hours with thirty-five "monsters" on a rainy Monday.

And the TEACHER had to be fit to correct 103 term papers over Easter vacation. Yes, God made the TEACHER tough...but gentle too. The TEACHER was equipped with soft hands to wipe away the tears of the neglected and lonely student... those of the sixteen-year-old girl who was not asked to the prom. And into the TEACHER God poured a generous amount of patience. Patience when a student asks to repeat the directions the TEACHER has just repeated for someone else. Patience when the kids forget their lunch money for the fourth day in a row. Patience when one-third of the class fails the test. Patience when the text books haven't arrived yet, and the semester starts tomorrow.

And God gave the TEACHER a heart slightly bigger than the average human heart. For the TEACHER's heart had to be big enough to love the kid who screams, "I hate this class-it's boring!" and to love the kid who runs out of the classroom at the end of the period without so much as a "goodbye," let alone a "thank you."

And lastly, God gave the TEACHER an abundant supply of HOPE. For God knew that the TEACHER would always be hoping. Hoping that the kids would someday learn how to spell... Hoping not to have lunchroom duty... Hoping that Friday would come... Hoping for a free day.... Hoping for deliverance. When

The Best of the Net Part II

God finished creating the TEACHER, he stepped back and admired the work of his hands. And God saw that the TEACHER was good. Very Good!

And God smiled for when he looked at the TEACHER, he saw into the future. He knew that the future was in the hands of the TEACHER and because God loves Teachers so much, on the 9th day God created "Snow Days"

GOLF!

Four old timers were playing their weekly game of golf, and one remarked how for Christmas this year he'd love to wake up on Christmas morning, roll out of bed and without an argument go directly to the golf course, meet his buddies and play a round. His buddies all chimed in and said, "Let's do it! We'll make it a priority, figure out a way and meet here early on Christmas morning."

Months later, that special morning arrives, and there they are on the links.

The first guy says, "Boy, this game cost me a fortune!

I bought my wife such a diamond ring that she can't take her eyes off it."

Number 2 guy says, "I spent a ton too. My wife is at home planning the cruise I gave her. She was up to her eyeballs in brochures."

Number 3 guy says "Well, my wife is at home admiring her new car, reading the manual."

Knut S-C Ojermark

They all turn to the last guy in the group and he is staring at them like they have lost their minds. "I can't believe you all went to such expense for this golf game. I slapped my wife on the butt and said, 'Well babe, is it sex or golf?' and she said, 'Take your sweater'."

Jewish Genie

An Arab has spent many days crossing the desert without finding a source of water.? It gets so bad that his camel dies of thirst.? He's crawling through the sands, certain that he has breathed his last breath when all of a sudden he sees a shiny object sticking out of the sand several yards ahead of him. He crawls to the object, pulls it out of the sand, and discovers that he has a nischewitz wine bottle.? It appears that there may be a drop or two left in the bottle, so he unscrews the top and out pops a genie. ? But this is no ordinary genie.? This genie appears to be a Chasidic Rabbi, complete with black alpaca coat, black hat, side curls, etc.

"Well kid," says the genie.? "You know how it works.? You have three wishes."

"I'm not going to trust you," says the Arab, "you are a Jewish genie!"

"What have you got to lose It looks like you're a goner anyway!"

The Arab thinks about this for a minute, and decides that the genie is right.? "Okay, I wish I were in a lush oasis with plentiful food and drink."

California Electric Power

Keep in mind -- we just got word that we're in for a 46% rate hike - & they're not done with us peons yet!

America has engaged in some finger wagging lately because California doesn't have enough electricity to meet its needs. The rest of the country (including George W. Bush's energy secretary Spencer Abraham, who wants Californians to suffer through blackouts as justification for drilling for oil in Alaska's Arctic National Wildlife Refuge) seems to be just fine with letting Californians dangle in the breeze without enough power to meet their needs. They laugh at Californians' frivolity. Well, everybody. Here's how it really is:

Knut S-C Ojermark

California ranks 48th in the nation in power consumed per person.

California grows more than half the nation's fruit, nuts and vegetables.

We're keeping them. We need something to eat when the power goes out. We grow 99 percent or more of the nation's almonds, artichokes, dates, figs, kiwi fruit, olives, persimmons, pistachios, prunes, raisins and walnuts.

Hope you won't miss them.

California is the nation's number one dairy state. We're keeping our dairy products. We'll need plenty of fresh ones since our refrigerators can't be relied upon. Got milk?

We Californians are gonna keep all our high-tech software in state. Silicon Valley is ours, after all. Without enough electricity, which you're apparently keeping for yourselves, we just plain don't have enough software to spare. We're keeping all our airplanes. California builds a good percentage of the commercial airliners available to fly you people to where you want to go.

When yours wear out, you'd better hope Boeing's Washington plant can keep you supplied. There isn't enough electricity here to allow us to export any more planes than we need ourselves. And while we're at it, we're keeping all our high-tech aerospace stuff, too, like the sophisticated weapons systems that let you sleep at night, not worried you might wake up under the rule of some foreign kook. Oh, yeah, and if you want to make a long-distance call, remember where the satellite components and tracking

The Best of the Net Part II

systems come from. Maybe you could get back in the habit of writing letters.

Want to see a blockbuster movie this weekend? Come to California. We make them here. Since we'll now have to make them with our own electricity, we're keeping them. Even if we shot them somewhere else, the labs, printing facilities, editing facilities, and sound facilities are all here. Want some nice domestic wine? We produce over 17 million gallons per year. We'll need all of it to drown our sorrows when we think about the fact that no matter how many California products we export to make the rest of America's lives better, America can't see its way clear to help us out with a little electricity. You can no longer have any of our wine.

You all complain that we don't build enough power plants. Well, you don't grow enough food, write enough software, make enough movies, build enough airplanes and defense systems or make enough wine. This is your last warning, America. Light (us) up before it's too late.

Six-year-old walks into the kitchen

A six-year-old walks into the kitchen where his Mom is cooking and says, "Mom, the last few nights I have woke up to this thumping noise coming out of your bedroom and when I look to see what it is, you're sitting on top of dad and bouncing up and down. Why are you doing that"

The startled mother tries to recover quickly and says, "Your dad is a little overweight and I'm trying to get him back to normal size. I bounce on him to get all the air out of him."

The little kid just shakes his head and says, "You're wasting your time, when you go to work the lady next door comes over and blows him right back up!"

Give Directions In Detail

A few years ago the battery in my beat-up VW Beetle had died because I left the lights on overnight. I was in a hurry to get to work on time so I ran into the house to get my wife to give me a hand to start the car. I told her to get into our second car, a prehistoric oversized gas guzzler, and use it to push my car fast enough to start it. I pointed out to her that because the VW had an automatic transmission, it needed to be pushed at least 20mph for it to start.

She said fine, hopped into her car and drove off.

I sat there fuming wondering what she could be doing.

A minute passed by and when I saw her in the rear-view mirror coming at me at about 30 mph, I realized that I should have been a bit clearer with my directions.

An old man was sitting on a bench at the mall.

A young man walked up to the bench and sat down. He had spiked hair in all different colors: green, red, orange, blue, yellow.

The old man just stared.

The young man said sarcastically, "What's the matter old timer, never done anything wild in your life?"

Knut S-C Ojermark

Without batting an eye, the old man replied, "Got drunk once and had sex with a parrot. I was just wondering if you were my son."

Who to blame

Let's see if I correctly understand the state of personal responsibility in America in the last 20 years:

If a woman burns her thighs on the hot coffee she was holding in her lap while driving, she blames the restaurant.

If your teen-age son kills himself, you blame the rock n' roll musician he liked. If you smoke three packs a day for 40 years and die of lung cancer your family blames the tobacco company.

If your daughter gets pregnant by the football captain you blame the school for poor sex education.

If your neighbor crashes into a tree while driving home drunk, you blame the bartender.

If your cousin gets AIDS because the needle he used to shoot heroin was dirty, you blame the government for not providing clean ones.

If your grandchildren are brats without manners, you blame television.

If your friend is shot by a deranged madman, you blame the gun manufacturer.

The Best of the Net Part II

If your husband comes to your office to murder you, with a shotgun disguised in a box of roses, fires several times wounding your coworkers, but missing you, you blame the police for killing him.

And, if a crazed person breaks into the cockpit and tries to kill the pilots at 35,000 feet, and the passengers kill him instead, the mother of the deceased blames the airline.

A FEW OF MY FAVORITE THINGS

Maalox and nosedrops and needles for knitting',
Walkers and handrails and new dental fittin's,
Bundles of magazines tied up with string,
These are a few of my favorite things.

Cadillacs, cataracts, hearing aids, glasses,
Polident, Fixodent, false teeth in glasses,
Pacemakers, golf carts and porches with swings,
These are a few of my favorite things.

When the pipes leak, When the bones creak, When the knees go bad,
Then I remember my favorite things And then I don't feel so bad.

Hot tea and crumpets, and corn pads for bunions,
No spicy hot food nor no food cook with onions,
Bathrobes and heat pads and hot meals they bring,
These are a few of my favorite things.

Back pains, confused brains, and no fear of sinnin',
Thin bones and fractures and hair that is thinnin'.

Knut S-C Ojermark

And we won't mention our short shrunken frames
When we remember our favorite things.

When the joints ache, when the hips break, When the eyes grow
dim,
Then I remember the great life I've had, And then I don't feel so
bad.

**THEN I REMEMBER THE GREAT LIFE I'VE HAD AND
THEN I DON'T FEEL

While the man savored a double martini at the local bar, an attractive woman sat down next to him.

The bartender served her a glass of orange juice.

The man turned to her and said, "This is a special day. I'm celebrating."

"I'm celebrating, too," she replied, clinking glasses with him.

"What are you celebrating?" he asked.

"For years I've been trying to have a child," she answered, "Today my gynecologist told me I'm pregnant!"

"Congratulations," the man said, lifting his glass. "As it happens, I'm a chicken farmer, and for years all my hens were infertile. But today they're finally fertile."

"How did it happen?" she asked.

According to the Knight-Ridder News Service, the inscription on the metal bands used by the U.S. Department of the Interior to tag migratory birds has been changed. The bands used to bear the address of the Washington Biological Survey, abbreviated:

until the agency received the following letter from an Arkansas camper:

"Dear Sirs:

While camping last week I shot one of your birds. I think it was a crow. I followed the cooking instructions on the leg tag and I want to tell you, it was horrible."

The bands are now marked Fish and Wildlife Service.

Garden of Eden

After three weeks in the garden, God came to visit Eve and said, "How is everything going?"

"It is all so beautiful God," she replied, "the sunrises and sunsets are breathtaking, the smells, the sights, everything is wonderful, but I have just this one problem."

"It is these three breasts that you have given me. The middle one pushes the other two out, and I am constantly knocking them with my arms, catching them on branches, snagging them on bushes, they are a real pain," reported Eve.

"That is a fair point, " replied God, "but it was my first shot at this, you know. I gave the animals six breasts, so I figured that you needed half of those, but I see that you are right. I will fix it up right away."

And God reaches down, removes the middle breast and tosses it into the bushes. Three weeks passed, and God once again visits Eve in the garden.

"Well, Eve, how is my favorite creation?"

"Just fantastic," she replied, "but for one oversight on your part. You see, all the animals are paired off. The ewe has a ram and the

cow has her bull, all the animals have a mate except me. I feel so alone."

God thought for a moment and said, "You know, Eve, you are right, how could I have overlooked this? You do need a mate and I will immediately create a man from a part of you." "Now lets see..... where did I put that useless boob?"

A nun is sitting with her Mother Superior chatting.

"I used some Horrible language this week and feel absolutely terrible about it."

"When did you use this awful language?" asks the elder.

"Well, I was golfing and hit an incredible drive that looked like it was going to go over 280 yards, but it struck a phone line that is hanging over the fairway and fell straight down to the ground after going only about 100 yards."

"Is that when you swore?"

"No, Mother," says the nun. "After that, a squirrel ran out of the bushes and grabbed my ball in its mouth and began to run away."

"Is THAT when you swore?" asks the Mother Superior again.

"Well, no." says the nun. "You see, as the squirrel was running, an eagle came down out of the sky, grabbed the squirrel in his talons and began to fly away!"

"Is THAT when you swore?" asks the amazed elder nun.

"No, not yet. As the eagle carried the squirrel away in its claws, it flew near the green and the squirrel dropped my ball."

Knut S-C Ojermark

"Did you swear THEN?" asked Mother Superior, becoming impatient. "No, because the ball fell on a big rock, bounced over the sand trap, rolled onto the green, and stopped about six inches from the hole."

The two nuns were silent for a moment. Then Mother Superior sighed and said, "You missed the fucking putt, didn't you?"

A man enters his favorite ritzy restaurant

A man enters his favorite ritzy restaurant and while sitting at his regular table , he noticed a gorgeous woman sitting at a table nearby.... all alone.

He calls the waiter over and asks for their most expensive bottle of Merlot to be sent over to her - knowing that if she accepts it, she is his.

The waiter gets the bottle and quickly sends it over to the girl, saying this is from the gentleman. She looks at the wine and decides to send a note over to the man. The note read: "For me to accept this bottle, you need to have a Mercedes in your garage, a million dollars in the bank, and 7 Inches in your pants.

The man, after reading the note, sends one of his own back to her and it read: "Just so you know - I happen to have a Ferrari Testarosa, a BMW 850iL, and a Mercedes 560SEL in my garage; plus I have over twenty million dollars in the bank. But, not even for a woman beautiful as you, would I cut off three inches. Just send the bottle back."

The HR manager was fairly reasonable, and once he looked the word up in his dictionary and made a copy of the definition to send back to her, he told me not to worry. He would take care of it. Two days later, a memo to the entire staff came out directing us that no words that could not be found in the local Sunday newspaper could be used in company memos. A month later, I resigned. In accordance with company policy, I created my resignation memo by pasting words together from the Sunday paper.

Have you ever run into someone who was combobulated, grunted?

And where are all those people who ARE spring chickens? You have to marvel at the unique lunacy of a language in which your house can burn up as it burns down, in which you fill in a form by filling

it out and in which an alarm clock goes off by going on. English reflects the creativity of the human race (which, of course, isn't a race at all). That is why, when the stars are out, they are visible, but when the lights are out, they are invisible. And why, when I wind up my watch, I start it, but when I wind up an essay, I end it!

Midlife

Midlife is when the growth of the hair on our legs slows down. This gives us plenty of time to care for our newly acquired mustache.

Midlife women no longer have upper arms; we have wingspans. We are no longer women in sleeveless shirts; we are flying squirrels in drag.

The Best of the Net Part II

Midlife has hit when you stand naked in front of the mirror and can see your rear end without turning around.

Midlife is when you bounce (a lot), but you don't bounce back. It's more like splat!

Midlife is when you want to grab every firm young lovely in a tube top and scream, "Listen, honey, even the Roman Empire fell, and those things will too!"

Midlife is when you realize that, if you were a dog, you would need a control top flea collar.

Midlife is when you go to the doctor and you realize you are now so old, that you have to pay someone to look at you naked.

You know you are getting old when you go for a mammogram and know it is the only time someone will ask you to appear topless in a film.

Midlife brings the wisdom that life throws you curves and that you're now sitting on your biggest ones.

Midlife can bring out your angry, bitter side. You look at your latte-swilling, beeper-wearing know-it-all teenager and think, "For this I have stretch marks?"

Midlife is when your memory really starts to go: the only thing you still retain is water.

Knut S-C Ojermark

The good news about midlife is the glass is still half-full. Of course, the bad news is that it won't be long before your teeth are floating in it.

Lewd Limericks

In honor of St Patrick's Day here are some Lewd Limericks

A young girl who was no good at tennis,
But at swimming was really a menace,
Took pains to explain,
It depends how you train,
I was a street-walker in Venice.

There was a young woman in Dee
Who stayed with each man she did see.
When it came to a test,
She wished to be best,
And practice makes perfect you see.

A mortician who practiced in Fife
Made love to the corpse of his wife,
"How could I know", Judge
She was cold, did not budge,
Just the same as she'd acted in life.

There was a plumber from Dundee,
Who was plumbing his girl by the sea,
She said, "Stop your plumbing",
"I hear someone coming"
Said the plumber still plumbing, "It's me"

There was a young girl named Anheuser
Who said no man could surprise her!
But Pabst took a change,
Found a Schlitz in her pants,
And now she is sadder Budwieser.

There was a young girl of Cape Cod
Who dreamt she'd been buggered by God
But it wasn't Jehovah
That turned the girl over,
Twas Roger the lodger, the dirty old codger,
the bugger, the bastart, the sod!

There was a young fellow named Goody
Who claimed that he wouldn't, but would he
If he found himself nude
with a gal in the mood
The question's not would he, but could he?

Two priests

Two priests were determined to make this a real vacation by not wearing anything that would identify them as clergy.

As soon as the plane landed, they headed for a store and bought some really outrageous shorts, shirts, sandals, and sunglasses. The next morning, they went to the beach, dressed in their "tourist" garb.

They were sitting on beach chairs, enjoying a drink, the sunshine and the scenery when a "drop dead gorgeous" blonde in a very tiny bikini came walking straight towards them.

Knut S-C Ojermark

They couldn't help but stare. As the blond passed them, she smiled and said, "Good morning Father," "Good morning Father," nodding and addressing each of them individually, then passed on by.

They were both stunned. How in the world did she know they were priests?

The next day, they went back to the store, bought even more outrageous outfits. Once again they settled on the beach in their chairs to enjoy the sunshine.

After a while, the same gorgeous blonde, wearing a string bikini this time and showing a very nice tan, came walking toward them.

Again, she approached them and greeted them individually: "Good morning,

Father," "Good morning, Father," and started to walk away.

One of the priests couldn't stand it and said, "Just a minute young lady".

"Yes," she replied. "We are priests, and proud of it, but I have to know, how in the world did you know we are priests?"

"Father, it's me, Sister Angela."

Woman stands in front of the mirror

Fresh from her shower, a woman stands in front of the mirror, complaining to her husband that her breasts are too small. Instead of characteristically telling her it's not so, the husband uncharacteristically comes up with a suggestion.? "If you want your breasts to grow, then every day take a piece of toilet paper and rub it between your breasts for a few seconds."

Willing to try anything, the wife fetches a piece of toilet paper, and stands in front of the mirror, rubbing it between her breasts. "How long will this take?" she asks. "They'll grow larger over a period of years", he replies. The wife stops.? "Why do you think rubbing a piece of toilet paper between my breasts every day will make my breasts grow over the years?"

- "It worked for your butt, didn't it?" -

The husband lived, and with a great deal of therapy, may even walk again.....

Adam and Eve

Adam and Eve had an ideal marriage. He didn't have to hear about all the men she could have married, and she didn't have to hear about the way his mother cooked.

An elderly woman died last month.

Having never married, she requested no male pallbearers. In her handwritten instructions for her memorial service, she wrote, "

A. Sunday School teacher asked her class why Joseph and Mary took Jesus with them to Jerusalem. A small child replied: "They couldn't get a baby-sitter."

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to "honor thy father and thy mother," she asked "Is there a commandment that teaches us how to treat our brothers and sisters"; Without missing a beat one little boy answered, "Thou shall not kill";

At Sunday School they were teaching how God created everything, including human beings. Little Johnny seemed especially intent when they told him how Eve was created out of one of Adam's ribs. Later in the week his mother noticed him lying down as though he were ill, and said, Johnny what is the matter?

The Best of the Net Part II

Little Johnny responded, "I have a pain in my side. I think I'm going to have a wife";

A very dirty little fellow came in from playing in the yard and asked his mother, "Who am I? "; Ready to play the game she said, "I don't know! Who are you?"; ";WOW!"; cried the child. "MRS. Johnson was right! She said I was so dirty, my own mother wouldn't recognize me";

A wise schoolteacher sends this note to all parents on the first day of school: "If you promise not to believe everything your child says happens at school, I'll promise not to believe everything he says happens at home.

Two Reasons

Early one morning, a mother went in to wake up her son.

"Wake up, son. It's time to go to school!" she said.

"But why, Mom? I don't want to go." he replied.

"Give me two reasons why you don't want to go." said the mom.

"Well, the kids hate me for one, and the teachers hate me, too!" responded the son.

"Oh, but that's no reason not to go to school. Come on now and get ready." said mom.

Knut S-C Ojermark

"Give me two reasons why I should go to school." requested the son.

"Well, for one, you're 52 years old. And for another, you're the PRINCIPAL!"

On the 8th day-that God created the FIRST TEACHER.

On the 6th day, God created men and women.

On the 7th day, he rested.

Not so much to recuperate, but rather to prepare himself for the work he was going to do on the next day. For it was on that day-the 8th day-that God created the FIRST TEACHER.

This TEACHER, though taken from among men and women, had several significant modifications. In general, God made the TEACHER more durable than other men and women. The TEACHER was made to arise at a very early hour and to go to bed no earlier than 11:30 p.m. with no rest in between.

The Best of the Net Part II

The TEACHER had to be able to withstand being locked up in an airtight classroom for six hours with thirty-five "monsters" on a rainy Monday.

And the TEACHER had to be fit to correct 103 term papers over Easter vacation. Yes, God made the TEACHER tough...but gentle too. The TEACHER was equipped with soft hands to wipe away the tears of the neglected and lonely student... those of the sixteen-year-old girl who was not asked to the prom. And into the TEACHER God poured a generous amount of patience. Patience when a student asks to repeat the directions the TEACHER has just repeated for someone else. Patience when the kids forget their lunch money for the fourth day in a row. Patience when one-third of the class fails the test. Patience when the text books haven't arrived yet, and the semester starts tomorrow.

And God gave the TEACHER a heart slightly bigger than the average human heart. For the TEACHER's heart had to be big enough to love the kid who screams, "I hate this class-it's boring!" and to love the kid who runs out of the classroom at the end of the period without so much as a "goodbye," let alone a "thank you."

And lastly, God gave the TEACHER an abundant supply of HOPE. For God knew that the TEACHER would always be hoping. Hoping that the kids would someday learn how to spell... Hoping not to have lunchroom duty... Hoping that Friday would come... Hoping for a free day... Hoping for deliverance. When God finished creating the TEACHER, he stepped back and admired the work of his hands. And God saw that the TEACHER was good. Very Good!

Knut S-C Ojermark

And God smiled for when he looked at the TEACHER, he saw into the future. He knew that the future was in the hands of the TEACHER and because God loves Teachers so much, on the 9th day God created "Snow Days"

OFFICIAL AMERICAN APOLOGY TO THE CHINESE

Dear China,

We're sorry that you don't train your fighter pilots better. As a token of our apology, here's a copy of Microsoft Flight Simulator 2000.

We're sorry that you're front-line fighter planes can't outmaneuver a 35 year old prop-driven recon wagon. Perhaps you'd like to consider purchasing some surplus 1950's era Lockheed Starfighters from Taiwan. (Who just replaced all theirs with shiny new F-16's)

We're sorry that you believe your territorial waters extend all the way to Australia. For future reference, here's an American 6th grade geography textbook. (Please take note of the Copyright information printed inside the cover.)

We're sorry that you can't seem to see your part of this incident. We know that it may seem easier to blame others than to take responsibility. Consider this while we build several new Aegis destroyers for our friends in the Republic of China (Taiwan).

We're especially sorry for treating you with such respect for the last 20 years. We'll definitely rethink this policy, and will

The Best of the Net Part II

probably go back to treating you like a common untrustworthy street gang very soon.

We're very sorry for ever granting you Most-Favored-Nation trading status. This will be rectified at the soonest possible opportunity.

Sincerely,

The United States of America

U.S. Apology to China

The United States of America apologizes to the People's Republic of China for allowing our reconnaissance plane to be hit by your poorly trained, hot-dogging fighter pilot, while flying in

Knut S-C Ojermark

international airspace. We're sorry we have to fly surveillance missions to monitor a country that has nuclear missiles pointed at us. We're sorry your pilot didn't follow international standards of fighter intercept protocol. We're sorry his aircraft recognition skills were so poor he didn't realize the EP-3 aircraft was propeller driven and flew his aircraft through its propeller arc, destroying his aircraft and nearly killing 24 American crewmen.

We're sorry your fighter pilot's survival training and equipment was so inadequate that he couldn't survive until your poorly trained and equipped navy could find him (they turned down our offer for search and rescue assistance).

We're sorry you violated international law and arrested the crewmen of an aircraft that legally diverted into your airfield under emergency conditions caused by your pilot's actions. We're sorry you violated international law and boarded a state aircraft. We're sorry the world is now seeing you for the enemy of freedom, truth, and democracy that you really are. We're sorry you see yourself as a superpower when in reality you are a third world nation (the average Chinese worker earns less than 10 cents a day).

We're sorry you are losing so much face over this.

We're sorry that you were able to steal missile and nuclear secrets from us.

We're sorry you haven't learned from the Soviet Union's collapse and failed to embrace democracy and capitalism (compare tiny Taiwan and mainland China; same people, same culture, but Taiwan's capitalistic economy is a powerhouse and China's economy is still mired in communism).

The Best of the Net Part II

We're sorry for the future Chinese military deaths that will occur when we retaliate for your roughish behavior. And most of all, we're sorry for the Chinese people who suffer its leaders' incompetence.

Sincerely,
Citizen of the United States of America

A while later the Nun asked Mary, "Who is our Lord and Savior?" But, Mary didn't even stir from her slumber. Once

Jonah - The Rest Of The Story

A golfer who was well into his golden years had a lifelong ambition to play one hole at Pebble Beach, California, the way the pros do it. The pros drive the ball out over the water onto the green that is on a spit of land that just out off the coast.

It was something he had tried hundreds of times without success. His ball always fell short, into the water. Because of this he never used a new ball on this particular hole. He always picked out one that had a cut or a nick.

One year he went out to Pebble Beach to try again. When he came to the fateful hole, he teed up an old cut ball and said a silent prayer. Before he hit it, however, a powerful voice from

Silence followed. Then the voice spoke out again: PUT THE OLD BALL BACK.

Traveling salesman

A traveling salesman checked into a futuristic motel. Realizing he needed a haircut before his next day's meeting, he called down to the desk clerk and asked if there was a barber on the premises. "I'm afraid not, sir," the clerk told him apologetically, "but down the hall is a special machine that should serve your purposes."

Skeptical but intrigued, the salesman located the appropriate machine, inserted fifty cents, and stuck his head in the opening, at which time the machine started to buzz and whirl. Fifteen seconds later the salesman pulled out his head and surveyed his head in the mirror, which reflected the best haircut he ever received in his life.

Down the hall was another machine with a sign that read, "Manicures - 25 cents." "Why not," thought the salesman. He paid the money, inserted his hands into the slot, and pulled them out perfectly manicured.

The next machine had a huge sign that read, "This Machine Provides What Men Need Most When Away from Their Wives - cost 50 cents," The salesman was embarrassed and looked both ways. Seeing nobody around he put in fifty cents, then unzipped

Hangover Scale

1 star hangover (*) No pain. No real feeling of illness. Be glad that you are able to function relatively well. However, you are

The Best of the Net Part II

still parched. You can drink 10 sodas and still feel this way. You are craving a steak bomber and a side of gravy fries.

2 star hangover (**) No pain, but something is definitely amiss. You may look okay but you have mental capacity of a staple gun. The coffee you chug is only irritating your rumbling gut, which is craving grease to coat the walls of your stomach to stop the acid from oozing into your bloodstream. Last night has also wreaked havoc on your bowels.

3 star hangover (***) A headache. Stomach feels even worse. You are definitely not productive. Anytime a girl walks by you gag because her perfume reminds you of the random gin shots you did with your alcoholic friends after the bouncer 86'd you at 1:45 a.m. Life would be better right now if you were in your bed in a dark room with an ice pack listening to soothing elevator music. You've had 4 cups of coffee, a gallon of water, 3 Snapples and a liter of diet coke -- yet you haven't peed once.

4 star hangover (****) Life sucks. Your head is throbbing and you can't speak too quickly or else you might puke. Your boss has already lambasted you for being late and has given you a lecture for reeking of booze. You wore nice clothes, but that can't hide the fact that you missed an oh-so crucial spot shaving, (girls, it looks like you put your make-up on while riding the bumper cars). Your eyes look like one big vein and your hair style makes you look like a reject from the class picture of Revere High, '76.

5 star hangover (*****) AKA "Dante's 4th Circle of Hell." You have a second heartbeat in your head which is actually annoying the employee who sits in the next cube. Vodka vapor is seeping out of every pore and making you dizzy. You still have toothpaste crust in the corners of your mouth from brushing your

Knut S-C Ojermark

teeth. Your body has lost the ability to generate saliva, so your tongue is suffocating you. Death seems pretty good right now. You definitely don't remember who you were with, where you were, what you drank, and why there is a stranger still sleeping in your bed at your house.

6 star hangover (*****) otherwise known as the "Infinite Nutsmacker" You wake up on your bathroom floor. For about 2 seconds you look at the ceiling, wondering if the cool refreshing feeling on your cheek is the bathroom tile or your puke from 5 hours ago. It is amazing how your roommate was as drunk as you, but somehow manages to get up before you the next morning....You try to lift your head. Not an option. It is when you turn your head too quickly only to smell the funk of 13 packs of cigarettes in your hair, and suddenly you realize you were smoking, but not ultra lights...some jackass handed you Marlboro reds, and you smoked them like it was your second full time job. You look in the mirror only to see remnants of the stamp "Ready to Rock" faintly atop your forehead....that explains the stamp on the back of your hand that has magically appeared on your forehead by alcoholic osmosis. You had to be at work 14 minutes and 32 seconds ago and the only thing you can think of wearing is your "hello kitty" pajamas and your slippers.

A vote for bigger government

Once upon a time the government had a vast scrap yard in the middle of a desert. Congress said "someone may steal from it at night." So they created a night watchman position and hired a person for the job.

The Best of the Net Part II

Then Congress said, "How does the watchman do his job without instruction?" So they created a planning department and hired two people, one person to write the instructions, and one person to do time studies.

Then Congress said, "How will we know the night watchman is doing the tasks correctly?" So they created a Quality Control department and hired two people. One to do the studies and one to write the reports.

Then Congress said, "How are these people going to get paid?" So they created the following positions, a time keeper, and a payroll officer, then hired two people.

Then Congress said, "Who will be accountable for all of these people?" So they created an administrative section and hired three people, an Administrative Officer, Assistant Administrative Officer, and a Legal Secretary.

Then Congress said, "We have had this command in operation for one year and we are \$18,000 over budget, we must cutback overall cost."

So they laid off the night watchman.

Two men from Texas

Two men from Texas were sitting at a bar, when a young lady nearby began to choke on a hamburger. She gasped and gagged and one Texan turned to the other and said, "That little gal is havin' a bad time. I'm agonna go over dere and help."

Knut S-C Ojermark

He ran over to the young lady, held both sides of her head in his big Texan hands and asked, "Kin ya swaller?" Gasping, she shook her head no. He asked, "Kin ya breathe?" Still gasping, she again shook her head no. With that, he yanked up her skirt, pulled down her panties and licked her on the butt. The young woman was so shocked that she coughed up the piece of hamburger and began to breathe on her own. The Texan sat back down with his friend and said, "Ya know, it's sure amazin' how that hind-lick maneuver always works."

Committees and Meetings

Avoid committees and meetings whenever you can: A meeting is an occasion when people gather together, some to say what they do not think, and others not to say what they really do. To get something done a committee should consist of no more than three people, two of whom are absent.

A GREAT STORY... AND TRUE

His name was Fleming, and he was a poor Scottish farmer. One day, while trying to make a living for his family, he heard a cry for help coming from a nearby bog. He dropped his tools and ran to the bog.

There, mired to his waist in black muck, was a terrified boy, screaming and struggling to free himself. Farmer Fleming saved

The Best of the Net Part II

the lad from what could have been a slow and terrifying death. The next day, a fancy carriage

pulled up to the Scotsman's sparse surroundings. An elegantly dressed nobleman stepped out and introduced himself as the father of the boy Farmer Fleming had saved. I want to repay you," said the nobleman. "You saved my son's life."

No, I can't accept payment for what I did," the Scottish farmer replied, waving off the offer. At that moment, the farmer's own son came to the door of the family hovel. Is that your son?" the nobleman asked. "Yes," the farmer replied proudly. I'll make you a deal. Let me take him and give him a good education. If the lad is anything like his father, he'll grow to a man you can be proud of." And that he did. In time, Farmer Fleming's son graduated from St. Mary's Hospital Medical School in London, and went on to become known throughout the world as the noted Sir Alexander Fleming, the discoverer of Penicillin.

Years afterward, the nobleman's son was stricken with pneumonia. What saved him? Penicillin.

The nobleman's name? Randolph Churchill.

His son's name? Sir Winston Churchill.

Blonde goes to pet store

Pam, a beautiful, well-endowed, young blonde, goes to her local pet store in search of an exotic pet. As she looks about the store, she notices a box full of frogs. The sign says 'Oral Sex' Frogs...only \$20.00 each! Money-Back guarantee! (Comes with complete instructions). Pam excitedly looks around to see if anybody's watching her and whispers softly to Ralph, the man behind the counter: "I'll take one." Ralph, packaging up the frog, says, "Just follow the instructions carefully."

Pam nods, "Okay", grabs the box, and is quickly on her way home. As soon as she closes the door to her apartment, Pam takes out the instructions and reads them thoroughly, doing exactly what it says to do...

1. Take a shower.
2. Splash on some nice smelling perfume.
3. Slip into a very sexy nightie.
4. Crawl into bed, spread your legs and put the frog down 'there' She quickly follows the instructions and slips into bed, put the frog between her legs and, to her surprise, nothing happens! Pam is totally frustrated and quite upset at this point. She re-reads the instructions and notices at the bottom of the paper, it says, "If you have any problems or questions, please call the pet store." So, Pam calls. Ralph, the man from behind the counter says, "I had a few complaints earlier today. I'll be right over."

The Best of the Net Part II

Within five minutes, Ralph is ringing her doorbell. Pam welcomes him in and says, "See, I've done everything according to the instructions and the damn thing just sits there." Ralph, looking very concerned, picks up the frog, stares directly into its eyes and sternly says: "Listen to me! I'm only going to show you how to do this one more time!"

Thanksgiving

A man in Florida, in his 80s, calls his son in New York. The father says to the son, "I hate to tell you, but we've got some troubles here in the house. Your mother and I can't stand each other anymore, and we're getting a divorce. I've had it! I want to live out the rest of my years in peace. I'm telling you now, so you and your sister shouldn't go into shock later when I move out."

He hangs up, and the son immediately calls his sister in the Hamptons and tells her the news. The sister says, "I'll handle this!"

She calls Florida and says to her father, "Don't do ANYTHING until we get there! We'll be there Wednesday night."

The father agrees, "All right." He hangs up the phone and hollers to his wife, "Okay, they're coming for Thanksgiving. Now, what are we going to tell them for Christmas?"

The ageing process.....

Do you realize that the only time in our lives when we like to get old is when we're kids?

If you're less than 10 years old, you're so excited about aging that you think in fractions. How old are you?.

The Best of the Net Part II

"I'm four and a half. You're never 36 and a half. You're four and a half going on five!

That's the key. You get into your teens, now they can't hold you back. You jump to the next number. How old are you?

"I'm gonna be 16." You could be 12, but you're gonna be 16.

And then the greatest day of your life happens, you become 21. Even the words sound like a ceremony: You BECOME 21!

YES!

But then you turn 30. Ooohhh what happened there? Makes you sound like bad milk. He TURNED, we had to throw him out. There's no fun now.

What's wrong? What changed? You BECOME 21, you TURN 30, then you're PUSHING 40. Stay over there, it's all slipping away!

You BECOME 21, you TURN 30, you're PUSHING 40, you REACH 50 And your dreams are gone.

Then you MAKE IT to 60. You didn't think you'd make it! So you BECOME 21, you TURN 30, you're PUSHING 40, you REACH 50, you MAKE IT to 60. Then you build up so much speed you HIT 70!

After that, it's a day by day thing. After that, you HIT Wednesday.

Knut S-C Ojermark

You get into your 80's, you HIT lunch. My grandmother won't even buy green bananas. It's an investment you know, and maybe a bad one.

And it doesn't end there. Into the 90's you start going backwards. I was JUST 92.

Then a strange thing happens. If you make it over 100, you become a little kid again: "I'm 100 and a half!"

Christmas Party

DATE: December 1

I'm happy to inform you that the office Christmas Party will take place on December 23, starting at noon in the banquet room at Luigi's Open Pit Barbecue. No-host bar, but plenty of eggnog! We'll have a small band playing traditional carols.....feel free to sing along. And don't be surprised if our General Manager shows up dressed as Santa Claus!

In no way was yesterday's memo intended to exclude our Jewish employees. We recognize that Chanukah is an important holiday which often coincides with Christmas, though unfortunately not this year. However, from now on we're calling it our "Holiday

What a diverse company we are! I had no idea that December 20 begins the Muslim holy month of Ramadan, which forbids eating, drinking and intimacy during daylight hours. There goes the party! Seriously, we can appreciate how a luncheon this time of year does not accommodate our Muslim employees' beliefs. Perhaps Luigi's can hold off on serving your meal until the end of the party, or else package everything for take-home in little foil swans. Will that work? Meanwhile, I've arranged for members of Overeaters Anonymous to sit farthest from the dessert buffet and pregnant women will get the table closest to the restrooms. Did I miss anything?

Good Reasons For An Office On-Site Bar

While most companies refrain from allowing consumption of alcohol on the premises, there are some good arguments for changing that policy. Reasons for allowing drinking at work include:

1. It's an incentive to show up.
2. It reduces stress.
3. It leads to more honest communications.
4. It reduces complaints about low pay.

Knut S-C Ojermark

5. It cuts down on time off because you can cure hangovers, from the night before, with another drink.

6. Employees tell management what they think, not what management wants to hear.

7. It helps save on heating costs in the winter.

8. It encourages carpooling.

9. Increases job satisfaction because if you have a bad job you don't care.

10. It eliminates vacations because people would rather come to work.

11. It makes fellow employees look better.

12. It makes the cafeteria food taste better.

13. Bosses are more likely to hand out raises when they are wasted.

14. Salary negotiations are a lot more profitable.

15. No one will remember your strip act at the Christmas Party.

A blonde wanted to go ice fishing.

The Best of the Net Part II

She'd seen many books on the subject, and finally, after getting all the necessary tools together, she made for the nearest frozen lake. After positioning her comfy foot stool, she started to make a circular cut in the ice. Suddenly---from the sky---a voice boomed:

"THERE ARE NO FISH UNDER THE ICE!"

Startled, the blonde moved further down the ice, poured a Thermos of cappuccino, and began to cut yet another hole. Again, from the heavens, the voice bellowed:

"THERE ARE NO FISH UNDER THE ICE!"

The Blonde, now quite worried, moved way down to the opposite end of the ice, set up her stool, and tried again to cut her hole. The voice came once more, even louder:

"THERE ARE NO FISH UNDER THE ICE!"

She stopped, looked skyward, and said, " Is that you, Lord?"

The voice replied, "NO, THIS IS THE ICE RINK MANAGER!"

Small town prosecuting attorney

A small town prosecuting attorney called his first witness to the stand in a trial--a grandmotherly, elderly woman. He approached her and asked, "Mrs. Jones, do you know me?"

She responded, "Why, yes, I do know you Mr. Williams. I've known you since you were a young boy. And frankly, you've been a big disappointment to me. You lie, you cheat on your wife, you manipulate people and talk about them behind their

Knut S-C Ojermark

backs. You think you're a rising big shot when you haven't the brains to realize you never will amount to anything more than a two-bit paper pusher.

Yes, I know you." The lawyer was stunned. Not knowing what else to do he pointed across the room and asked, "Mrs. Williams, do you know the defense attorney?"

She again replied, "Why, yes I do. I've known Mr. Bradley since he was a youngster, too. I used to baby-sit him for his parents. And he, too, has been a real disappointment to me. He's lazy, bigoted, he has a drinking problem. The man can't build a normal relationship with anyone and his law practice is one of the shoddiest in the entire state. Yes, I know him." At this point, the judge rapped the courtroom to silence and called both counselors to the bench.

In a very quiet voice, he said with menace, "If either of you asks her if she knows me, you'll be jailed for contempt!"

A priest was walking along the school corridor near the preschool wing when a group of little ones were trotting by on the way to the cafeteria. One little lad of about three or four stopped and looked at him in his clerical clothes and asked, "Why do you dress funny?" He told him that he was a priest and that this is the uniform priests wear. Then the boy pointed to the priest's little plastic collar insert and asked, "Does it hurt? Do you have a Boo-boo?" The priest was perplexed till he realized that to him the collar insert looked like a Band-Aid. So the priest took it out to show him. On the back of the collar there were raised letters giving the name of the manufacturer. The little guy felt the letters, and the priest asked, "Do you know what those words say?" "Yes, I do," said the lad who was not old enough to read. Peering intently at the letters he said, "It says, 'Kills ticks and fleas up to six months!' "

Jogging

It is well documented that for every mile that you jog, you add one minute to your life. This enables you at 85 years old to spend an additional 5 months in a nursing home at \$5000 per month.

My grandmother started walking five miles a day when she was 60.

She's 97 now and we don't know where the hell she is.

The Best of the Net Part II

The only reason I would take up jogging is so that I could hear heavy breathing again.

I joined a health club last year, spent about 400 bucks.

Haven't lost a pound. Apparently you have to show up.

I have to exercise early in the morning before my brain figures out what I'm doing.

I don't exercise at all. If God meant us to touch our toes , he would have put them further up on our body.

I like long walks, especially when they are taken by people who annoy me.

I have flabby thighs, but fortunately my stomach covers them.

The advantage of exercising every day is that you die healthier.

If you are going to try cross-country skiing, start with a small country.

And last but not least:

I don't jog, it makes the ice jump right out of my glass.

"Well, what should I do?" Asks the man.

"Hold the club gently," the pro replies, "just like you'd hold your wife's breast."

The man takes the advice, takes a swing, and POW! He hits the ball 250 yards straight down the fairway. The next day the wife goes for her lesson. After the pro watches her swing, he says, "No, no, no, You're gripping the club way too hard."

"What can I do?" asks the wife. "Hold the club gently, just like you'd hold your husband's penis."

The wife listens carefully to the pro's advice, takes a swing, and THUMP.

The ball goes straight down the fairway, about 35 feet. "That was great," the pro says, "Nice and gentle. Now take the club out of your mouth and swing it like you're supposed to."

Golfing every Saturday and Sunday

-There was this guy who went golfing every Saturday and Sunday, it didn't matter what kind of weather it was he was hooked on a round of golf on his days off.

One Saturday he left the house early and headed for the golf course, but it was so bitter cold that he decided he wouldn't golf that day and went back home. His wife was still in bed when he got there, so he took off his clothes and snuggled up to his wife's backside and said "Terrible weather out there."

She replied, "Yeah, and can you believe my stupid husband went golfing."

Happy Thursday!

A priest was telling his congregation that anything they could think of, old or new, was discussed somewhere in the Bible and that the entirety of the human experience could be found there.

After the service, he was approached by a woman who said, "Father, I don't believe the Bible mentions PMS."

The priest replied that he was sure it must be there somewhere and that he would look for it.

The following week after the service, the priest called the woman aside and showed her a passage which read,...

"...And Mary rode Joseph's ass all the way to Bethlehem."

Shit

What is the most powerful word??

Well, shit.....

Knut S-C Ojermark

Shit may just be the most powerful word in the English language.

You can be shit faced, shit out of luck, or have shit for brains.

With a little effort, you can get your shit together, find a place for your shit, or decide to shit or get off the pot.

You can smoke shit, buy shit, sell shit, lose shit, find shit, forget shit, and tell others to eat shit and die.

Some people know their shit, while others can't tell the difference between shit and shineola.

There are lucky shits, dumb shits, crazy shits, and sweet shits.

There is bull shit, horse shit and chicken shit.

You can throw shit, sling shit, catch shit, or duck when shit hits the fan.

You can give a shit, or serve shit on a shingle.

You can find yourself in deep shit, or be happier than pig in shit.

Some days are colder than shit, some days are hotter than shit, and some days are just plain shitty.

Some music sounds like shit, some things can look like shit, and there are times when you feel like shit.

You can have too much shit, not enough shit, the right shit, the wrong shit, or a lot of weird shit.

You can carry shit, have a mountain of shit, or find yourself up shit creek without a paddle.

Sometimes everything you touch turns to shit; and other times you swim in a lake of shit and come out smelling like a rose.

When you stop to consider all the facts, it's the basic building block of creation. And remember, once you know your shit, you don't need to know anything else!

You could pass this along to a friend if you give a shit

An Irishman arrived at J. F. K. Airport and wandered around the terminal with tears streaming down his cheeks. An airline employee asked him if he was already homesick. "No" replied the Irishman. "I've lost all my luggage"!

"How'd that happen?" The cork fell out said the Irishman.

The trooper says, then why do I smell wine? The priest looks at the bottle and says "Good Lord He's done it again!!"

The doctor then delivered a little girl. He said, "Hey, Boudreaux! You got you a daughter!" She a pretty lil tang, too....

Boudreaux got kind of puzzled by this, and then the doctor said, "Hold on, we still ain't got done yet!"

The doctor then delivered another boy and said, "Boudreaux, you just had yourself another boy!"

In that moment, his mother comes in and hears what he is saying.

"Boudreaux, what are you doing?! Why are you saying that?!"

Boudreaux answered, "I'm doing my Math homework, Mom".

She said, "And is that what your teacher taught you?"

Boudreaux replied, "Yes".

The next day, the mother, worried about the education her son is receiving, goes to Boudreaux's school to talk to the teacher. The mother said to his Math teacher, "I would like to know what you are teaching my son in Math?"

The teacher replied, "Right now, we are learning addition problems."

Boudreaux's mother asked, "And... are you teaching them to say two plus two, that son of a bitch is four?"

When the teacher stopped laughing she replied. "Not at all! What I taught them was

3 blondes

A policeman was interrogating 3 blondes who were training to become detectives. To test their skills in recognizing a suspect, he shows the first blonde a picture for 5 second and then hides it. "This is your suspect, how would you recognize him?"

The first blonde answers, "That's easy, we'll catch him fast because he only has one eye!"

The policeman says, "Well...uh...that's because the picture shows his profile." Slightly flustered by this ridiculous response, he flashes the picture for 5 seconds at the second blonde and asks her, "This is your suspect, how would you recognize him?"

The second blonde giggles, flips her hair and says, "Ha! He'd be too easy to catch because he only has one ear!"

The policeman angrily responds, "What's the matter with you two?? Of course only one eye and one ear are **SHOWING** because it's a picture of his profile!!

Is that the best answer you can come up with?

Extremely frustrated at this point, he shows the picture to the third blonde and in a very testy voice asks, "This is your suspect, how would you recognize him?" He quickly adds "...think hard before giving me an answer."

The blonde looks at the picture intently for a moment and says, "Hmmm...the suspect wears contact lenses."

The policeman is surprised and speechless because he really doesn't know himself if the suspect wears contacts or not. "Well, that's an interesting answer...wait here for a few minutes while I check his file and I'll get back to you on that." He leaves the room and goes to his office, checks the suspect's file in his computer, and comes back with a beaming smile on his face. "Wow! I can't believe

Knut S-C Ojermark

it...it's TRUE! The suspect does in fact wear contact lenses. Good work! How were you able to make such an astute observation?"

"That's easy," the blonde replied. "He can't wear regular glasses because he only has one eye and one ear."

Alert for bears

The Montana State Department of Fish and Wildlife is advising hikers, hunters, fisherman, and golfers to take extra precautions

Knut S-C Ojermark

and to be on the alert for bears while in the Gallatin, Helena, and Lewis and Clark National Forrest.

They advise people to wear noise-producing devices such as little bells on their clothing to alert, but not startle the bears unexpectedly. They also advise carrying pepper spray in case of an encounter with a bear. It is also a good idea to watch for signs of bear activity. People should be able to recognize the difference between black bear and grizzly bear droppings.

Black bear droppings are smaller and contain berries and possibly squirrel fur. Grizzly bear droppings have bells in them and smell like pepper spray.

Orphaned bunny

Once upon a time, in a nice little forest, there lived an orphaned bunny and an orphaned snake. A surprising coincidence was that both were blind from birth. One day, the bunny was hopping through the forest, and the snake was slithering through the forest, when the bunny tripped over the snake and fell down. This, of course, knocked the snake about quite a bit. "Oh, my," said the bunny, "I'm terribly sorry. I didn't mean to hurt you. I've been blind since birth; so, I can't see where I'm going. In fact, since I'm also an orphan, I don't even know what I am." "It's quite okay," replied the snake. "Actually, my story is much the same as yours. I, too, have been blind since birth, and also never knew my mother.??

Tell you what, maybe I could kinda slither over you, and figure out what you are, so at least you'll have that going for you."

"Oh, that would be wonderful," replied the bunny. So the snake slithered all over the bunny, and said, "Well, you're covered with

soft fur; you have really long ears; your nose twitches; and you have a soft cottony tail. I'd say that you must be a bunny."

"Oh, thank you! Thank you," cried the bunny in obvious excitement. The bunny suggested to the snake, "maybe I could feel you with my paw, and the same way you've helped me." So the bunny felt the snake all over, and remarked, "Well, you're scaly and slimy, and you have a forked tongue, no backbone and no balls . . . I'd say you must be either a democrat, a lawyer, or possibly part of upper management."

The next Pope

There were two Catholic boys, Timothy Murphy and Antonio Secola whose lives paralleled each other in amazing ways. In the same year Timothy was born in Ireland, Antonio was born in Italy. Faithfully they attended parochial school from kindergarten through their Senior year in High School. They took their vows to enter the priesthood early in college, and upon graduation became priests. Their careers has come to amaze the world, but it was generally acknowledged that Antonio was just a cut above Timothy in all respects. Their rise through the ranks of Bishop, Archbishop, and finally Cardinal was meteoric to say the least, and the Catholic world knew that when the present Pope died, it would be either Timothy or Antonio who would become the next Pope. In time the Pope did die, and the College of Cardinals went to work. In less time than anyone expected smoke rose from the chimney and the world waited to see who they had chosen. The world, Catholic, Protestant, and secular was surprised to learn that Timothy Murphy had been elected Pope.

Antonio was beyond surprise, he was devastated because, even with all Timothy's giftedness, Antonio knew he was the better qualified. With gall that shocked the Cardinals, Antonio asked for a private session with them in which he candidly asked, "Why Timothy?"

After long silence one old Cardinal took pity on the bewildered Antonio and rose to reply, "We knew you were the better of the two, but we just could not bear the thought of the leader of the Roman Catholic Church being called Pope Secola."

Their first night there, she undresses as he does.

There she stood nude except for a pair of black lacy panties, he in his birthday suit.

Looking at her he asks, "Why the black panties?"

She replies, "My breasts you can fondle, my body is yours to explore, but down there I am still in mourning."

He knows he's not getting lucky that night.

The following night the same scenario. She's standing there with the black panties on, and he is in his birthday suit.....except that on his erection he has a black condom.

She looks at him and asks, "What's with this...a black condom?"

He replies, "I want to offer my deepest condolences."

When I went to lunch today, I noticed this lady about 75-80 years old sitting on a bench near the food court and she was sobbing her eyes out.

I said: "Well, then why are you crying?"

She said: "He makes me homemade soup for lunch and my favorite brownies and then makes love to me half the afternoon.

I said: "Well so why are you crying?"

She said: "For Dinner he makes me a gourmet meal with wine and my favorite dessert and then makes love to me until 2:00 am"

Texas Three-Kick Rule

A big city lawyer went duck hunting in rural Texas. He shot and dropped a bird, but it fell into a farmer's field on the other side of a fence.

As the lawyer climber over the fence, an elderly farmer drove up on his tractor and asked him what he was doing. The litigator responded, "Shot a duck and it fell in this field, and now I'm going in to retrieve it."

Knut S-C Ojermark

The old farmer replied, "This is my property, and you are not coming over here". The indignant lawyer said "I am one of the best trial attorneys in the U.S. and if you don't let me get that duck, I'll sue you and take everything you own".

The old farmer smiled and said "Apparently, you don't know how we do things in rural Texas. We settle small disagreements like this with the Texas Three-Kick Rule".

The lawyer asked, "What is the Texas Three-Kick Rule?"

The farmer replied, "Well, first I kick you three times, and then you kick me three times, and so on, back and forth, until someone gives up".

The attorney quickly thought about the proposed contest and decided that he could easily take the old codger. He agreed to abide by the local custom.

The old farmer slowly climbed down from the tractor and walked up to the city feller. His first kick planted the toe of his heavy work boot into the lawyer's groin and dropped him to his knees. His second kick nearly wiped the legal man's nose off his face. The lawyer was flat on his belly when the farmer's third kick to a kidney nearly caused him to give up.

The lawyer summoned every bit of his will and managed to get to his feet and said "Okay, you old coot, now it's my turn".

The old farmer smiled and said, "Naw, I give up," "You can have the duck".

There's a small pinhole in the top of the gas tank and when it rains, water tends to seep into the gas." At that, the seller pulls out a jar of Vaseline and says, "But just put a little of this over the hole before it rains and no water will get in the gas tank." The buyer thinks it over and decides to buy the bike. After paying the man he makes his way over to his girlfriend's place.

His girlfriend is excited about his purchase and says, "Hey, how about tomorrow we go out for a ride on your motorcycle and after we're done, we can go to my parents house for dinner. You've been promising to meet them for weeks now and it'll be a great way to wind down after our nice ride." The man thinks about it and agrees. Phone calls and plans are then made. The next day the couple go riding for hours and when they're done, they make

their way to the parent's house. Once they arrive, the parents greet them outside and introductions are made.

The mother says, "Well, come on in, dinner's getting cold!" As the parents make their way to the house, the girlfriend pulls her boyfriend aside and says, "Oh, I forgot to tell you. My parents have a rule: whoever talks first during dinner must do the dishes." The boyfriend contemplates this and says, "OK, I understand. I'm not opposed to doing some dishes if I have to." And they make their way toward the house.

Upon entering the house, the boyfriend notices that there are dirty dishes EVERYWHERE! Piled high from floor to ceiling, in every nook and cranny are filthy, dirty dishes. It looks like there haven't been dishes washed in years! Seeing this, the boyfriend decides then and there that there is NO WAY that he's going to be the first one to talk during dinner. As he makes his way to the table, he hatches a plan.

After a few minutes, everyone has started to eat. And, of course, no one has uttered a word. The boyfriend knows that he has to do something to make someone else talk, so he grabs his girlfriend and throws her on the table and proceeds to have sex with her. He then looks at the parents and they are quietly eating their food, not looking up, not making a peep.

The boyfriend can't believe that that didn't get any reaction, so he grabs the mother and throws her on the table and proceeds to have sex with her. The father just sits there, content to eat his dinner in silence. Suddenly, a rumble comes from outside as an approaching thunderstorm starts to make some noise.

The Best of the Net Part II

The boyfriend suddenly jumps up and pulls the jar of Vaseline out of his jacket pocket. At that, the father slams his fist on the table and says, "Alright, damnit! I'll do the damn dishes!!"

"You must be home by 2 a.m. Any later, and your diaphragm will turn into a pumpkin." Cinderella agrees to be home by 2 a.m. The appointed hour comes and goes, and Cinderella doesn't show up.

Senior citizens home

Lewis is a 95 year old man who lives in a senior citizens home. Every light after dinner, Lewis would go to the secluded garden behind the center to sit and ponder his accomplishments and long life.

Knut S-C Ojermark

One evening Annabel, 87 years of age, wanders into the garden and asks if she can join Lewis.

"Of course," Lewis replies. "Have a seat!"

They begin to chat, and before they know it, several hours have passed engaged in pleasant conversation. After a short lull, Lewis turns to Annabel and says, "Do you know what I miss most of all at age 95?".

The lady replies "No, what would that be, Lewis?".

"Sex" Lewis confesses somewhat sheepishly.

"Why, you old fart, you couldn't get it up if I held a gun to your head!"

"I know, but it would be nice if a woman would just hold it for a while," replies Lewis.

"I can oblige," says Annabel, and gently removes his manhood from his trousers, and proceeds simply to hold it.

After a while, they agree to secretly meet every Wednesday night in the garden for friendly conversation and the holding of Lewis's member.

Several weeks go by as agreed. After six or seven weeks, Annabel arrives at their spot, but Lewis is nowhere to be found.

"You old two-timing fossil!" she announces loudly. "I can't believe you stood me up for another woman! What does this hussy have that I don't have?"

Lewis smiles, looks up at her and replies, "Parkinson's."

Frankfurt

The German controllers at Frankfurt Airport were a short-tempered lot.

They not only expected you to know your parking location but how to get there without any assistance from them. So it was with some amusement that we, a PanAm 747, listened to the following exchange between Frankfurt ground and a British Airways 747 (radio call Speedbird 206) after landing.

Speedbird 206: "Good morning, Frankfurt. Speedbird 206 clear of the active."

Ground: "Guten morgan, taxi to your gate."

Ground: "Speedbird, do you not know where you are going?"

New Yorker

A Frenchman, an Englishman, and a New Yorker were captured by cannibals. The chief comes to them and says, "The bad news is that now we've caught you and we're going to kill you. We will put you in a pot, cook you, eat you, and then we're going to use your skins to build a canoe. The good news is that you can choose how to die."

The Frenchman says, "I take ze sword." The chief gives him a sword, the Frenchman says, "Vive la France!" and stabs himself to death.

The Englishman says, "a pistol for me please." The chief gives him a pistol, the Englishman points it at his head, says, "God save the queen!" and blows his brains out.

The New Yorker says, "Gimme a fork." The chief is puzzled, but he shrugs and gives him a fork. The New Yorker takes the fork and starts jabbing himself all over-his stomach, sides, and his chest. There is blood gushing out all over.

The chief is appalled and asks, "My God, what are you doing?"

Knut S-C Ojermark

And the New Yorker responds, "So much for your canoe, you stupid fuck!"

THE PRICE

In the Hospital the relatives gathered in the waiting room, where their family member lay gravely ill.

Finally, the doctor came in looking tired and somber. I'm afraid I'm the bearer of bad news," he said as he surveyed the worried faces. "The only hope left for your loved one at this time is a brain transplant. It's an experimental procedure, semi-risky, and you will have to pay for the brain yourselves."

The family members sat silent as they absorbed the news. After a great length of time, someone asked, "Well, how much does a brain cost?"

The doctor quickly responded, "\$5,000 for a male brain, and \$200 for a female brain."

The moment turned awkward. Men in the room tried not to smile, avoiding eye contact with the women, but some actually smirked. A man, unable to control his curiosity, blurted out the question everyone wanted to ask, "Why is the male brain so much more?" The doctor smiled at the childish innocence and so to the entire group said, "It's just standard pricing procedure. We have to mark down the price of the female brains, because they've been used."

Vaseline Research

A man doing market research knocked on a door and was greeted by a young woman with three small children running around at her feet.

He said, "I'm doing some research for Vaseline. Have you ever used the product?"

She said, "Yes. My husband and I use it all the time."

"And if you don't mind me asking, what do you use it for?"
"We use it for sex."

The researcher was a little taken aback. He said, "Usually people lie to me and say that they use it on a child's bicycle chain or to help with a gate hinge. But, in fact, I know that most people do use it for sex."

I admire you for your honesty. Since you've been frank so far, can you tell me exactly how you use it for sex?"

The woman said, "I don't mind telling you at all. My husband and I put it on the door knob and it keeps the kids out."

Blond Bank Robbers

Two blondes decided to rob a bank together. The first blonde, Judy, planned the robbery and went over the plan with the second blonde, Buffie, in great detail.

The robbery began. Judy drove up in front of the bank, stopped the car and said to Buffie, "I want to make absolutely sure you

Knut S-C Ojermark

understand the plan. You are supposed to be in and out of the bank in no more than three minutes with the cash. Do you understand the plan?"

"Perfectly," replied Buffie.

Buffie went in the bank while Judy waited in the getaway car. One minute passed...three minutes pass...seven minutes pass... and Judy was really stressing out. Finally, the bank doors burst open! And here came Buffie. She had a safe wrapped up in rope and is dragging it to the car.

About the time she got the safe in the trunk of the car, the bank doors burst open again with the security guard coming out. The guard's pants and underwear are down around his ankles while he was firing his weapon. As the gals are getting away, Judy yelled, "You are such a blonde! I thought you understood the plan!"

Buffie said, "I did. I did exactly what you said!"

"No, you idiot!" snapped Judy. "You got it all mixed up. I said, 'Tie up the GUARD and blow the SAFE!'"

Circle Flies

A farmer got pulled over by a state trooper for speeding, and the trooper started to lecture the farmer about his speed, and in general began to throw his weight around to try to make the farmer uncomfortable. Finally, the trooper got around to writing out the ticket, and as he was doing that he kept swatting at some flies that were buzzing around his head.

So the farmer says-"Well, circle flies are common on farms. See, they're called circle flies because they're almost always found circling around the back end of a horse."

The trooper says, "Oh," and goes back to writing the ticket. Then after a minute he stops and says, "Hey...wait a minute, are you trying to call me a horses ass?"

The farmer says, "Oh no, officer. I have too much respect for law enforcement and police officers to even think about calling you a horses ass."

The trooper says, "Well, that's a good thing," and goes back to writing the ticket.

After a long pause, the farmer says, "Hard to fool them flies though."

The bear goes to the end of the bar, and as promised, eats the woman. He comes back to his seat and again demands a beer. The bartender states, "Sorry, we don't serve beer to belligerent, bully bears in bars in Billings who are on drugs."

But Officer!

A police officer pulls a guy over for speeding and has the following exchange:

Officer: May I see your driver's license?

Driver: I don't have one. I had it suspended when I got my 5th DUI.

Officer: May I see the owner's card for this vehicle?

Driver: It's not my car. I stole it.

Officer: The car is stolen?

Driver: That's right. But come to think of it, I think I saw the owner's card in the glove box when I was putting my gun in there.

Knut S-C Ojermark

Officer: There's a gun in the glove box?

Driver: Yes sir. That's where I put it after I shot and killed the woman who owns this car and stuffed her in the trunk.

Officer: There's a BODY in the TRUNK?

Driver: Yes, sir.

Hearing this, the officer immediately called his captain. The car was quickly surrounded by police, and the captain approached the driver to handle the tense situation:

Captain: Sir, can I see your license?

Driver: Sure. Here it is. It was valid.

Captain: Who's car is this?

Driver: It's mine, officer. Here's the owner' card. The driver owned the car.

Captain: Could you slowly open your glove box so I can see if there's

a gun in it?

Driver: Yes, sir, but there's no gun in it. Sure enough, there was nothing in the glove box.

Captain: Would you mind opening your trunk? I was told you said there's a body in it.

Driver: No problem. The trunk is opened; no body.

Captain: I don't understand it. The officer who stopped you said you told him you didn't have a license, stole the car, had a gun in the glovebox, and that there was a dead body in the trunk.

Driver: Yeah, I'll bet he told you I was speeding, also!

The Schnauzer asks the poodle, "Why are you here?"

The Poodle responds, "I've not been myself lately. I've been especially high strung. I've been barking all the time, I've been snapping at people and I even bit one of the neighbor's kids. Nobody knows why this has been happening. My owner says he can't risk me biting somebody else so he brought me here to be put to sleep."

The Poodle and Schnauzer ask the Great Dane why he is here.

The Great Dane responds, "My owner is this beautiful runway model. Yesterday she was walking around the house naked when she suddenly bent down to pick up something she dropped. She was bent over and naked when nature took over and the next thing I know I'm on top of her doing the doggie thing. I couldn't help myself. "

The Poodle asks, "So your owner brought you here to be put to sleep?"

The Great Dane says, "No, I'm just here to get my nails trimmed."

Shepherd

A shepherd was tending his flock in a remote pasture when suddenly a brand-new Jeep Cherokee appeared out of a dust cloud, advanced toward him and stopped.

The driver, a 20-year-old young man wearing a Brioni suit, Gucci shoes, Ray Ban sunglasses and a YSL tie, leaned out of the window and asked our shepherd, "If I can tell you exactly how many sheep you have in your flock, will you give me one?"

The shepherd looked at the young guy, then at his peacefully grazing flock, and calmly answered, "Sure." The young man parked his car, whipped out his notebook computer, connected it to a cellphone, surfed to a NASA page on the Internet where he called up a GPS satellite navigation system, scanned the area, then opened up a database and some Excel spreadsheets with complex formulas. He finally printed out a 150-page report on his hi-tech miniaturized printer, turned around to our shepherd and said, "You have here exactly 1,586 sheep!"

"Amazing! That's correct! Like I agreed, you can take one of my sheep," said the shepherd. He watched the young guy make a selection and bundle it into his Cherokee. When he was finished, the shepherder said, "If I can tell you exactly what your political persuasion is, where you're from and who you work for, will you give me my sheep back?"

"Okay, why not," answered the young man.

Further Proof of Stupidity:

<< In case you needed further proof that the human race is doomed through stupidity, here are some actual label instructions on consumer goods.

On a Sears hairdryer: "Do not use while sleeping."
(Gee that's the only time I have to work on my hair.)

On a bag of Fritos:
"You could be a winner! No purchase necessary. Details inside."
(The shoplifter special)

On a bar of Dial soap:
"Directions: Use like regular soap."
(And that would be how ...?)

The Best of the Net Part II

On some Swanson frozen dinners:

"Serving suggestion: Defrost."

(But its "just" a suggestion)

On Tesco's Tiramisu dessert (printed on bottom):

"Do not turn upside down."

(Too late!)

On Marks & Spencer Bread Pudding:

"Product will be hot after heating."

(As night follows day . . .)

On packaging for a Rowenta iron:

"Do not iron clothes on body."

(But wouldn't this save me more time?)

On Boot's Children Cough Medicine:

"Do not drive a car or operate machinery after taking this medication."

(We could do a lot to reduce the rate of construction accidents if we

could

just get those 5-year-olds with head-colds off those forklifts.)

On Nytol Sleep Aid:

"Warning: May cause drowsiness."

(One would hope.)

On most brands of Christmas lights:

"For indoor or outdoor use only."

(As opposed to what?)

Knut S-C Ojermark

On a Japanese food processor:

"Not to be used for the other use."

(I gotta admit, I'm curious.)

On Sainsbury's peanuts:

"Warning: contains nuts."

(Talk about a news flash.)

On an American Airlines packet of nuts:

"Instructions: Open packet, eat nuts."

(Step 3: Fly Delta.)

On a child's superman costume:

"Wearing of this garment does not enable you to fly."

(I don't blame the company. I blame parents for this one.)

On a Swedish chainsaw:

"Do not attempt to stop chain with your hands or genitals."

(Was there a lot of this happening somewhere? My God!)

Now that you've laughed your head off it's your turn to spread the stupidity and send this to someone you want to have a good laugh...in other words send it to everyone. We all need a good smile every once in a while.

Computers vs Cars compared

At a recent computer expo, Bill Gates reportedly compared the computer industry with the auto industry and stated "if GM had

The Best of the Net Part II

kept up with the technology like the computer industry has, we would all be driving \$25.00 cars that got 1,000 miles to the gallon."

In response to Bill's comments, General Motors issued a press release stating: If GM had developed technology like Microsoft, we would all be driving cars with the following characteristics:

01. For no reason whatsoever, your car would crash twice a day.
02. Every time they repainted the lines in the road, you would have to buy a new car.
03. Occasionally your car would die on the freeway for no reason. You would have to pull over to the side of the road, close all of the car windows, shut it off, restart it, and reopen the windows before you could continue. For some reason you would simply accept this.
04. Occasionally, executing a maneuver such as a left turn would cause your car to shut down and refuse to restart, in which case you would have to reinstall the engine.
05. Only one person at a time could use the car unless you bought "CarNT," but then you would have to buy more seats.
06. MacIntosh would make a car that was powered by the sun, was reliable, five times as fast and twice as easy to drive -- but would only run on five percent of the roads.
07. The oil, water temperature, and alternator warning lights would all be replaced by a single "General Protection Fault" warning light.

Knut S-C Ojermark

08. New seats would force everyone to have the same sized butt.

09. The airbag system would ask "are you SURE?" before deploying.

10. Occasionally, for no reason whatsoever, your car would lock you out and refuse to let you in until you simultaneously lifted the door handle, turned the key and grabbed hold of the radio antenna.

11. GM would require all car buyers to also purchase a deluxe set of Rand McNally road maps (now a GM subsidiary), even though they neither need nor want them. Attempting to delete this option would immediately cause the car's performance to diminish by 50% or more. Moreover, GM would become a target for investigation by the Justice Dept.

12. Every time GM introduced a new car, car buyers would have to learn to drive all over again because none of the controls would operate in the same manner as the old car.

13. You'd have to press the "Start" button to turn the engine off.

The Hypnotist

The town Fathers were looking for a way to increase attendance and participation at their regular meetings. One member suggested bringing in a hypnotist. The officials agreed. A famous

The Best of the Net Part II

hypnotist was hired, publicity distributed, and everyone was pleased.

A few weeks later the meeting hall was packed, and the townspeople sat fascinated as the hypnotist withdrew a pocket watch.

The hypnotist began chanting, "Watch the watch, watch the watch, watch the watch, watch the watch..." The crowd became mesmerised as the watch swayed back and forth, the light gleaming off its polished surface.

Two hundred of pairs of eyes followed the swaying watch, until suddenly the hypnotist's fingers slipped and the watch fell to the floor and smashed. "Shit," said the hypnotist.

It took three weeks to clean up the town hall....

Parrot

A young man named John received a parrot as a gift. The parrot had bad attitude and an even worse vocabulary. Every word out of this bird's mouth was rude, obnoxious and laced with profanity. John tried and tried to change the bird's attitude by constantly saying polite words, playing soft music, and anything he could think of to set a good example. Nothing worked.

Finally, John got fed up and he yelled at the parrot. And, the bird yelled back. John shook the parrot, and the bird got angrier and ruder.

Knut S-C Ojermark

Finally, in a moment of desperation, John put the bird in the refrigerator freezer.

For a few minutes, John heard the bird squawk and kick and scream... then suddenly there was quiet. Not a peep for over a minute. Fearing that he'd hurt the bird, John quickly opened the door to the freezer. The parrot calmly stepped out onto John's outstretched arm and said, "I believe I may have offended you with my rude language and actions. I am truly sorry, and I will do everything to correct my poor behavior."

John was astonished at the bird's change of attitude. As he was about to ask the parrot what had made such a dramatic change in his behavior, the bird continued, "May I ask what the chicken did?"

10 million dollars

A Mafia Godfather finds out that one of his underlings has screwed him for ten million bucks.

This underling happens to be deaf, so the Godfather brings along his attorney, who knows sign language.

The Godfather asks the underling: "Where is the 10 million bucks you embezzled from me?"

The attorney, using sign language, asks the underling where the 10 million dollars is hidden.

The underling signs back: "I don't know what you are talking about."

The Best of the Net Part II

The attorney tells the Godfather: "He says he doesn't know what you're talking about."

That's when the Godfather pulls out a 9 mm pistol, puts it to the underling's temple, cocks it and says: "Ask him again!"

The attorney signs to the underling: "He'll kill you for sure if you don't tell him!"

The underling signs back: "OK! You win! The money is in a brown briefcase, buried behind the shed in my cousin Enzo's backyard in Queens!"

The Godfather asks the attorney: "Well, what'd he say?"

The attorney replies: "He says you don't have the balls to pull the trigger."

Billy Bob and his brother Lester

Billy Bob and his brother Lester were talking one afternoon when Billy Bob tells Lester, "Ya know, I reckon I'm about ready for a vacation. Only this year I'm gonna do it a little different. The last few years, I took your suggestions as to where to go. Three years ago you said to go to Hawaii. I went to Hawaii and Marie got pregnant. Then two years ago, you told me to go to the Bahamas, and Marie got pregnant again. Last year you suggested Tahiti and darned if Marie didn't get pregnant again."

Lester asks Billy Bob, "So, what you gonna do this year that's different?"

Billy Bob says, "This year I'm taking Marie with me."

Bush and the Queen

President Bush is representing the United States of America on a highly formal, impeccably planned state visit to England. At Heathrow, a 300-foot long red carpet is stretched out to Air Force One and Mr. Bush strides to a warm but dignified handshake from Queen Elizabeth II.

They ride in a silver 1934 Bentley limousine to the edge of central London where they board an open 17th century coach hitched to six magnificent white matching horses. As they ride toward Buckingham Palace, each looking sideways and waving to the thousands of cheering Britons lining the streets, all is going well. But suddenly the right rear horse lets fly with the most horrendous, earth-rending, eye-smarting blast of gastronomic flatulence ever heard in the British Empire, including Bermuda, Tortola and the Falkland Islands. It shakes the coach.

Uncomfortable, but under control, the two dignitaries of state do their best to ignore the whole incident but then the Queen decides that's ridiculous. She turns to Mr. Bush and explains, "Mr. President, please accept my regrets....I'm sure you understand that there are some things that even a Queen cannot control".

George W. Bush, ever the gentleman, replies, "Your Majesty, please don't give the matter another thought.....you know, if you hadn't said something I would have thought it was one of the horses."

The Best of the Net Part II

A blonde went to a flight school

insisting she wanted to learn to fly that day. As all the planes were currently in use, the owner agreed to instruct her on how to pilot the helicopter solo by radio.

He took her out, showed her how to start it and gave her the basics and sent her on her way.

After she climbed 1000 feet, she radioed in. "I'm doing great! I love it! The view is so beautiful, and I'm starting to get the hang of this. After 2000 feet, she radioed again, saying how easy it was becoming to fly. The instructor watched her climb over 3000 feet and was beginning to worry that she hadn't radioed in.

A few minutes later, he watched in horror as she crashed about half a mile away. He ran over and pulled her from the wreckage. When he asked what happened, she said, "I don't know! Everything was going fine, but as I got higher, I was starting to get cold. I can't remember anything after I turned off the big fan."

Hurts All Over

A young brunette goes into the doctor's office and says that her body hurts wherever she touches it.

"Impossible," says the doctor. "Show me."

Knut S-C Ojermark

She takes her finger and pushes her elbow and screams in agony. She pushes her knee and screams, pushes her ankle and screams and so it goes on.

The doctor says, "You're not really a brunette are you? You're really a blonde."

She says, "Yes doctor".

"I thought so," the doctor says. "Your finger is broken."

History...

Also notice it goes in increments of 20 years.

And LOOK! Last year is where it landed

1840: William Henry Harrison (Died in Office)

1860: Abraham Lincoln (Assassinated)

1880: James A. Garfield (Assassinated)

1900: William McKinley (Assassinated)

1920: Warren G. Harding (Died in Office)

1940: Franklin D. Roosevelt (Died in Office)

And to think that we had 2 guys duking it out in the courts to be the one elected in 2000.

Have a history teacher explain this----If they can.

Abraham Lincoln was elected to Congress in 1846.
John F. Kennedy was elected to Congress in 1946.

Abraham Lincoln was elected President in 1860.
John F. Kennedy was elected President in 1960.

Both were particularly concerned with civil rights.
Both wives lost their husbands while living in the White House.

Both Presidents were shot on a Friday.

Both Presidents were shot in the head.

Lincoln's secretary was named Kennedy.
Kennedy's secretary was named Lincoln.

Both were assassinated by Southerners.
Both were succeeded by Southerners named Johnson.

Andrew Johnson, who succeeded Lincoln, was born in 1808.
Lyndon Johnson, who succeeded Kennedy, was born in 1908.

John Wilkes Booth, who assassinated Lincoln, was born in 1839.
Lee Harvey Oswald, who assassinated Kennedy, was born in 1939.

Both assassins were known by their three names.

Knut S-C Ojermark

Both names are composed of fifteen letters.

Lincoln was shot at the theater named 'Ford.'

Kennedy was shot in a car called 'Lincoln' made by Ford.

Booth ran from the theater and was caught in a warehouse.

Oswald ran from a warehouse and was caught in a theater.

Booth and Oswald were assassinated before their trials.

And here's the kicker:

A week before Lincoln was shot, he was in Monroe, Maryland.

A week before Kennedy was shot, he was with Marilyn Monroe.

Creepy, huh?

Golf balls

A young couple gets married, and the groom asks his bride if he can have a dresser drawer of his own that she will never open. The bride agrees.

After 30 years of marriage, she notices that his drawer has been left ajar. She peeks in and sees 3 golf balls and \$6,000.

She confronts her mate with her findings, and asks for an explanation. He explains "Every time I was unfaithful to you, I put a golf ball in the drawer."

Speeding Humor

A fellow bought a new Mercedes and was out on an interstate road for a nice evening drive.

The top was down, the breeze was blowing through his hair and he decided to speed her up. As the needle jumped up to 80mph he suddenly saw a flashing red and blue light behind him.

"There ain't no way they can catch a Mercedes," he thought to himself and speed up faster. The needle hit 90, 100 110 and finally 120 with the lights still behind him.

"What in hell am I doing?" he thought and pulled over.

The cop came up to him, took his license without a word and examined it and the car.

"I've had a tough shift and this is my last pull over. I don't feel like more paperwork so if you can give me an excuse for your driving that I haven't heard before you can go!"

"Last week my wife ran off with a cop," the man said, "and I was afraid you were trying to give her back!"

"Have a nice night", said the officer.

Adam

One day The Lord came to Adam, and said, "I've got some good news and some bad news".

Adam said, "Well, give me the good news first."

The Lord explained, "I've got two new organs for you.

One is called a brain. It will allow you to create new things, solve problems, and have intelligent conversations with Eve.

The other organ I have for you is called a penis. It will give you great physical pleasure and allow you to reproduce your now intelligent life form and populate this planet. Eve will be very happy that you now have this organ to give her children."

Adam, very excited, exclaimed, "These are great gifts you have given to me. What could possibly be bad news after such great tidings?" The Lord looked upon Adam and said with great sorrow, "You will never be able to use these two gifts at the same time."

"My darling Susan," he whispered.

"Hush, my love," she said. "Rest. Don't talk."

He was insistent. "Susan," he said in his tired voice. "I have something I must confess to you."

"There's nothing to confess," replied the weeping Susan. "Everything's all right, go to sleep."

"No, no. I must die in peace, Susan. I slept with your sister, your best friend, and your mother."

"I know," she replied. "That's why I poisoned you."

Ventriloquist

A young ventriloquist touring the clubs is doing a show in a small town in Arkansas. With his dummy on his knee, he's going through his usual dumb blonde jokes when a blonde woman in the 4th row stands on her chair and shouts: "I've heard enough of your stupid blonde jokes.

What makes you think you can stereotype women that way? What does the color of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person because you and your kind

Knut S-C Ojermark

continue to perpetuate discrimination against, not only blondes, but women in general...and all in the name of humor".

Quite taken aback, the embarrassed ventriloquist begins to apologize but the blonde yells, "You stay out of this, mister! I'm talking to that little bastard on your knee."

Bread Color clips

You learn something new every day! If you buy bread look at the twist ties! I thought this was very interesting so we looked in the grocery store and the bread wrappers do have different colored twist ties, and even the ones with the plastic clips have different colors.

When you buy bread in the grocery store, have you ever wondered which is the freshest, so you "squeeze" for freshness or softness. Did you know that bread is delivered fresh to the stores five days a week? Monday, Tuesday, Thursday, Friday Saturday. And each day has a different color twist tie or plastic clip.

They are:

- Monday - Blue
- Tuesday - Green
- Thursday - Red
- Friday - White

The Best of the Net Part II

- Saturday - Yellow

So if today is Thursday, you would want a red twist tie not white which is Friday (almost a week old?)

The colors go alphabetically by color Blue - Green- Red-White - Yellow, Monday thru Saturday. Very easy to remember.

Enjoy your fresh bread when you buy bread with the right color tie or plastic clip on the day you are shopping.

Many women are afraid of their first mammogram, but there is no need to worry. By taking a few minutes each day for a week preceding the exam and doing the following practice exercises, you will be totally prepared for the test, and best of all, you can do these simple practice exercises right in your home.

EXERCISE 1:

Open your refrigerator door and insert one breast between the door and the main box. Have one of your strongest friends slam the door shut as hard as possible and lean on the door for good measure. Hold that position for five seconds. Repeat again in case the first time wasn't effective enough.

EXERCISE 2:

Visit your garage at 3 AM when the temperature of the cement floor is just perfect. Take off all your clothes and lie comfortably on the floor with one breast wedged under the rear tire of the car. Ask a friend to slowly back the car up until your breast is sufficiently flattened and chilled. Turn over and repeat for the other breast.

EXERCISE 3:

Freeze two metal bookends overnight. Strip to the waist. Invite a stranger into the room. Press the bookends against one of your breasts. Smash the bookends together as hard as you can. Set an appointment with the stranger to meet next year and do it again. You are now properly prepared. I've learned....That the less time I have to work with, the more things I get done.

To all of you.... Make sure you read all the way down to the last sentence. You can put a knife in a man and draw it out. It won't matter how many times you say I'm sorry, the wound is still there. A verbal wound is as bad as a physical one. Friends are very rare jewels, indeed. They make you smile and encourage you to succeed. They lend an ear, they share words of praise and they always want to open their hearts to us.

Old lady

A little old lady walked into the head branch of the Chase Manhattan Bank holding a large paper bag in her hand. She told the young man at the window that she wished to take the \$3 million she had in the bag and open an account with the bank. She said that first, though, she wished to meet the president of Chase Manhattan Bank due to the large amount of money involved. The teller seemed to think that this was a reasonable request, and after opening the paper bag and seeing bundles of \$1000 bills which amounted to about \$3 million, telephoned the bank's president's secretary to obtain an appointment for the lady.

The lady was escorted upstairs and ushered into the president's office. Introductions were made and she stated that she liked to get to know the people she did business with on a more personal level. The bank president then asked her how she came into such a large sum of money.

Knut S-C Ojermark

"Was it an inheritance? he asked.

"No," she replied. He was quiet for a minute, trying to think where this little old lady could possibly have come into \$3 million.

"I bet," she said.

"You bet?" repeated the bank president, "as in horses?"

"No." she replied, "I bet on people."

Seeing his confusion, she explained that she just bet different things with people. All of a sudden she said, "I'll bet you \$35,000 that by tomorrow morning your testicles will be square." The bank president figured that she must be off her rocker and decided to take her up on her bet. He didn't see how he could lose. For the rest of the day the bank president was very careful. He decided to stay home that evening and take no chances--there was \$35,000 at stake.

When he got up in the morning and took his shower, he checked to make sure that everything was OK. There was no difference, he looked the same as he always had. He went to work and waited for the little old lady to come in at 10:00, humming as he went. He knew that this would be a good day--how often do you get handed \$35,000 for doing nothing?" At 10:00 sharp, the little old lady was shown into his office. With her was a younger man. When he inquired as to the man's purpose for being there, she informed him that he was her lawyer

The Best of the Net Part II

and that she always took him along whenever there was this much money involved.

"Well," she asked "What about our bet?"

"I don't know how to tell you this," he replied, "But I'm the same as I've always been, only \$35,000 richer!"

"The lady seemed to accept this, but requested that she be able to see for herself. The bank president thought that this was a reasonable and dropped his trousers. She instructed him to bend over, ! then she grabbed hold of him. Sure enough, everything was fine. The bank president then looked up and saw her lawyer standing across the room banging his head against the wall.

"What's wrong with him?", he inquired.

"Oh him?", she replied. "I bet him \$100,000 that by 10:00 this morning I'd have the President of Chase Manhattan Bank by the balls."

A New Harley Owner

This guy has always dreamed of owning a Harley Davidson. One day he has finally saved up enough money so he goes down to the dealer. After he picks out the perfect bike, the dealer tells him about an old biker trick that will keep the chrome on his new bike free from rust. The dealer tells him that all he has to do is to keep a jar of Vaseline handy and put it on the chrome before it rains, and everything will be fine. He happily pays for the bike and leaves. A few months later, the young man meets a woman and falls in love. She asks him to come home and meet her parents over dinner. He readily accepts and the date is set. At the appointed time, he picks her up on his Harley and they ride to her parents house. Before they go in, she tells him that they have a family tradition that whoever speaks first after dinner must do the dishes. After a delicious dinner everyone sits in silence waiting for the first person to break the silence and get stuck doing the dishes. After a long fifteen minutes, the young man decides to speed things up, so he reaches over and kisses his woman in front of her family. No one says a word. Emboldened, he slips his hand under her blouse and fondles her breasts. Still no one says a word. Finally, he throws her on the table and has sex with her in front of everyone. No one says a word. Now he is getting desperate, so he grabs her mother and throws HER on the table. They have even wilder sex. Still no one speaks. By now he is thinking what to do next when he hears thunder in the distance. His first thought is to protect the chrome on his Harley, so he gets

his jacket, reaches in his pocket and pulls out his jar of Vaseline. The father says, "Okay dammit, I'll do the dishes!"

Bill Gates died in a car accident.

He found himself in Purgatory being sized up by God ... Well, Bill, I'm really confused on this call. I'm not sure whether to send you to Heaven or Hell. After all, you enormously helped society by putting a computer in almost every home in the world and yet you created that ghastly Windows 95. I'm going to do something I've never done before. In your case, I'm going to let you decide where you want to go!" Bill replied, "Well, thanks, God. What's the difference between the two?"

! God said, "I'm willing to let you visit both places briefly if it will help you make a decision." "Fine, but where should I go first?"

God said, "I'm going to leave that up to you."

Bill said, "OK, then, let's try Hell first." So Bill went to Hell.

It was a beautiful, clean, sandy beach with clear waters. There were thousands of beautiful women running around, playing in the water, laughing and frolicking about. The sun was shining, the temperature was perfect. Bill was very pleased. "This is great!" he told God. "If this is Hell, I REALLY want to see Heaven!"

"Fine," said God and off they went. &g! t; Heaven was a high place in the clouds, with angels drifting about playing harps and singing. It was nice but not as enticing as Hell.

Knut S-C Ojermark

Bill thought for a quick minute and rendered his decision. "Hmm, I think I prefer Hell" he told God.

"Fine," retorted God, "as you desire." So Bill Gates went to Hell.

Two weeks later, God decided to check up on the late billionaire to see how he was doing in Hell. When God arrived in Hell, he found Bill shackled to a wall, screaming amongst hot flames in a dark cave. He was being burned and tortured by demons.

"How's everything going, Bill?" God asked.

Bill responded - his voice full of anguish and disappointment, "This is awful, this is not what I expected. I can't believe this happened. What happened to that other place with the beaches and the beautiful women playing in the water?"

God says "That was the screen saver"

Love and life

1. It hurts to love someone and not be loved in return, But what is more painful is to love someone and never find the courage to let that person know how you feel.
2. A sad thing in life is when you meet someone who means a lot to you, only to find out in the end that it was never meant to be and you just have to let go.

5. It takes only a minute to get a crush on someone, an hour to like someone, and a day to love someone-but it takes a lifetime to forget someone.

6. Don't go for looks; they can deceive. Don't go for wealth; even that fades away. Go for someone who makes you smile because it takes only a smile to make a dark day seem bright.< BR

Cannibals

An airplane full of a shipment of Pepsi flying over Africa had a malfunction, and went down. A few weeks later, the Pepsi Company sent a rescue plane. They searched the area and found a tribe of cannibals. They walked up to the Chief of the tribe and asked him if he knew anything about the crash.

The Chief said, "You betcha!"

When asked where the crew was, the Chief replied, "We ate the crew, and we drank the Pepsi." The Rescue crew was shocked.

One man asked, "Did you eat their legs?"

The chief replied, "We ate their legs, and we drank the Pepsi."

Another rescuer asked, "Did you eat their arms?"

The Chief replied, "We ate their arms, and we drank the Pepsi."

After looking totally perplexed for a minute, a third asked, "Did you...you know... eat, their...'things'?"

The chief said, "No."

"No?" asked the rescuer.

"No," replied the Chief. "THINGS go better with Coke."

Have you ever wondered where and how yodeling began????

Many years ago a man was traveling through the mountains of Switzerland. Nightfall was rapidly approaching, and he had nowhere to sleep. He went to a farmhouse and asked the farmer if he could spend the night.

The farmer told him that he could sleep in the barn.

As the story goes, the farmer's daughter came down from upstairs and asked her father, "Who was that man going into the barn?"

"That's some fellow traveling through," said the farmer. "He needed a place to stay for the night, so I said that he could sleep in the barn."

The daughter said, "Perhaps he is hungry." So she prepared him a plate of food and took it out to the barn. About an hour later, the daughter returned her clothing disheveled and straw in her hair. Straight up to bed she went.

The farmer's wife was very observant. She then suggested that perhaps the man was thirsty. So she fetched a bottle of wine, took it out to the barn, and she too did not return for an hour. Her clothing was askew, her blouse buttoned incorrectly, and her hair all messed up. She also headed straight to bed.

The next morning at sunrise the man in the barn got up and continued on his journey, waving to the farmer as he left.

When the daughter awoke and learned that the visitor was gone, she broke into tears. "How could he leave without even saying

Knut S-C Ojermark

good-bye," she cried, "after we made such passionate love last night???"

"What?" shouted the father, and angrily ran out of the house looking for the man, who by now was halfway up the mountain.

The farmer screamed up at him, "I'm gonna get you! You lousy SOB! You had sex with my daughter!"

The man looked back down from the mountain side, cupped his hands to his mouth, and yelled out, "ILAIDTHEOLADEETOO!"

Explain that

There was this couple that had been married for 20 years. Every time they made love the husband always insisted on shutting off the lights. Well, after 20 years the wife felt this was ridiculous. She figured she would break him out of this crazy habit, so one night, while they were in the middle of a wild, screaming, romantic session, she turned on the lights. She looked down and saw her husband was holding a battery operated pleasure device...a vibrator... soft, wonderful and larger than a real one. She goes completely ballistic. "You impotent bastard," she screamed at him, "How could you be lying to me all of these years? You better explain yourself!" The husband looks her straight in the eyes and says calmly: "I'll explain the toy... if you explain the kids.

Triplets

A woman pregnant with triplets was walking down the street when a masked robber runs out of a bank and shoots her three times in the abdomen. Luckily the babies were okay. The surgeon

decides to leave the bullets in because it's too risky to operate. She gives birth to two healthy daughters and a healthy son.

They were fine for 16 years, and then one daughter walked into the room in tears. "What's wrong?" asks the mother. "I was urinating and this bullet came out," replied the daughter. The mother tells her it's okay and explains what happened 16 years ago. About a week later the second daughter walked into the room in tears. "Mom, I was urinating and this bullet came out." Again the mother tells her not to worry and explained what happened 16 years ago.

A week later her son walked into the room in tears. "It's okay," says his Mom, "I know what happened... you were urinating and a bullet came out." "No," says the boy, "I was masturbating and I shot the dog!"

Captain Bravado

Once upon a time, there was an officer of the Royal Navy named Captain Bravado who showed no fear when facing his enemies. One day, while sailing the Seven Seas, his lookout spotted a pirate ship approaching, and the crew became frantic. Captain Bravado bellowed, "Bring me my red shirt!" The first mate quickly retrieved the captain's red shirt, and while wearing the brightly colored frock, the Captain led his crew into battle and defeated the mighty pirates.

That evening, all the men sat around on deck recounting the

The Best of the Net Part II

triumph of earlier. One of them asked the Captain, "Sir, why did you call for your red shirt before battle?"

The Captain replied, "If I were to be wounded in the attack, the shirt would not show my blood. Thus, you men would continue to fight, unafraid." All of the men sat and marveled at the courage of such a manly man's man. As dawn came the next morning, the lookout spotted not one, not two, but TEN pirate ships approaching. The crew stared in worshipful silence at the Captain and waited for his usual orders.

Captain Bravado gazed with steely eyes upon the vast armada arrayed against his ship, and without fear, turned and calmly shouted, "Get me my brown pants".

AND HOW IS YOUR DAY GOING?????

An insurance company asked for more information regarding a work-related accident claim. This was the response: "I put 'poor planning' as the cause of my accident. I am an amateur radio operator and was working on the top section of my new 80 foot tower. When I had completed my work, I discovered that I had, over the course of several trips up the tower, brought up about 300 pounds of tools and spare hardware. Rather than carry the materials down by hand, I decided to lower the items using a pulley. Securing the rope at ground level, I went to the top of the tower and loaded the tools into a small barrel.

Then I went back to the ground and untied the rope, holding it tightly to ensure a slow descent of the 300 pounds of tools. You will note in block number 11 of the accident report that I weigh

Knut S-C Ojermark

155 pounds. Due to my surprise of being jerked off the ground so suddenly, I lost my presence of mind and forgot to let go of the rope. I proceeded at a rather rapid rate of speed up the side of the tower. In the vicinity of the 40 foot level, I met the barrel coming down.

This explains my fractured skull and broken collarbone. Slowed only slightly, I continued my rapid ascent, not stopping until the fingers of my right hand were two knuckles deep into the pulley. I regained my presence of mind and was able to hold onto the rope in spite of my pain. At the same time, however, the barrel of tools hit the ground and the bottom fell out of the barrel. Devoid of the weight of the tools, the barrel now weighed approximately 20 pounds. I refer you again to my weight in block number 11. As you might imagine, I began a rapid descent down the side of the tower. In the vicinity of the 40 foot level, I met the barrel coming up. This accounts for the two fractured ankles, and the lacerations of my legs and lower body.

The encounter with the barrel slowed me enough to lessen my injuries when I fell onto the pile of tools so only three vertebrae were cracked. I am sorry to report, however, that as I lay on the tools, in pain, unable to stand and watching the empty barrel 80 feet above me, I again lost my presence of mind and let go of the rope..."

Foiled by a Democrat again

One day in the future, George W. Bush has a heart attack and dies. He immediately goes to hell, where the devil is waiting for him.

"I don't know what to do here," says the devil. "You are on my list, but I have no room for you. You definitely have to stay here, so I'll tell you what I'm going to do. I've got a couple folks here who weren't quite as bad as you. I'll let one of them go, but you have to take their place. I'll even let YOU decide who leaves."

Knut S-C Ojermark

W thought that sounded pretty good, so the Devil opened the first room. In it was Richard Nixon and a large pool of water. He kept diving in and surfacing and diving in again. Over and over and over. Such was his fate in hell.

"No," W said. "I don't think so. I'm not a good swimmer and I don't think I could do that all day long."

The devil led him to the next room. In it was Newt Gingrich with a sledgehammer and a room full of rocks. All he did was swing that hammer, time after time after time.

"No, I've got this problem with my shoulder. I would be in constant agony if all I could do was break rocks all day," commented W. The devil opened a third door. In it, W saw Bill Clinton, lying on the floor with his arms staked over his head, and his legs staked in a spread eagle pose. Bent over him was Monica Lewinsky, doing what she does best. W took this in disbelief and finally said, "Yeah, I can handle this."

The devil smiled and said "OK, Monica, you're free to go."

Sex is a beauty treatment.

Scientific tests find that when women make love, they produce double amounts of the hormone estrogen, which makes hair shiny and skin smooth.

2. Gentle, relaxed lovemaking reduces your chances of suffering dermatitis, skin rashes, and blemishes. The sweat produced cleanses the pores and makes your skin glow.

3. Lovemaking can burn up those calories you piled on during that romantic dinner.

4. Sex is one of the safest sports you can take up. It stretches and tones up just about every muscle in the body. It's more enjoyable than swimming 20 laps, and you don't need special running shoes either!

5. Sex is an instant cure for mild depression. It releases the body endorphins into the bloodstream, producing a sense of euphoria and leaving you with a feeling of well-being.

6. The more sex you have, the more you will be offered. The sexually active body gives off greater quantities of chemicals called pheromones. These subtle sex perfumes drive the opposite sex crazy!

7. Sex is the safest tranquilizer in the world. It is 10 times more effective than Valium.

8. Kissing each day will keep the dentist away. Kissing encourages saliva to wash food from the teeth and lowers the level of the acid that causes decay, preventing plaque build-up.

How the Internet began

An old, bearded shepherd with a crooked staff walked up to a stone pulpit said, "And lo, it came to pass that the trader by the name of Abraham Com did take unto himself a young wife by the name of Dot. And Dot Com was a comely woman, broad of shoulder and long of leg. Indeed, she had been called Amazon Dot Com.

And she said unto Abraham, her husband, "Why doth thou travel far, from town to town with thy goods when thou can trade without ever leaving thy tent?"

And Abraham did look at her as though she were several saddle bags short of a camel load, but simply said, "How, Dear?"

And Dot replied, "I will place drums in all the towns and drums in between to send messages saying what you have for sale and they will reply telling you which hath the best price. And the sale can be made on the drums and delivery made by Uriah's Pony Stable (UPS)."

Abraham thought long and decided he would let Dot have her way with the drums. And the drums rang out and were an immediate success. Abraham sold all the goods he had, at the top price, without ever moving from his tent. But this success did arouse envy.

Knut S-C Ojermark

A man named Maccabia did secret himself inside Abraham's drum, and was accused of insider trading. And the young man did take to Dot Com's trading as doth the greedy horsefly take to camel dung. They were called Nomadic Ecclesiastical Rich Dominican Siderites, or NERDS for short.

And lo, the land was so feverish with joy at the new riches and the deafening sound of drums, that no one noticed that the real riches were going to the drum maker, one Brother William of Gates, who bought up every drum company in the land. And indeed did insist on making drums that would work only if you bought Brother Gates' drumsticks.

And Dot did say, "Oh, Abraham, what we have started is being taken over by others.

"And as Abraham looked out over the Bay of Ezekiel, or as it came to be known "eBay," he said, "we need a name that reflects what we are," and Dot replied, "Young Ambitious Hebrew Owner Operators."

"Whoopee!", said Abraham.

"No, YAHOO!" said Dot Com.. . and that is how it all began.

And So - It wasn't Al Gore after all....

Big-ass grill

Dan and his wife were working in their garden one day when Dan looks over at his wife and says: "Your ass is getting really big; I mean really big! I bet your ass is bigger than the barbecue."

With that he proceeded to get a measuring tape and measure the grill and then went over to where his wife was working and measured his wife's bottom. "Yes, I was right. Your ass is two inches wider than the barbecue!!!"

The wife chose to ignore her husband. Later that night in bed, Dan is feeling a little frisky. He makes some advances towards his wife who completely brushes him off.

"What's wrong?" he asks. She answers:

"Do you really think I'm going to fire up this big-ass grill for one little wiener
